## UNION COLLEGE

The college offers the following undergraduate and graduate courses:

### 1. Courses leading to the degree of A. B.

**CLASSICAL COURSE A.**---Greek is required for admission to this course. French and German are included in addition to the ancient languages.

**CLASSICAL COURSE B.**---This course may be pursued by candidates who satisfy the requirements for admission to the Ph. B. course. Greek is begun on entrance and is required for four years.

### 2. Course leading to the degree of Ph. B.

**LATIN-SCIENTIFIC COURSE.**---This course offers Latin without Greek, for which is substituted additional work in modern languages and science.

### 3. Course leading to the degree of B. S.

**SCIENTIFIC COURSE.**---This course is based upon the study of mathematics and the sciences.

### 4. Course leading to the degree of B. E.

**GENERAL ENGINEERING COURSE.**---This course offers the foundation of a broad engineering education, comprising mathematics, the sciences, the fundamental principles of the special branches of the profession, and some training in history, economics and modern languages.

**SIX YEAR PH. B.-B. E. COURSE.**---This course combines the above four-year engineering course with the Latin-scientific course.

**SANITARY ENGINEERING COURSE.**---This differs from the general engineering course in substituting special work in sanitary engineering for some of the general engineering studies.

**ELECTRICAL ENGINEERING COURSE.**---This course is intended to give a broad and thorough engineering education, with the special instruction requisite for electrical engineering.

### 5. Courses leading to graduate degrees.

**COURSE LEADING TO DEGREE OF M. C. E.**---This course of one year of graduate study consists of lectures, laboratory practice and research work.

**COURSE LEADING TO DEGREE OF M. E. E.**---This course of one year of graduate study consists of lectures, laboratory practice and research work.

**COURSE LEADING TO DEGREE OF PH. D.**---This course of two years of graduate study requires for admission the degree of M. E. E. or an equivalent.

## MOVING-UP DAY A SUCCESS

**In Spite of Weather, Program is Carried Out. Committees Should Be Commended for Their Success in Making the Day What it Should be.**

With the freshmen, Moving-Up Day began Friday night. A large crowd guarded the Idol all night, waiting for the Sophs to show up, but they were disappointed and were forced to make several trips around town to satisfy their desire for adventure. During one of these sallies, two stray sophomores were discovered wandering on the streets. They were quickly surrounded and conducted royally to the campus where they entertained the freshmen for a time by displaying their artistic talents. But it was not until five o'clock Saturday morning that the Sophs could muster up enough strength or courage to fight. When the freshmen went downtown to eat at about 4:30 A. M., a few daring sophs spilled a little green paint on the Idol and waited the return of the enemy. When the enemy did come they came with a rush and that was the last of the sophomores. The Idol was at once painted red and the freshmen enjoyed a fast game of ball before breakfast time.

## MOVING-UP DAY EXERCISES

In the old chapel filled with guests, friends and students, the first of the Moving Up Day exercises began at eight thirty o'clock Saturday morning. After the regular chapel services at which the class of 1913 appeared for their last time, the seniors sang their class song and started on a march around the chapel. In the second time around the juniors stepped into line, and both classes passed in review before the Terrace Council. This was continued for four more times, each time the outgoing council selected a junior for the Terrace Council next year. The men to receive this high honor were George Edward Lewis of Marion, N. Y.; John Taylor Howell of Newburgh, N. Y.; Stephen Bond Story of Hartford, Conn. and Frank Dorn Barclay of Schenectady. The march around was continued, the two lower classes falling into line until all four classes had been around the chapel. The juniors now took the seats heretofore occupied by the seniors, the class of 1915 took the former juniors' seats and the freshmen left the gallery and seated themselves in the places vacated by the sophomores. The Allouette Song was sung, and headed by the college band, the students in classes marched to the Idol where the second part of the festivities took place. Here amid frequent cheering the two lower classes painted the Idol white, as an evidence that

their differences were forever healed. A huge bonfire was built and one by one the freshmen threw their "frosh" caps in, and in line danced around the fire watching them burn, thus celebrating their release from freshman bondage.

#### THE INTERSCHOLASTIC MEET

At ten o'clock, the interscholastic meet started in the G. E. Park. There were a large number of teams entered and most of the track events had to be run in heats. These preliminaries were finished before twelve and the crowd came back to the Hill for lunch.

The finals began at two o'clock and were finished in time for the baseball game.

The meet was a decided success in every respect. It attracted an unusually large crowd, which showed a heightened interest in all of the events. The competition was very keen, there being representative teams from fourteen different schools. The boys showed excellent ability and two of the Union Interscholastic records were broken.

