whom we placed with a large publishing house a year ago has just been advanced to the management of an important department. He's only one of the 1500 college men placed in satisfactory positions last year. In each of our offices is a department exclusively for college men. Each man's case receives personal attention and our employment experts find for him the position in business, in teaching or in technical work which he is best fitted to fill. Write us to-day and we will tell you what we can do for you.

Intercollegiate Civic League

Yale, Princeton, Harvard, the University of Pennsylvania, Columbia, Williams, Amherst, Dartmouth, and a number of other colleges, have formed their respective civic or good government clubs into a League under the name given above.

The co-operation of Union has been asked by the secretary in a letter in part as follows:

"The League consists of non-partisan clubs formed for the purpose of helping their members to acquire information about public affairs. The clubs are purely student organizations and commonly call themselves Civic, or Good Government clubs. They hold periodic meetings, are frequently addressed by men from outside the college, and in many cases carry on original work in trying to ascertain the facts about some question of public importance, usually a local question."

Next Saturday evening is not an ideal time for discussing the formation of such a Civic club here; but it so happens that Mr. Charles M. Jesup of New York, member of the Advisory Committee of the League, is to pass through Schenectady on that day, on his return from a trip to Chicago University, Michigan and Cornell.

A short meeting in Silliman Hall at 7:15 has been arranged, so that Mr. Jesup may speak to Union men. Studying will perhaps let up a bit on Saturday night, and the early hour set will not interfere with later evening engagements.

Will a good number of fellows turn out?

HOWARD OPDYKE.

Sunday, March 17—Dr. Ellery will speak at the Vesper Service at 5 o'clock, which will be the last Sunday meeting of this term.

Tuesday, March 19—C. N. Waldron will lead the prayer meeting in Silliman Hall at 7 o'clock.

* * *

At the Vesper service in Silliman Hall last Sunday afternoon the Dean delivered a most interesting talk on the Old Testament.

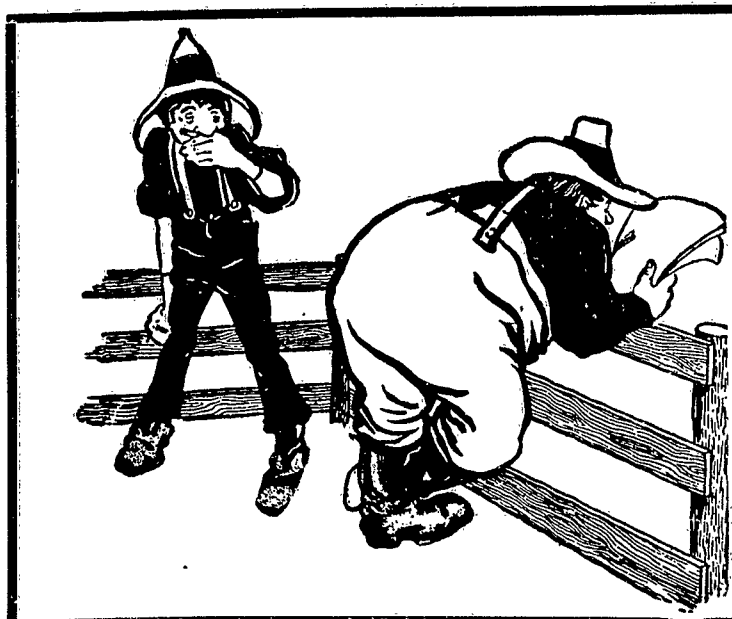

Following the Tuesday night prayer meeting, of which Faust, '10, was leader, a business meeting of the Association was held for the purpose of electing officers of the Association for the coming year. Stevens and Wright, both of the junior, were nominated for President, but Stevens withdrew in favor of Wright on account of a lack of time to attend to the duties of the office. The full results of the election were as follows:

President, J. T. Wright, '08.

Vice President, J. W. Faust, '09.

Treasurer, A. S. Knight, '08.

Secretary, A. R. Chaffee, '10.

The College Man's Favorite Store

"Varsity" chaps hereabout are deucedly partial to Holtzmann's dontcher-know—they like the little "quips" and turns (if we may be allowed the expression) in Tailorcraft that makes their ready-for-wear gorments for fresh, middler, soph and seniors so typically collegian. Boys, we just want to say that your favorite store is ready to make you look every inch the college man. You know quite well that college cut clothes are the characteristic of the College spirit. No young man can be said to be thoroughly inoculated with the indefinable exuberance who is lax in this particular. The rah! rah! rah! cannot be evoked with the same gusto in an ill-fitting suit, so get ready to "holler" in a Holtzmann's Perfection fit college tog. Hats—Haberdashery.
