UNION COLLEGE

The college offers the following undergraduate and graduate courses:

1. Courses leading to the degree of A. B.

CLASSICAL COURSE A.---Greek is required for admission to this course. French and German are included in addition to the ancient languages.

CLASSICAL COURSE B.---This course may be pursued by candidates who satisfy the requirements for admission to the Ph. B. course. Greek is begun on entrance and is required for four years.

2. Course leading to the degree of Ph. B.

LATIN-SCIENTIFIC COURSE---This course offers Latin without Greek, for which is substituted additional work in modern languages and science.

3. Course leading to the degree of B. S.

SCIENTIFIC COURSE---This course is based upon the study of mathematics and the sciences.

4. Course leading to the degree of B. E.

GENERAL ENGINEERING COURSE---This course offers the foundation of a broad engineering education, comprising mathematics, the sciences, the fundamental principles of the special branches of the profession, and some training in history, economics and modern languages.

SIX YEAR PH. B.-B. E. COURSE---This course combines the above four-year engineering course with the Latin-scientific course.

SANITARY ENGINEERING COURSE---This differs from the general engineering course in substituting special work in sanitary engineering for some of the general engineering studies.

ELECTRICAL ENGINEERING COURSE---This course is intended to give a broad and thorough engineering education, with the special instruction requisite for electrical engineering.

5. Courses leading to graduate degrees.

COURSE LEADING TO DEGREE OF M. C. E.---This course of one year of graduate study consists of lectures, laboratory practice and research work.

COURSE LEADING TO DEGREE OF M. E. E.---This course of one year of graduate study consists of lectures, laboratory practice and research work.

COURSE LEADING TO DEGREE OF PH. D.---This course of two years of graduate study requires for admission the degree of M. E. E. or an equivalent.

UNION MEETS FIRST DEFEAT

Garnet team overcome by Wesleyan Weight.

It hardly seemed as if the real Union team was playing Wesleyan on Saturday with so many regulars crippled and out of the game. With Sarvey, Jenkins, and Mallen on the sick list and Dewey, Starbuck, and Jackson half crippled, it could hardly be expected of the varsity to do its best.

Union faced a team about 30 pounds heavier. But the fight that the team put up, is hardly expressed in the score. Faced by greater odds, the Union men went into the game heart and soul. No one in college is at all discouraged over the result.

Wesleyan was somewhat taken off her feet by the first quarter. Union opened hole after hole and Gilbert was able to steal two 5-yard tackle runs. Dewey sent a field goal over the bar and gave Union her only score.

In the second period, Wesleyan made several changes in her lineup. She began to hammer the Union line relentlessly. By her superior weight she was able to gradually wear the Union line to pieces. After that, Union had to play on the defensive entirely.

Though Wesleyan had the advantage, the Union team made her resort to the punt

again and again. Wesleyan was able to force Keegan over the line in the second period and Eustic kicked the goal. The second half started with Wesleyan trying out two "subs" but the hard attack of the Garnet men forced the regulars back into the game.

"The Methodists were also chary in their use of end runs," says the Gazette, "relying almost entirely on their weight to crush through Union's light line with straight bucks. Most of Union's gains were made on skin tackle plays. The Garnet tried several forward passes but it was too much of a proposition to get the ball over the heads of the Wesleyan six footers and all the passes were incomplete. Union also lost considerable ground on every exchange of punts. Dewey's hip bothered him greatly and he was forced to allow someone else to do the punting. The other players, unused to kicking, were keyed at too high a pitch to lift the ball very far and the results were that the Garnet punts were not covering much more than fifteen or twenty yards."

Credit was generally given to Gilbert and Dewey for fine work in the game for Union, while Yaggren, and Kenan and Bacon, upheld honors for Wesleyan.

As the game was being played, the results by periods were sent by telegraph to the Press Club and then posted. The first bulletin gave great satisfaction but the others were followed with silence. The Press Club

expects to continue the bulletin system for announcing the football results and the convenience should be quickly taken advantage of by the students.

