Football

STEVENS, 0; UNION, 0.

The first game of the season was played with Stevens on the campus. The game was rather slow, there being no very brilliant playing by either team. It was characterized by the kicking, both sides punting many times. The forward pass was attempted, but resulted in losses.

Stevens received the ball on the kick-off and advanced it to the middle of the field, where they were held for downs, and kicked to Streibert. The ball changed hands several times on punts, Anderson regaining it once on a fumble by Stevens. The forward pass was tried, but failed and resulted in a 15-yard penalty for Union. The half ended with the ball on Union's 40-yard line after punt by Stevens. The ball was in Stevens's territory nearly the whole half.

In the second half Doran Brown received the ball on the kick-off. Stevens soon gained the ball on punt from Streibert. They attempted the forward pass, but lost 15 yards. In this half also the ball was punted many times. Union advanced the ball to 10-yard line, where they were penalized 40 yards for "slugging." The ball was being advanced again toward Stevens's goal, but was lost on downs. Stevens punted and Potter received the ball in the center of the field when time was called. During this half, as in the first, the ball was in Stevens's territory nearly the whole time, but the Garnet was unable to score. The game ended a tie, neither team having made a score.

ST. LAWRENCE, 5; UNION, 5.

The second game was played on the campus with St. Lawrence. It was a very exciting game, and more snappy than the week before. During the first half Union had the advantage all of the time, but in the last half St. Lawrence rallied and had slightly the advantage.

St. Lawrence received the ball on the kick-off, but advanced it only five yards. Union soon gained the ball on kick from St. Lawrence and by swift line plunging sent it over for a touchdown. "Stub" missed the goal. Score: Union, 5; St. Lawrence, 0. Potter received the ball on kick-off from St. Lawrence. St. Lawrence gained the ball on a fumble, but lost it again on downs. Then Union advanced the ball steadily down the field to St. Lawrence's 5-yard line, when time was called.

St. Lawrence kicked off in second half, and then Streibert tried an on-side kick which was received by St. Lawrence's quarter and advanced down the field in a very pretty run, until he was tackled by Starbuck. St. Lawrence missed a kick from the field. After the ball was again in play St. Lawrence advanced the ball by end runs and swift plays down to the Garnet's 10-yard line. Then on their third down St. Lawrence made a touchdown, getting it by a fraction of an inch. Goal was missed. Score: Union, 5; St. Lawrence, 5. On the kick-off Streibert sent the ball down to the 10-yard line and it was advanced 30 yards. Union received the ball and advanced it to St. Lawrence's 5-yard line, but St. Lawrence received the ball and punted out of danger when time was called. The game ended a tie, with the score 5-5.

WESLEYAN, 0; UNION, 0.

For the third time this season our team played a tie game on the campus last Saturday, when they met the swift Wesleyan team. The game was the hardest that has been seen on the hill here in many years, for every yard gained by either team was due to strenuous work. Each man put his whole strength into the game and this accounts for the score, as well as for such a well played game. The team has made a remarkable improvement in the past week, and this is due to the hard and persistent work of "Bill" Murray.

Streibert kicked off to Wesleyan and the ball was advanced 25 yards. On third down they

ADVERTISEMENTS

kicked to Starbuck, who advanced the ball 15 yards. In the next scrimmage Potter injured his shoulder and Lewis took his place. A forward pass was tried to Anderson, who received it and made a good run, carrying the ball to Wesleyan's 35-yard line. The ball was steadily advanced down the field, gains being made by "Buster," "Doran" and Streibert, until the 5-yard line was reached and Wesleyan received the ball on downs. Joy of Wesleyan punted to Streibert, who carried the ball back 15 yards. Captain Hammond of Wesleyan was injured in the next scrimmage and McClenthen took his place. Again Union tried the forward pass, but was not successful this time, Wesleyan gaining the ball. They were unable to get through Union's line and were forced to punt, Streibert receiving it, and carrying it back 15 yards. Union punted and when Doran Brown tackled the runner he was knocked out for a moment. Wesleyan here attempted a forward pass, but failed. Streibert then punted and Walser was on hand and tackled the man where he received the ball. Time was called with the ball in Wesleyan's possession on Union's 45-yard line.

In the second half Wesleyan kicked off and also received the ball on a fumble. Union received the ball on an on-side kick and Streibert punted 40 yards. Again Doran was on hand to tackle the man, but he went at it with such force that he was knocked out again, this time being removed from the game, MacCormack taking his place, Wesleyan lost the ball on a fumble, but soon regained it on a fumble on Union's 40-yard line. They then advanced it to the two-yard line, but were unable to make the required gain through the line, thus losing the ball as well as her chance of scoring. Streibert sent the ball down for 40 yards on a punt, and Wesleyan failed in the attempt for a drop kick. Union gained the ball on her 15-yard line when time was called. The game ended with the score 0-0, although each side came very near making a touchdown.

The game was very well played throughout, and the fellows on the bleachers appreciated this, as was shown by the support they gave the team with their cheering and singing. The team will be somewhat crippled by the loss of the captain, but it is expected that "Bill" will turn out a team that

will "do things" in the remaining games of the season.

ALUMNI NOTES.