Schenectady High School won the meet by a very close margin from Ogdensburg Free Academy. There was intense rivalry between these two teams, and the local high school boys deserve all the honor of their victory. Nichols School, of Buffalo, which won the meet last year, finished third, with New York Military Academy a very close fourth.

The latter team, consisting of three men, made a very creditable showing, winning two first places and a second. In the 120 yard low hurdles, T. Woodruff of N. Y. M. A., established a new record of 13 4-5 seconds, the previous time being 14 1-5 by Houpt, of Nichols school. The other record broken was the pole vault. C. Shepard, of Nichols school, bettering his old mark of 10 feet 11, by cleaning 11 feet with ease.

Individual honors for the greatest number of points scored, went to Captain Staver of Schenectady High and to Koenig, of Holbrook

High School, each of whom scored 10 points. Staver was at his best and won the 880-yd and the mile with apparent ease. Koenig was very speedy in the dashes, winning the 100 and the 220. Other men who showed up especially well were Mudge of Schenectady and Toye of Ogdensburg.

The summaries follow:

100 yards: R. Koenig of Holbrook, first; A. Hosmer of Nichols, second; L. Toye of Ogdensburg, third; H. Harrington of Ogdensburg, fourth. Time, 10 1-5 seconds.

220 yards: R. Koenig of Holbrook, first; Toye of Ogdensburg, second; Dold of Nichols, third; Harrington of Nichols, fourth. Time 23 2-5 seconds.

#### MASS. AGGIES 6, UNION 0.

#### Union Plays a Good Game in Spite of of the Cold But Loses After a Hard Fought Battle.

With everything against them, the Garnet players were forced to suffer defeat, only after the gamest sort of have work on the part of each man.

The wind was blowing a gale when the teams took their places and the thermometer was far below the standard for good baseball. Indeed, the bleachers resembled a gathering of football enthusiasts, wrapped up in their fur coats, rather than a crowd of baseball fans. The weather was raw to say the least, and this is without doubt the cause of so many errors, which attended the game.

The Massachusetts Aggies, our opponents, were fast and always on their toes, and bubbled over with confidence and enthusiasm for they have had a splendid season and had seven of last years veterans in the game Saturday. Sherman, their pitcher is an excellent slab artist, and the big New Englander had the Union boys almost at his mercy. His assortment of curves was well chosen and as a result, he struck out thirteen men.

Jenkins was in the box for Union and did splendid work. His speed seemed to increase with the innings and his curves broke well. His lack of experience however, was against him, but he is doing excellent work and has a good cool head to help him. His partner behind the bat helped him a great deal, and they make a strong battery for our team.

The Aggies were the first to bat, but after trying their best, they were forced to retire. Union also retired by the goose egg path. It was not until the third inning that Brewer crossed the plate with the initial tally. King repeated this in the sixth, coming home on an error. The Aggies added two more

## THE PLAIN TRUTH

No doubt a great many of the students read the scare-head story and its successors which appeared in a local paper, one evening last week, concerning certain "reforms" in the Concordiensis. In view of the gross misstatements and the general untruth of the article, we feel it our duty to the college and to the student body to make the real truth known.

We regret exceedingly that any member of this Board should so far forget his obligations to the paper and to his Alma Mater, as

to take the fact of simple conference, distort it till it has lost all semblance to its former self, then add a mass of statements regarding the college weekly, some of them true, but most of them wholly false and should then print the story in a newspaper, under a scare-head. It would seem that such action on the part of any Union undergraduate would be bad enough, but it is absolutely inexcusable and distinctly contemptible for a member of the organization which was attacked.

Secretary Waldron of the Graduate Council sent to the newspaper in question, a statement of the truth, but that organ refused to correct its mistakes, preferring to live up to its reputation for inaccuracy. Such being the case, we must give a few facts here to set the matter right. The Concordiensis Board is **not** being "investigated" by the Graduate Council, nor has that organization either the power or the desire to do this. Mr. Waldron did **not** state that the Council intended to change either the policy or the form of the paper. He denies it absolutely. No senior was "compelled to resign from the Board" this year. It was done voluntarily. In only one place was the right place said. It was stated that much comment would arise on the Hill. It certainly has, and most of it is expressed as being behind the Board in anything it does. We appreciate this more than we can say and we take this opportunity to thank the students for their loyal support.