Here are the telegrams Manager Whitney sent to the Concordiensis:—

“3:22 P. M. End of first quarter, Union three, Wesleyan nothing. Dewey, Huthstienner, and Gilbert, playing star game. Line is doing great work. D. W. Whitney”

“3:34 P. M. Wesleyan fourteen, Union three, Line did poorly in second quarter. Miss our regulars. Feel sure the game would be ours if Sarvey and Jenkins were with us. Hope better report end of third quarter.”
D. W. Whitney

“3:59 P. M. Wesleyan twenty-one, Union three. Touchdown made in third quarter by fumbled ball. Playing in hard luck What regulars we have on the team are taken out to be saved for Hamilton. D. W. Whitney”

“4:34 P. M. Final Score, Wesleyan twenty-eight, Union three. D. W. Whitney”

UNION DEFEATS COLGATE

Garnet runners make up for last years defeat.

The Cross Country team ended its season Saturday by defeating the Colgate runners with a score of 20-35. The day was a typical fall day with crisp air and a sharp breeze. A large crowd lined the oval to witness the start and finish of the race. Gould of Colgate was the first man to finish, Elmore of Union finished second, LaBarron, Rogers, Tremper and Vedder of Union crossed the line abreast taking third, fourth, fifth and sixth places. Bernstorm, Colgate, finished seventh, Laegler, captain of the Colgate team, was next to finish and then came Simons and Markham, both of Colgate.

Gould made a pretty run and finished strong, his time being 20:13. LaBarron and Gould ran close together for the first 2 1-2 miles and then Gould took a decided lead while LaBarron dropped back with the other four Union men. It was a grand sight for Union students to see those five runners finishing together and showed the excellent physi-

cal condition and team-work of the Garnet men. Last year's defeat was in the mind of the Union men and they ran their best to retrieve themselves. This they did with a vengeance and took the race by a wide, safe margin. Union has every reason to be proud of her cross country team which has lost only one race in the last five years. This is a showing of which any team might well be proud.

FRESHMEN DEFEATED

The Freshman football team journeyed to Pawling, N. Y., Saturday, where they played the Pawling School. The Frosh were played off their feet and the final score was 26-0 in favor of Pawling. Coach Riedinger accompanied the team. One of the Pawling players fractured his collar bone during the game. But this was the only mishap.

MUSICAL CLUBS' TRIP

The musical clubs will open their season on Friday evening, Nov. 8, when they will journey to Ballston. They are to be entertained there with a dance given after the concert by the young people of Ballston. The second engagement of the clubs is at Niskayuna, on Tuesday evening, Nov. 12. The management is contemplating a Thanksgiving trip to Buffalo and vicinity which will possibly include engagements at Oneonta, Binghamton, East Aurora and Buffalo.

There are twenty-five men out for the mandolin club, twenty-four for the glee club and seven for the banjo club. Seven doubles occur between the mandolin and glee clubs, and also seven doubles between the banjo and mandolin clubs. The management expects to take thirty-five men on the trips this year, which will be eight more than were taken last year. No cut will occur until after the second concert.

The progress of the club is better this year than ever before and a more successful year than ever before is almost certain. Two of the best numbers, which the clubs are practicing, were written by Mr. Goggin. Leader Davis is to sing a bass solo this year accompanied by the whole club. This is one of the most difficult things the club has tried as yet. There will be medley solos, by Dickinson and Wood, and also a quartet.

The picture of the clubs will be taken some noon this week immediately after lunch. More sophomores who are in the clubs are wanted to try out for assistant manager. There is still a good chance.

——:O:——

FRESHMAN PEE-RADE

The freshman peerade this year has all the appearances of a great success. The committee in charge has worked hard and at the present date, about eighty parts have been assigned. The whole freshmen class has been given parts except the football men and members of the Band, who of course will not be in the peerade. The line of march will be similar to that of former years. The peerade will start on the afternoon of the Hamilton game, the exact time to be announced later.

