THE MUSICAL SITUATION.

A great change for the betterment of the Musical Association has finally come about after several months of work in this direction by certain members of the classes of 1907 and 1908. The one dollar tax levied this year on the student body for the support of the Association is to be continued in the future and the finances will be managed much as are those of the athletic departments, all money being paid out by a faculty representative after approval of an auditing committee.

The Music Board is to consist of three faculty members, elected by the faculty, and five student members, ex officio, the president and manager of the Association, and the leaders of the three clubs composing the Association. The present members are: Professors McKean, Ellery and Ferguson, for the faculty, and Davies '08, Watson '08, Kline '08, Keith '08 and Stewart '09, for the student body. At the first meeting Tuesday, Prof. McKean was elected president and Mr. Stewart, secretary. A few matters were discussed pertaining to the work of the clubs, the prospects, and financial affairs.

With the approach of the winter months the interest in the Association increases, and the men are settling down to hard, steady training for concert work. The Glee Club is in excellent shape, considering the early season, and through the efforts of Kline, the leader, and Bernard R. Mausert, the coach, is progressing well.

The orchestra, Keith '08, leader, has taken a decided start after a year's quiescence, and with a full complement of orchestral instruments is getting ready to swell the breeze in approved style. Stewart '09, has organized the Mandolin and Banjo Club with nearly twenty members, and has temporarily engaged C. L. Tugas of this city as coach.

The management is arranging for a short Thanksgiving trip and hopes to secure concert

dates at Hudson, Poughkeepsie and Newburg for the evenings of November 28, 29 and 30. Preliminary to such a tour one or two practice concerts will be given in nearby towns. Requests for concerts have come in from several High School organizations about the State and if the clubs are brought into condition a number of trips can be secured.

Later

The Musical Association management has been unable to arrange a Thanksgiving trip for the clubs and therefore has put off indefinitely any long trip. However, the College Quartet is going to give several selections at the Alumni banquet to be held in New York City and when they return several Glee Club concerts will be given, one of which will be in Schenectady.

DEBATING SOCIETIES.

At the meeting of the Adelpic Society Wednesday evening, LaCrosse '08, who has had charge of making arrangements for a debate with the Parker Debating Society of Albany Law School, reported that preliminary preparations had been practically completed. The contest is to be held in Albany on January tenth or seventeenth.

On Prof. McKean's suggestion it was decided to inaugurate a plan for holding debates with several colleges this year. It is expected that this matter will be brought up for consideration at the College meeting this morning. The idea is also proposed of awarding a letter to intercollegiate debaters in the same way as to members of athletic teams.

The subject debated by the Adelpics Wednesday evening was, "Resolved, that college and university property should be taxed on the same conditions as other real estate in the community."

The sides were as follows:

Affirmative—Wpyrauch '08, Grover '10, Raymond '08. Negative—LaCrosse '08, Carmichael '10, Millias '09. The decision was awarded to the affirmative.

✓ 1902.—Mr. H. L. Crain of Detroit is secretary of Union's Alumni Association of Michigan.

1906—From Saturday's "Evening Star" the following article is taken: "In going around the rear end of an up-town local car Raymond C. Sherman walked directly in front of an inbound Albany car at the corner of Eagle and State Streets about 7:15 this morning. He was picked up by the fender unconscious and badly lacerated about the face. Dr. S. S. Ham was called and the injured man was taken to his office, where it was found he had a bone fractured in the left forearm, one eyelid severely cut, one tooth knocked out and it is thought he may be injured internally. His wounds were dressed and he was taken to the hospital. Mr. Sherman is employed nights on the test in the General Electric works."

He was graduated from Union College in the class of 1906. Later Saturday evening he was resting easily and is not thought to be seriously injured.

Chicago University co-eds have decided that the usual green caps embroidered with a maroon '11 do not harmonize with fair complexions. Green arm bands were substituted for the offensive caps.

The Football Season

Entering the football arena a year behind all of her sister institutions, under the new rules system, Union has this season established an enviable record, despite the discouraging results of some of the games.

The team gathered early in the year, an entirely untrained crowd of men, unused to the game and unused to team work. After a brief period of practice a trip to St. Lawrence resulted so successfully that hopes were held out for a

individual playing of every member of the team, and of the second eleven. For a crowd of good, consistent individual players right through the whole squad, the equal has not been seen this year in any of Union's opponents.