Every member of the Board realizes the defects and short comings of the Concordiensis and every man is working hard to eliminate them. Why then, since this is the case, should these defects be heralded in every paper in the vicinity, when absolutely no

good can be done and when definitely harmful effects may be produced on the college. Shall we call this college spirit, to injure one's Alma Mater without cause? The statement of a truth is one thing, but that same simple fact, twisted and distorted with the additions and embellishments of a vivid imagination becomes a truly marvelous creation. Thus it was with that story. Had the unadorned truth been told, no harm would have been done, but as it is, no one can estimate the effects of its wide distribution.

We have various plans formulated for next year and we expect to carry them out regardless of any notoriety which may be added by unscrupulous members of the student body. We feel that the present Board is as capable as an other body of men to edit the Concor- diensis, yet we are always willing to receive advice. We do ask this however. When any one has any idea to give us, please bring it to one of the editors rather than covering it with untruth and publishing it in every payer within a radius of fifty miles. We think it will stand a better chance of reaching the proper individuals. If a man is sick, his doctor does not write to President Wilson or Kaiser Wilhelm, and tell them what the is. He is more likely to be successful if cure he tells the sick man himself, or his nurse. We leave this to you as a fair analogy to this most unfortunate affair and we trust that any future "reformers" will think twice and count ten before they write to the papers about any "deplorable condition" in college.

—:O:—

Hereafter Cornell upperclassmen will call regularly upon freshmen to see that they get started right.

in the eighth and two more in the ninth. Union tried her best to score and it looked bright when Woods, knocked out a three bagger in the sixth but he was caught in his attempt to slide home.

Union's playing was, on the whole, much better than in the last game and the work of the coach in whipping practically an entire new nine into shape is beginning to show. The boys are gaining confidence and will soon get into the proper stride.

### MORE LOYALTY

The game, Saturday, was a hard one to lose, both for the team and students, but it is not time to become discouraged. The players, while as yet inexperienced, are doing their level best. What more can mortal man do? If you can do better, come out and show us. Do it for Old Union. If you can't, help the team, with real Union spirit. Don't give up until the last minute, and if defeated, don't blame the team, for again they are fighting hard to win.

### FRESHMAN SPIEL DROPPED

On account of opposition on the part of the Terrace Council the proposed Freshman "Spiel" was called off. It was planned to hold it under the auspices of "The Pipe and Bowl Club" and in this way get around the ruling of the Council, but this was also given up when it was found that the majority of men, prominent in college affairs, were not in favor of it.

—:o:—

### ADELPHICS TO DINE

The Adelpic Debating Society will hold a dinner at Barney's Restaurant, Saturday evening. The local and Albany Alumni and those of the Faculty who are members of the society will attend. Toasts will be responded to by several alumni and Professor McKean will also speak to the debaters. Truex '14 and Coulter '15, compose the committee which is in charge of the affair.

## UNION DEFEATS HAMILTON

### Track Team Captures Meet at Clinton by a Score of 61 to 56

In the closest and most exciting meet which has been held between Hamilton and Union in years, the Garnet team nosed out first honors by the score of 61-56. The meet was very closely contested and at the beginning it seemed that Union would be swamped, Hamilton easily capturing sixteen out of eighteen points in the dashes. Hamilton was also easily the victor in the weight events but in the distances and the jumps Union captured everything in sight.

Baker '14, featured as greatest point winner, securing first in the pole-vault, broad jump and high jump and third in the 220-yard and 100-yard dashes. His work was excellent throughout, and he easily defeated Hamilton's star high jumper at 5 ft 5 1-2 in. Lee of Hamilton was greatest point-winner for the Buff and Blue, scoring thirteen points, taking first in the 100-yard dash, the 220-yard dash and second in the broad jump. LaBarron captured first in the quarter and half miles, running the former in 53 sec., 3-5 of a second ahead of the Hamilton record. Rogers was in splendid form and took first place in the mile with LaBarron second while a few minutes later, he finished second to "Bob" in the half. Tremper won the two-mile race by half a lap easily. Indeed he slowed down and walked in at the finish. Fletcher showed up well in the weights and showed unusual ability in that line.

The team goes to Colgate Saturday for the State Inter-collegiates. Captain LaBarron says that we have a wonderful chance of winning this year, and we are expecting to see the quarter-mile, half-mile and two-mile records lowered by our men. The summaries of Tuesday's meet follow:

100 Yard Dash: Lee, (H) first; Potter, (H) second; Baker, (U) third. Time, 10 2-5 second.

1-Mile Run: Rogers, (U) first; Ingersoll, (H) second; Newton, (U) third. Time, 5 minutes, 1 second.