The students are paying their tax well and, as moved in college meeting, the committee has a list of those who have not yet paid.

The freshmen are entering into the spirit of the thing splendidly and the committee is doing its best to make the peerade a success.

——:O:——

A special telegram was received from Pawling N. Y., on the freshmen game.

"5:42 P. M. First half, Pawling nineteen, Union nothing, Second half, Pawling seven, Union nothing, Three fumbles by Union gave Pawling three touchdowns. Ball in Union's possession nearly all of second half."

CONCERNING THE PRIZE CONTEST

In another part of this issue of the Concordiensis appear the conditions, as determined by the Undergraduate Publication Board, governing the contest for the best series of literary articles to appear during the year in the columns of this paper. President Richmond has offered a prize of sufficient value to bring out some decidedly good literary efforts. Such a contest conducted under faculty censorship ought not to fail to give an impetus to literary interest at Union and to put in the columns of the Concordiensis articles of general interest to its readers. According to these rules any student may submit to the literary editor of the Concordiensis at any time and in any number, articles for this contest. As they are received, they are turned over to a member of the faculty

who reads them and returns the best ones to be published. In order to be eligible a student must have at least seven articles thus accepted and published. At the end of the contest, which will be May 15, the sets of seven or more articles will be sent to a committee composed of faculty members and alumni, who will judge the efforts, and if one set is considered worthy, it will be awarded the prize. It is hoped that this contest will serve its purpose. Literary interest, it must be admitted, is not what it should be. The Concordiensis, besides publishing the series of articles by faculty members, wishes to publish articles of interest from the student body. Here is a decided incentive; and an exceptional opportunity available to the undergraduate to assist and benefit our weekly publication. The literary editor is ready to receive any contributions for this contest at any time.

THE WESLEYAN GAME

The football team never showed finer spirit than they did Saturday, when, with only four regulars in the game, they went down to defeat before the Wesleyan eleven. Playing in a crippled condition, against one of the fastest elevens in the East and one which is admitted to be the best team Wesleyan has had in years, they not only kept the score down but forced the Methodists to play their hardest to win. The students know the conditions and are not one whit discouraged over the result. With Stevens and Hamilton yet to play, the team is confident of adding these two hard games to their string of victories. The record has been a splendid one thus far and if we finish the season with a victory over Hamilton and only one defeat against us, we will have a record of which we may well be proud.

COLLEGE MEETING

At the college meeting on Monday, Captain Dewey spoke of the honorable defeat which the team suffered from Wesleyan, mentioning the fact that they were outweighed about thirty pounds per man, and that some of our best men were unable to get into the game. He said that every man on the team did his best but that, owing to the superiority of the Wesleyan team, defeat was inevitable. If, however, some of the "cripples" have been in condition to play, the score would not had been so large.

Captain LaBarron spoke of the good work of the cross country team in defeating Colgate on Saturday. "The victory," he said, "was achieved not by individual brilliant performance but by consistent and sustained effort on the part of all the members of the team." Captain LaBarron made special mention of the spirit shown by those five men who stayed out and worked all season although, with five Varsity men out, they knew there was very little chance to make the team. It is spirit like this which wins victories now and in the future.

Although nothing is definitely settled as yet, there will be some relay work this winter. Meets at Williamstown, Albany and New York are being considered. Captain LaBarron would like to see more half-and quarter-milers out as this winter work is essential to turning out a good team in the spring.

Manager Whitney announced at the college meeting that it had been decided to ask some fraternity to give up its house to the football team for the week before the Hamilton game in order that the team might be together and under constant supervision. Those fraternities which were able to do this were requested to send representatives to a meeting which was to be held in Silliman Hall on Wednesday evening to discuss the matter. This seems to be a splendid chance to show

that we are back of the team and the coach, and the fraternity which obtains this honor will most certainly receive the thanks of the entire college.