Our line in every game proved practically impregnable, due in a large measure to the clever work of our ends in blocking the end plays. Our untrained backfield from the beginning, got into the plays with a snap and determination that boded well for coming seasons. But one weakness was apparent, and that was the inability

flawless season. The Colgate game, played against the veteran Maroon team gave further encouragement, and the history of the entire season has completely proved that the Garnet team is fully the equal of any of the colleges of her size, with one possible exception. A glance at the summary of the scores will prove this. Hamilton, winning by a fluke; Rochester winning by a kick from placement after having been held for downs time after time; Rutgers scored on, all of these games form the skeleton outline of the story of Union's return into footballdom.

In this regard too much cannot be said of the

of the tea to operate successfully the trick plays that had been taught them, until late in the season, when the large games had all been played.

Wright will be missed on next year's team, as will be Nellis, Bennett, Shutler and Jewell. Captain McNab, who is making preparations to attend Albany Law School, will be available. The substitutes should fill in all of the positions successfully, and there is every reason why Union should turn out a team next year, that should vindicate itself for some of the close-score losses of the present season. Another year under

the new rules should put the 'Varsity eleven in the class of the most successful of the country's small college teams.

Following is a brief outline of the intercollegiate games played this season:

Union—St. Lawrence.

Union's football eleven opened the season of 1907, at Clinton, N. Y., defeating St. Lawrence on their gridiron by a score of 16 to 2.

Union scored 4 points in the first half on a drop kick and St. Lawrence 2 on a safety.

The Garnet players entered the second half with a snap that soon scored two touchdowns. Both goals were kicked. St. Lawrence gained only ten yards in the second half.

Score Union 16, St. Lawrence 2. Touchdowns Wheadon 2, drop kicks McNab 1, goals McNab 2.

Union—Colgate

The Colgate game, although not a victory, was one of the most creditable showings made by the Garnet team this season. The Union eleven not only held, but in many points outplayed their heavy opponents.

In the first half Colgate, through Moore's clever catch of Union attempted forward pass, advanced the ball to our 5-yard line. Here the Garnet players pulled together and for three downs held back their opponents from the goal line.

In the latter part of the second half Union was steadily advancing to Colgate's goal line with a good chance to score when the team was penalized half the length of the field for fouling. Time was called with the ball in Union's possession on Colgate's 30-yard line, no score having been made by either team. Union 0, Colgate 0.

Union—Middlebury

Union played her third game of the season against Middlebury at Middlebury, Vt. The game was something of a disappointment to the Garnet team confident of success against the Middlebury eleven. The game was played on a field of clay, used formerly as a baseball diamond. Rain for two days prior to the game had converted the field into a slough of slippery mud. Under these conditions fast play was impossible, and the ball fluctuated near the center of the field during most of the game.

Middlebury received several free tries for a goal from placement but failed to score. Union,

however, gained more yards than their opponents and in the second half clearly outplayed them. Score, Union 0, Middlebury 0.

Union—Rutgers

The Garnet team went down to the first defeat of the season before the Rutgers eleven on the campus, the score being 12-5 in favor of the visiting team.

It was the trick plays and clever tactics gained from two years' experience under the new rules that enabled Rutgers to score on the Garnet.

Rutgers scored first, advancing the ball by a series of forward passes and fake kicks. In the latter part of the first half Union obtained the ball and, playing straight football, tore up the Rutgers' line and rushed it over for a touchdown.

In the second half Rutgers again, by snappy and tricky playing, was able to cross the Garnet line. Union failed to score in the second half. Touchdowns—Fisher 2, Potter 1. Goals—Fisher 2. Score Rutgers 12, Union 5.

Union—C. C. N. Y.

On October 26, a team representing C. C. N. Y. appeared on the campus and but for Coach Tenney's putting in a whole scrub team in the second half, C. C. N. Y. would have been wiped off the face of the map. The C. C. N. Y. aggregation played like high school boys and incited some of that spirit into the Garnet players so that the game was rather uninteresting, due to the ragged playing. C. C. N. Y. made her touchdown on a fluke but was unable to kick the goal. Union 35, C. C. N. Y. 5.

Hamilton—Union

It was a rainy day for Union in more than one way when the Garnet journeyed to Clinton on November 2. The game was magnificent to watch from the side lines. It was especially heart-rending when after twice advancing the ball nearly the length of the field the Garnet lost it within Hamilton's 5-yard line, and then on that punt to see Capt. Holley place the ball between our goal posts for the only score in the game. Hamilton played excellently, but if distance gained counts anything Union played better. The hundred and fifty Garnet cheerers thundered out yells and songs, even after defeat was assured, that more than equaled the home team's support.