120 Yard Hurdles: Leavenworth, (H) first; Dickinson, (U) second; True, (H) third. Time, 18 seconds.

440 Yard Dash: LaBarron, (U) first; Lee, (H) second; Davis, (H) third. Time, 53 seconds.

2-Mile Run: Tremper, (U) first; Mattoon, (H) second; Vedder, (U) third. Time, 10 minutes, 31 3-5 seconds.

220 Yard Hurdles: Hughes, (U) first; Malen, (U) second; Leavenworth, (H) third. Time, 28 2-5 seconds.

Half Mile Run: LaBarron, (U) first; Rogers, (U) second; Carner, (H) third. Time, 2 minutes, 9 seconds.

220 Yard Dash: Lee, (H) first; Potter, (H) second; Baker, (U) third. Time, 23 4-5 seconds.

Shot Put: True, (H) first; Jessup, (H) second; Fletcher, (U) third. Distance, 35 feet, 9 1-2 inches.

Pole Vault: Baker, (U) first; Bushnell, (H) second; Randles, (U) third. Height, 10 feet.

High Jump: Baker, (U) first; Banks, (H) and Dickinson, (U) tied for second. Height, 5 feet, 5 1-2 inches.

Hammer Throw: Jessup, (H) first; Fletcher, (U) second; Thompson, (H) third. Distance, 131 feet, 6 1-2 inches.

Broad Jump: Baker, (U) first; Lee, (H) second; Tinklepaugh, (U) third. Distance, 20 feet, 4 inches.

## SENIOR CLASS SONG

The senior class song was sung for the first time at the Moving-Up exercises, Saturday morning. The song is exceptional, both for the splendid swing and rhythm of its music and for the beauty of the words. The song and the music were written by R. F. LaBarron '13, to whom much credit is due for his

excellent work. The class published its song this year although it is the first time this has ever been attempted. The project has been a success and no doubt the custom will be followed by succeeding classes. The words of the song follow:

Hail, Alma Mater!  
Hail, brave and free!  
Flow'rs we bring to thy festival,  
Hearts we raise to thee;  
Cares may come hereafter,  
Mirth give way to tears;  
Thine alone be Love and Laughter  
Through the coming years.

#### CHORUS

And as we leave these gray old halls,  
We pledge our faith to thee,  
The days now gone shall live again  
In tender memory;  
And as we tread a broader road,  
Where'er our feet may pass,  
The coming years shall find us true  
To thee, thou dear old class.

Hail, classmates faithful!  
Comrades true blue,  
College days we e'er shall hold  
With our love so true,  
First at the Idol's shrine,  
Our hearts bow'd down to thee;  
Still we pledge our loyalty  
Through the coming years. Cho.

Hail, Alma Mater!  
Farewell to thee,  
These gray halls shall ever stand  
In our memory;  
Worldly tasks stand near us,  
Calling us from thee;  
Yet our thoughts in thee shall be  
Through the coming years.—Cho.

### ENGLISH CLUB ELECTS

The English Club held its annual elections Tuesday afternoon, in Washburn Hall. Five members of the class of 1914 were elected to membership in the Club for next year. The men who were elected are: W. L. Cote '14, T. L. Ennis '14, H. H. Hitchcock '14, S. B. Story '14 and George Wadsworth '14. The Club will meet next Tuesday evening, in Washburn Hall. The program for the evening will consist of a brief dramatic entertainment which Dr. Hale is now preparing. After the business of the meeting is ended, refreshments will be served. The new members will be initiated at this, the last meeting of the Club this term.

### LIBRARY NOTES

Rev. Jacob Fry, D. D., L. L. D., L. H. D., a member of the class of '51, has presented to the library, a fine book case in which the rarer and more valuable volumes will be kept. The case is composed of several tiers of shelves with glass doors opening before them. The doors will be kept locked but Librarian Clinton will exhibit the books personally when any one desires to examine them. The shelves themselves slide and thus save wear on the old volumes. The plans for the case were drawn by Librarian Clinton himself. Dr. Fry is a member of Delta Upsilon and of Phi Beta Happa.

### SIGMA XI ELECTIONS

Instructor King, as Secretary, has added twelve names to the roll of men in Sigma XI. At the election held on the thirteenth of the month, three members of the faculty and nine members of the senior class were elected. The members of the faculty are: Charles B. Anthony, instructor in engineer-

ing mathematics; Albert J. Salathe, instructor in chemistry; J. George Steinle, instructor in engineering. The seniors who won this honor are: Charles F. Brate, Harry L. Davenport, Neville S. Dickinson, Herman Franck, Nugihalli N. Iengar, Robert F. La Barron, Charles T. Male, Hubert Mann and Hugh M. Stoller. Brate, Dickinson, Iengar and Stoller are in the electrical engineering course; Franck and Male, in the general engineering course; Davenport and LaBarron, in the scientific course; and Hubert Mann has the distinction of being the only student in the classical course to win scientific honors.