At the request of the Terrace Council, Dr. MacComber explained, at the college meeting, his reasons for omitting the wrestling matches from the inter-class games on Election day. He said that this feature had been introduced at his suggestion, four years ago to furnish an incentive for fall exercise to those who were not training for football or track, but that preparation was considered essential. As no one had done any training, he was not prepared to take the responsibility of allowing any student to take part in this severe contest, and that, if, next year, no more training was done for the other events than has been done this year, these also would be omitted.

Attention was again called to the fact that there were still some who had not signed the Honor Constitution. These will be given an opportunity at the end of the week.

The Manager of the Glee Club announced that three new songs and some old ones will be given out this week for the Hamilton game. Everybody was requested to learn the words and music as soon as possible for the rehearsals which will be held later.

The matter of having a lunch room in Silliman Hall was discussed and a rising vote taken of those who would be in a position to patronize it. This would be a great convenience for the college and the project is decidedly worthy of support.

SOPHOMORES WIN CLASS MEET

The sophomores won the inter-class meet Tuesday afternoon, defeating the freshmen by a score of 45-15. The races were easy for the second-year men, the freshmen winning only one event, the tug-of-war.

The game was equally easy, the much-talked-of freshman team being unable to do a thing against the attacks of the sophomores. The tug-of-war was the only freshman victory. The struggle lasted three minutes, in which time the freshmen pulled the sophomores about thirty-five yards.

Clark '15 won the 100-yard dash in easy style, Hunter '15 was a close second. The time was 10 3-5 seconds, fast time for the course.

Blodgett '15 and Rollins '16 fought out the mile run but Blodgett nosed out a ten yard victory over Rollins. Sauerbrei took the lead at the start but set too fast a pace and dropped out on the third lap. The time was 5:10 4-5.

The relay proved easy for the sophomores. They finished twenty yards ahead. Baldy '15 made a big gain for his class, running his lap in very fast time.

The football game was won by the sophomores by a score of six to three.

They scored their only touchdown on a freshman fumble. Buckley '15 recovered the ball and ran for a touchdown. The sophomores, however, failed to kick the goal. In the fourth period, the freshmen scored on a pretty drop kick from the thirty-yard line. Pierson turned the trick, which was the redeeming feature of the freshmen playing. The game was well played throughout although the freshmen were kept on the defensive by the fierce attacks of the second-year players. Scully, Beaver and Cleveland played well for the sophomores while Van Deusan, Berger and Vrooman starred for the frosh.

The day was ideal and a large crowd witnessed the games. The classes were very enthusiastic and there were many demonstrations of class spirit. Both freshmen and sophomores were out in force and backed their teams to the limit, both financially and orally. These contests do much to increase class spirit among the men and are thus beneficial. The sophomore football team deserves especial credit for its fine playing when it had had scarcely any signal practice and no scrimmage. Both classes showed up well and both did their best.

✓ FOOTBALL TRAINING TABLE

Beginning with next Monday, the entire football squad will stay at the Delta Upsilon House and will be kept constantly under the eyes of Coach Dawson and Dr. McComber. This plan has worked out according to the wishes of the coach as expressed Monday in college meeting by Manager Whitney. At that time he asked for some fraternity on the Hill to volunteer its house for the use of the squad during next week. Tuesday morning representatives from the various fraternities met with the coach and manager and the representatives of the team and it was decided to accept the Delta U's offer of their house. The chapter will move out, giving Coach Dawson absolute charge of things. They will be the guests of the various other fraternities on the Hill till after the Hamilton game. Coach Dawson wants to keep the men absolutely in strict training for the week preceeding the Hamilton game. He feels that with the men all in one house, he can see that they keep better hours and that they are in prime condition for the battle with Hamilton. Hamilton's defeat at the hands of Rutgers last week added to the game lost to Hobart, makes the prospects apparently bright for Union, but Coach Dawson is taking no chances and is doing everything in his power to end the season with a victory over old Hamilton which will wipe out our defeat last year at Clinton. The team is playing better football than at any other time this season, and, although expecting a hard game with Stevens Saturday, is confident of victory.