Rochester—Union

Again were the Garnet colors lowered to defeat on November 9. The game was an ideal one with a slight advantage of weight on Rochester's side. The first half ended in a 0-0 score, Union twice holding Rochester on her 5-yard line with her stone wall defense. In the second half on a punt Joy made a fair catch on 'varsity's 45-yard line and Pray kicked a good field goal. Rochester 4, Union 0.

Trinity—Union

On November 16 Union met a team 'way out of her class. No such football has been seen on the campus as that which Trinity showed. Their trick plays netted them gain after gain, although Union's line was almost invulnerable. Union's touchdown was made by W. Brown, who caught a forward pass by Trinity and trotted across the goal line. Union's line was much stronger than that of Trinity as time after time Union made her distance through Trinity's line while the visitors found that same thing with our team a very difficult matter. Trinity 45, Union 5

N. Y. U. 12; UNION, 7.

New York University defeated Union's team on Ohio Field Saturday by a score of 12 to 7 before a crowd of 3,000 enthusiastic spectators.

At every point in the game Union showed superior strength but inability to meet with the strategy of the New York team until the second half, when Union's shift formation had the city team completely puzzled.

New York's good use of the forward pass was accountable for the first touchdown. Newens made a successful pass to Young who easily carried it over the goal. Newens kicked the goal.

After the first goal was made Union kicked to New York's 30-yard line and held them for downs. On a fumble Union obtained the ball and gradually worked their way back into N. Y. U. territory. New York, however, took a brace and when they were apparently held for the third down, H. Brown was suddenly dragged out by Newens and ran forty yards for a touchdown. Newens kicked the goal.

Time was soon called, with the ball in Union's possession on N. Y. U's 15-yard line.

Score 12 to 0.

Between the halves, N. Y. U. students and alumni swarmed onto the field and sang several songs and gave their yells.

Union's showing was also good, there being fully 200 students and alumni on the benches and the good spirit and cheering was a feature, favorably commented on by New York spectators.

The second half was by no means a repetition of the first. Union played a different game. Hal Tenny's final coaching took effect. New York seemed unable to hold them. Jewell had replaced McNab and swiftness characterized all plays.

Streibert and Brown were removed, Shulter taking Streibert's place.

Union pushed the ball rapidly toward N. Y.'s goal and scored a touchdown in seven minutes, but failed to kick the goal. Again Union pushed the ball down the field and scored a safety on N. Y. U. This made the score 12 to 7.

New York rallied and played with fierce efforts to hold Union and although Union had the ball on the 8-yard line they were held.

Gradually the ball was pushed out into the field when time was called.

JUST SUGGESTIONS

So little actual good seems to have come from merely calling the attention of those in power to the fact that our campus is sadly lacking in minor improvements, that it seems necessary to reiterate our former stand on this matter.

Our campus is degenerating in appearance, merely because *some one* is neglecting to pay attention to the small details of neatness. "Slovenliness" is the only word that seems to fit the situation. Such a system of inattention cannot but work to the deriment of the best interests of the college.

We have a song entitled "Grand Old Seat of Stone" that has been handed down to us from past generations. The second adjective now fits rather too appropriately, and to the detriment of the noun following, because there are numerous places on the "Seat" where it would be impossible to rest and smoke a pipe, without imminent danger of sliding into the ditch with the collapse of a section of the wall.

A view of the old wall, and in fact of the entire pasture, from Seward Place would be a revelation to many, who now pay no attention to the matter. The general appearance, to say the least, is untidy, and the wall in one or two places looks as if it had undergone a prolonged bombardment. Age is a good asset in an educational institution, but decay is not.

Then too, we fail to see why there is no electric light on the campus till South College is reached. Classical allusions on a classical campus are very proper to a certain extent, but it occurs to us that Stygian darkness might well give way to a future illustration of Phoebus, God of Light.

Owing to the Thanksgiving recess, there will be no Concordiensis published next week.

OUR TEAM

Our football season has ended, and in spite of the fact that several of the games counted important were lost, the year was really auspicious. It meant something for an eleven entirely unused to the new rules, untrained in team work, and lacking in confidence to get out and play to a standstill the veteran teams of the other colleges. So we must look forward for the reward of this spirit, to the coming year when we shall again be able to take our place in the foremost ranks.