It is of course unnecessary to tell most of the students that Sigma Xi is the honor society of the scientific departments of the leading scientific and scientific-classical universities in the country. It is interesting to note that the chapter at Union is one of the three oldest—it was formed in 1887, and the first chapter, at Cornell, in 1886.

### ENTHUSIASTIC CAMPUS MEETING

At about seven o'clock, Saturday night, a campus meeting was held on the oval at which the prizes won at the meet in the afternoon were given out, and several speeches were made to the prospective students.

Coach Dawson spoke of the athletics of the college and their value to the college and students. President Richmond was the next speaker and spoke on the position of athletics in the college and their aim. Mr. Wemple of the Schenectady Board of Trade told of the importance of the college to the city and of the interest that the city took in its welfare.

Mr. C. H. Kilpatrick '98, a holder of several track records spoke on college life in general. Robert La Barron '13, explained the meaning and value of "Union Spirit" and told the things that made such spirit possible.

Dr. MacComber gave out the prizes to the different schools. Among the prizes, was a cup presented by the Schenectady Board of Trade to be given to the winner of the greatest number of individual points. Mr. Koenig of Holbrook school and Mr. Staver of Schenectady, each made ten points and the Board very kindly offered to furnish another cup so that each man might have one.

—:O:—

### CLASSICAL CLUB PLAY

The following unspaced title-page of "Suffragatrix Militans" tells pretty well what occurred at the Classical Club meeting last week:—*Suffragatrix Militans; in qua satira de optima beate vivendi ratione consulit C. Trebatium Testam Q. Horatius Flaccus. Apud societatem litterarum humaniorum Collegii Concordiensis a grege iuniorum in scaena acta prid. id. Maias MCMXIII A. D. Hoc opusculum collegis suis et sodalibus dedicat Georgius Dwight Kellogg.*

If you cannot read Latin, get a classical student to translate, and you will have the whole story.

The exercises opened with the singing of "Lauriger Horatius." Then Donald A. Coulter, '15, read a paper by Dr. Kellogg explaining the play, and a selection from Abbott in further explanation. After he had given an English verse translation of the satire, the action commenced. William L. Cote, '14, was Horatius; John Sherburne, '14, was Trebatius; and the suffragatrix militans was Eastman, '15. The actors well deserved the liberal applause of the audience, especially Mr. Cote, who had the most difficult part to uphold. The interest shown indicates that the Classical Club is still one of the most energetic organizations on the Hill.

Since this was the last meeting of the year, election of officers took place. The following men will take charge next year: William L. Cote '14, president; Barlow L. Loomis '15, vice-president; C. Foster Brown '16, secretary and treasurer.

### DR. HOFFMAN HONORED

Dr. Frank S. Hoffman, head of the Philosophy department, has been highly honored by receiving an invitation from the executive committee of the Fifth International Congress of Philosophy, to read a paper at the next meeting, which will be held in London. The last Congress was held in Bologna, Italy in 1911. These meetings are held every fifth year and this next meeting will be held the first week in September, 1915. The Congress will meet under the patronage of King George, and the Honorary President is to be Right Honorable Viscount Haldane, Lord Chancellor of England.

The committee requested the title of the paper at an early date, in order that the preliminary program may be prepared and sent to every civilized nation of the world. Professor Hoffman has decided to speak on "The Present Day Conception of the State." It is a high honor which he has received and we congratulate him for it.

—:o:—

### BASKETBALL LEAGUE FORMED

A basketball league, composed of Colgate, Wesleyan, Williams and Union, has been formed. This new league is to be known as the Eastern Inter-collegiate Basketball Association and the constitution will be formally ratified at a meeting to be held in Boston, on May 31st.

There is a bare possibility of Brown or Amherst joining this league and it is hoped eventually to make it a six-team league. Every team will play two games with each of the other league-members. It is planned to arrange matters so that within a year or two, the champion team of this league shall play a series of games with the champions in the Inter-collegiate League for the championship of the East.

Syracuse, St. Lawrence and Rochester did not appear interested in the formation of a New York State League and did not wish to enter this new league. Manager Vaughan was in New York Saturday, attending the meeting at which the league was formed. The Athletic Board will meet to-night to pass upon the proposed constitution which has been drawn up for the new organization. The basketball schedule has not as yet been completed and ratified but will appear in an early issue of the Concordiensis.