—:O:—

Charles Kilpatrick '98, former holder of the half mile record, made a visit on the Hill recently.

F. L. Stiles '02 made a visit on the Hill Tuesday. He is practicing law on Long Island.

PRESS CLUB

At its regular weekly meeting Wednesday night, the Press Club showed its progressive spirit by working out a plan whereby the reports of all out-of-town games could be learned in the quickest possible time. The manager of the team on a trip sends a telegram not exceeding twenty-five words to the Press Club at the end of each quarter and a bulletin is posted immediately in the Press Club windows. This plan is to be carried on during the basketball and baseball seasons. Heretofore, athletic and general news has been covered by separate committees. At this meeting it was decided to combine these two committees into one.

Dr. Frank Coe Barnes of the faculty and Philip T. Hill '12 gave the Club most interesting talks. The plan of having men who are interested in practical journalism speak is to be continued during the winter.

Election returns were received Tuesday evening, by the club and were posted on the Press Club bulletin. The club is increasing its efficiency this year and is doing much new work.

Y. M. C. A. NOTES

Dr. J. V. Moldenhower of Albany, gave an exceedingly fine and interesting talk on "The Young Man and the Church" at the vesper service Sunday. Dr. Moldenhower is pastor of the Second Presbyterian church of Albany and is known to be one of the best speakers in this territory.

Charles Male '13 has moved into Silliman Hall. He takes the place of Folensbee '14, vice-president of the Association, who is sick with an attack of typhoid fever.

1858. The Rev. Henry Buttz, D. D., L. L. D. a member of the class of '58, for forty-five years an active member of the faculty of Drew Theological Seminary and for thirty-two years President of the Seminary, resigned the latter office recently. Through the persuasion of the Board of Trustees he was induced to retain his Professorship of New Testament Exegesis and was unanimously elected President Ementus.

He was born in Middle Smithfield, Pa., April 18, 1835. After completing with honor the course at Blair Academy, he entered Union in 1854. After two years he went to Princetown and completing his course with honor. He then entered Rutgers Theological Seminary. After some years of teaching

he began his long career at Drew. Here he has made himself a part of the college and so his absence will be deeply felt. He was a member of the Delta Upsilon fraternity.

1886. Wilbur Fisle Lamont, A. M. M. D. died August 1, 1912, in the Albany City Hospital where he had been taken from his home in Catskill. He was born July 29, 1863, in Richmondville, N. Y. In college besides playing baseball. He won many prizes also a place on the Commencement program. He next studied at Albany Medical College and after graduation settled in Catskill where he spent the rest of his life.

1889. James Howard Hanson, a member of the class of 1889, died at his home in Amsterdam, Monday morning. His death was caused by a complication of Brights disease and heart trouble. Mr. Hanson's death was very sudden.

He graduated from Union in 1889 with high honors, being elected to Phi Beta Kappa. After graduation he entered the law office of Edward P. White and later formed the firm of Nisbet & Hanson. However a few years later he opened offices in New York City where he was in business. About two years ago he returned to Amsterdam and formed the Turner-Hanson Veneer Company with a plant at Wells, N. Y.

He was a member of the Amsterdam and Montgomery County Bar Association. He was one of the charter members of the Amsterdam Board of Trade.

Mr. Hanson was a member of Welcome Lodge No. 829, F and A. M., one of the founders and the first president of Montgomery County Historical Association and a member of the Alpha Delta Phi fraternity.

A few years ago Mr. Hanson edited "The Minute Book of the Committee of Public Safety of Tryon County," for which he wrote an introduction. He was a member of the Mohawk Club of this city, and the Antlers of Amsterdam; the Lawyers' Club of New York, the Alpha Delta Phi Club of New York, and the Bibliophile Society of Boston.