However, we cannot pass over the present season's history without comment upon the work that has been accomplished, and a word of praise for the men who have made our team what it is.

Coach Tenney, who gave so much of his vitality and determination to the men, is one of the best men that has ever worked to turn out a winning team for the Garnet, and he has been backed by individual spirit that has never been surpassed.

All summer Captain McNab, at personal inconvenience worked in a lumber camp to get himself into proper condition for the season's combats, and he threw himself into the work with such determination that at the close of the year he was physically unfit to continue. Bennett and Nellis, who came over for practice from Albany day after day, that the team might have the advantage of their experience, showed a spirit that is worthy of any Alma Mater, and Hamilton College is to be congratulated for turning out men of their stamp.

Volumes might be written about the sacrifices made by every man on the team and in the squad; in a number of cases sacrifices made entirely without hope of reward of any nature.

Such is the spirit that backed the Union team of this season. Such is the

spirit that will continue next year, and will send us ahead of our erstwhile victors.

And so, instead of saying, "We lost some games this season," let our motto continue to be, "We had college and team spirit that is bound to make us irresistible next year."

Y. M. C. A.

Next Sunday morning Bishop Potter will speak from the pulpit of St. George's Episcopal Church of this city. It is the earnest desire of the Y. M. C. A. officials that the students attend the services in a body.

Dr. Potter is one of Union's most noted alumni, and we should make every effort to keep his interest in his Alma Mater fresh. It is probable that Bishop Potter will speak at the vesper services in Silliman Hall in the afternoon, and in that event, it is the duty of every collegian to be on hand.

SOPHOMORE SOIREE

The Sophomores have decided to call their dances "Soirees," and their first event of the year will be given Wednesday evening, December fourth, at the Boat House.

The committee is making every effort to have their soiree excell in every particular the hops of previous years and to set an example for the following classes.

The committee has obtained Ruben's orchestra to finish music for the first event.

The committee consists of: W. H. Ferguson, chairman, Psi Upsilon; Harlan H. Grover, Delta Upsilon; Kennedy Conklin, Chi Psi; LeRoy Nimmo, Phi Gamma Delta; Stephen Kelly, Beta Theta Pi; Judson Zimmer, Delta Phi; Charles Landscheft, Phi Delta Theta; M. W. Slutter, Sigma Phi; and Robert Shepard, Alpha Delta Phi.

FOOTBALL MEN TAKE NOTICE

It is the desire of the management of the 1908 football season that the men on the squad turn in their suits at once to one of the following men: Nielson '10, Hutchens '10, Potter '10, Hotchkiss '10, or Smith '10. Some of the 'varsity men will doubtless desire their old suits next season. In order to insure this they should strap their suit up into a roll by means of the belt and enclose their name on a slip of paper, calling the attention of the collector to it.

It is necessary that everything be turned in regardless of condition. This will insure complete equipment for the entire squad at the very beginning of the 1908 season.

COLLEGE MEETING

At chapel meeting last Monday the students were rather scarce, the decided defeat by Trinity, no doubt having some effect upon them. Kline '08 had charge of the meeting. Captain McNab spoke of the past football season and of the prospect for next year. He especially thanked the students for the interest they had shown and for their loyalty to the team. He declared himself more than satisfied with next year's prospects and thought Union should turn out a winning team then. The College was extremely fortunate too, he thought, in securing the services of Coach Tenney.

After "The Terrace Song" was sung and the minutes read the meeting was adjourned.

DR. ALEXANDER HONORED

Dr. George Alexander, President ad interim of Union, was one of the speakers at the banquet given by the New York Chamber of Commerce at the Waldorf-Astoria last Thursday. Other speakers included T. T. Tusserand, the French ambassador, Baron Rosen the Russian ambassador, former Secretary of the Treasury Leslie M. Shaw, and ex-Senator John C. Spooner of Wisconsin.

The subject of Dr. Alexander's address was the "True Basis of American Success." A fuller report of the speech will be published in a later number of the *Concordiensis*.

Freshman class picture after many trials has finally been snapped by Photographer White to the satisfaction of all concerned.

CHRISTIAN ASSOCIATION

Vesper service, Sunday, 5 p. m., Rev. George F. Prentiss, pastor of the First Congregational Church, speaker. Prayer meeting, Tuesday, 7 p. m. A. V. V. Raymond, Jr., leader.

The Rev. George F. Prentiss, of the First Congregational Church, addressed the meeting yesterday afternoon. His subject was, "Belted for Battle." A goodly number of students was present, but not as many as the address deserved.

A week ago Sunday, Dr. Br. B. W. R. Tayler addressed the meeting and his talk was an excellent one for college men.

The regular prayer service will be held Tuesday evening, and it will be lead by A. V. V. Raymond, Jr.

Immediately after this service the Dean's Bible Class is to meet. The number of students enrolled is increasing every week and the class is a most interesting one. Each man present will gets an immense amount of practical good from this study. The line of study taken up this term is "The Life of Jesus."

CATALOGUE OUT

Last week the first issue of the University Bulletin appeared, and it does credit to Dr. Barnes' faithful work.

This issue, No. 1, Vol. I, is practically the same as the old college catalogue, being of the same form. The bulletin has a brown cover similar to that of the old catalogue. A good feature is the insertion of a map of the campus. This will give the prospective freshman an excellent idea of Union's campus and buildings. The registration in the college has advanced from 256 of last year to 270.

In a former issue of the "Concordy" there was a complete statement about the works which are to follow hereafter in November, February, May and August, filling out the year of bulletins.

Over three thousand patients were treated in the hospital at the University of Michigan during the past year. The average time spent there was one month. Only fifty-seven deaths occurred.

WEBSTER'S OUT

(To convince certain persons in the neighborhood that the simplified spelling reform has not yet banished all peculiar words from Webster, we reproduce the following from "Tit-Bits."—Ed.).

A Letter From a "Poet"

To An Editor:

"Sir: You have behaved like an impetiginous scrogle—like those who, envious of any moral celsitude, carry their ungllicity to the height of creating symposiacally the fecund words which my polymathic genius uses with uberty to abligate the tongues of the weetless! Sir, you have crassly parodied by own pet words, though they were trangams!

"I will not coascervate reproaches. I will oduce a veil over the atramental ingratitude which has chamfered even my indiscreptible heart. I am silent on the focillation which my coadjuvancy must have given when I offered to become your fanter and adminicle. I will not speak of the lippitude, the oblepsy you have shown in exacerbating me, one whose genius you should have approached with mental discalceation. So I tell you, without supervacaneous words, nothing will render ignoscrible your conduct to me.

"I warn you that I would vellicate your nose if I thought that any moral diarthrosis thereby could be performed—if I thought I should not impignorate my reputation. Go, tachygraphic scrogle, hand with your crass, inquisite fantors! Draw oblectations from the thought if you can of having synchronically lost the existimation of the greatest poet since Milton."

And yet all these words are to be found in the dictionary.

The Intercollegiate Cross-Country Association, comprising Pennsylvania, Harvard, Columbia, Cornell, Yale, Princeton, Massachusetts Institute of Technology, and Syracuse, will hold its annual run this year November 27.

DR. CADY TO LECTURE

During the winter Union students will be treated to a series of lectures by Rev. Putnam Cady, of Amsterdam, a noted lecturer, who has several times been heard here. The dates for the other lectures will be announced later. All of the lectures with the exception of the first will be illustrated by stereopticon views.

The series comprises the following lectures:

1. The Romance of Archaeological Discoveries.
2. The Nile Valley in History (illustrated).
3. Egyptian Art and Architecture (illustrated).
4. Babylonia and Assyria and Their Relation to Israel (illustrated).
5. The Land of Goshen and the Sinai Peninsula (illustrated).
6. Tanis, Pithom, Petra, Lachish and Gezer (illustrated).

8. Southern Palestine (illustrated).
9. Northern Palestine (illustrated).

11. The Significance of Archaeological Discoveries.

The College Man's Favorite Store

"Varsity" chaps hereabout are deucedly partial to Holtzmann's dontcher-know—they like the little "quips" and turns (if we may be allowed the expression) in Tailorcraft that makes their ready-to-wear garments for fresh, middler, soph and seniors so typically collegian. Boys, we just want to say that your favorite store is ready to make you look every inch the college man. You know quite well that college cut clothes are the characteristic of the College spirit. No young man can be said to be thoroughly inoculated with the indefinable exuberance who is lax in this particular. The rah! rah! rah! cannot be croked with the same gusto in an ill-fitting suit, so get ready to "holler" in a Holtzmann's Perfection fit college tog. Hats—Haberdashery.