THE PRIZE CONTEST

The following are the conditions of the literary contest for the prize of \$35.00 for the best series of articles offered by President Richmond, as drawn up by the Undergraduate Publication Board:

1. All articles shall be handed to Van-Rensselaer Tremper, Alpha Delta Phi House.
2. Contributions will then be submitted to a member of the faculty for judgment, and those deemed worthy will be published in the Concordiensis.
3. If, by May 15, 1913, a student shall have had accepted and published SEVEN or more articles. he shall be eligible for the prize.
4. On May 15, 1913, each series of SEVEN OR MORE articles will be submitted to a committee to be named by the Undergraduate Publication Board and the author of the series adjudged best by this committee will be awarded the prize of \$35.00.
5. If there is a lack of interest in this contest or contributions are not considered sufficiently meritorious, the Concordiensis reserves the right to discontinue the contest, and not award the prize.
6. The number of articles submitted by any one student and the time of submitting them is not limited, except that a student must have seven articles accepted and published before May 15, 1913,
7. Competition is open to all members of the undergraduate classes, and each article shall contain not less than 400 words and not more than 1000 words.
8. Articles should be of interest to the the readers of a college paper, and should be written or typewritten on one side only of large size paper.
9. The same fictitious name should be signed to each article by the same student, and a sealed envelope containing the writer's name, with the fictitious name on the outside, should accompany the first article submitted by that student.

COMMUNICATIONS

(The editors are not responsible for any ideas or opinions expressed in this column and insist that all communications submitted be signed.)

To the editor:

After reading the letter published in the last issue of the Concordiensis, it seemed to me that someone ought to answer it. Such sentiments ought not to go entirely unnoticed, so here goes! In the first place, I can not see any noticeable lack of spirit on the part of the students. If the good old-fashioned Union spirit was not shown at the Rutgers game, I'm sure I never have seen any. And that campus meeting the night before! For pure, unadulterated college spirit, that had anything else beaten to a frazzle. When some pessimistic chap, with poor digestion sees some student not yelling as loudly as he might, he immediately cries out that the college has gone to the dogs and that Union spirit is a thing of the past. I think the observation of any man in college will show that while our numbers may be few, our college spirit is a thousand per cent pure, and, if he has visited any other colleges, large or small, he will notice the difference and realize that spirit like that so common on the Hill, is an unusual thing in the college world.

Our college band deserves a whole lot of credit. They are practicing new music every week and when they lead the singing at games and play Alma Mater, as it should be played, the men sing until it would seem that their throats would crack. In fact, I consider the college band one of the chief factors in keeping the Union spirit at its present high pitch.

But I do want to say a word of warning. I think that the college is becoming divided into cliques, and this is the one thing which effectually kills college spirit. Now, we have only about three hundred and fifty men here at the most. If we all pulled together we

could do anything we chose. But the tendency seems to be to form little cliques and ignore those outside our own intimate circle of friends. This would be the worst thing that could happen to the college and we had better stop the evil before it grows any bigger. Let's pull together! Let's forget our own petty little disputes and arguments and remember that above everything else we are Union men. Why not revive the old night-shirt peerades? They may have been shocking but they DID help to make Union spirit famous. The spirit in college is all right only it has become less exuberant and less riotous. It is no longer necessary to burn the chapel to celebrate a football victory or mob a theatre when some other Union team wins. If the students would only get together more often for a good old song-fest that would do much to raise the present high standing of spirit. But above all things, don't be a "knocker." Don't go around bemoaning the fact that the college is dead. Get out and put a little life into it. Then you won't have time to knock and you will find your own college spirit increasingly strong.

Another Junior.

REBUILDING GREEN GATE

The Old Green Gate, has after many years of usefulness, given away to a new and modern Green Gate. It was thought by many that this famous old entrance on Nott St., had outlived its services and so after investigation and consideration, the college has erected a gate of modern design. This gate, is in many respects like the present Blue Gate, being semi-circular in shape, having three entrances and being built of stone, wood and iron.

These improvements to the gate along with a new concrete wall on Nott Street, add much to the appearance of that part of the college grounds.