1840. Dr. George W. Clarke, who was the oldest graduate of Union College, died yesterday at his home, No. 10 East One Hundred and Thirtieth Street, in his ninety-second year. Born in Milton, N. Y., on April 1, 1817, he was graduated from Union College in 1840, and came to New York to teach in a high school in Henry Street. A few days after he had begun teaching, Judge Conkling took his son Roscoe to the school as a pupil. In less than three days there was trouble. Dr. Clarke came to the conclusion, he afterward said, "that something more than moral suasion was required" to make young Conkling a good pupil or desirable member of the school.

"But," said Dr. Clarke, in telling of the incident, "after prompt discipline he became one of the best of students, as he was ever after one of my warmest friends. He always said the sound thrashing I gave him made him a United States Senator—and, strange to say, I had the honor, as a member of the Legislature, of voting for him in 1873 for a second term in the highest legislative body in the world."

In 1845 Dr. Clarke, with two others, founded the Mount Washington Collegiate Institute, of which he subsequently became sole proprietor. It was a private school that educated many boys who became well known men in New York. In 1872, as a delegate to the Republican State Convention at Utica, Dr. Clarke nominated Gen. John A. Dix for Governor. He closed his speech with the quotation:

"If any man hauls down the American flag, shoot him on the spot."

Dix was chosen by acclamation. In the same year Greeley was a candidate for the Republican presidential nomination against Grant. Dr. Clarke and his friends always believed that the nomination of Dix had much to do with the nomination of Grant. After the election of Dix, the politicians began to come to Dr. Clarke, because of his supposed influence with Dix, only to find that he had never met Dix.

Dr. Clarke was active in the founding of the

Young Men's Christian Association in New York. In 1865 the University of New York gave him the honorary degree of doctor of philosophy. He was at different times president of the New York Ophthalmic Hospital, vice president of the Hahnemann Hospital, vice president of the Wetmore Home, and secretary of the Flower Hospital. One of his living sons is Thomas B. Clarke, director of the Tiffany Studios, and a grandson, Thomas B. Clarke, Jr., is vice president of the Night and Day Bank. Dr. Clarke was a member of the advisory board of the Deems Memorial Church, in West Fifty-seventh Street, formerly the Church of the Strangers.

The venerable educator had worn a Phi Beta Kappa key for nearly seventy years. On his ninetyeth birthday he was the guest of honor at a dinner given by his "old boys."—The N. Y. Post.

1846—Walter H. Smith, assistant attorney general under President Grant, died at Cattletts, Fauquier County, Va., on Monday night. He was born in Litchfield County, Conn., on June 3, 1836, and was an honor man at Union College, Schenectady, N. Y. After graduation, Mr. Smith read law in the office of Columbus Delano. When Mr. Delano accepted the post of secretary of the interior in President Grant's Cabinet, Mr. Smith accompanied him to Washington and was made assistant attorney general for the Interior Department.

CROSS COUNTRY RUN.

To Be Held With Hamilton On October 31.

Manager Ury has arranged a cross country run, to be held with Hamilton College on October 31, at Clinton. Four men from each college will be entered, and the scoring will be in accordance to the number of men a contestant defeats. The course will be approximately four miles long, and as provided for in the rulings will not be definitely selected until the morning of the meet.

The team to represent the college has not as yet been selected. The candidates have been hard at work during the last two weeks and Captain Rankin is confident that Union can turn out a winning team.

With this issue the
"The Concordy." "*Concordy*" begins
 her thirty-second
 year and though under difficulties has it
 been started yet we hope with the aid of
 our Student Body and Alumni to make
 it successful in more ways than one. The
 resignation of Manager Furnside and the
 details incidental to getting the paper in
 running order have delayed publication
 but from now on, we expect to have the
 paper out on time. The success of the
 paper depends to a great extent upon
 the aid the Student Body give it. No
 one likes to read the work of one or two
 men repeated from week to week. It is
 up to you all and especially the Fresh-
 men to assist. The Freshmen who wish
 to try out for the Board, must register
 before November first, and as there is a
 vacancy on the Reportorial Staff, the
 Sophomores should register for this. Let
 every fellow keep in mind that the
"Concordy" is his own paper and its suc-
 cess depends largely upon his attitude
 towards it, both financially and in the
 literary way.

We have this year the
Union Spirit. largest Freshman class
 in the history of "Old
 Union" and a few words on "Union
 Spirit" are undeniably in order. There
 are numerous rules established here by
 custom for the guidance of the entering
 classes and, not only entering classes, but
 the entire student body. One rule is
 "Always speak to every one of the fellows
 wherever you may meet him" and this
 rule is the very foundation of that Union
 Spirit of which we are so proud. Let us
 then start in the year by taking this rule
 literally, let us never neglect to speak to
 every one of the fellows we meet and let
 the Freshmen remember that it is their
 duty to speak first.

If we could take "the will for the deed" the singing and cheering at the football games this fall have been excellent. The cheering has really been good and the singing as well, if noise alone be taken into account but considered from the point of view of music it has been, to say the least, mighty poor. Practice alone can remedy this fault and to this end the fellows were asked to meet on the bleachers every afternoon at 4:15 o'clock. The first day after the call perhaps fifty men appeared, since then the number has dwindled until last Monday there were less than twenty, and the Hamilton games Saturday. We are not afraid that Hamilton will out-cheer us even if they should bring down their whole student body but unless more interest is taken in this song practice they will certainly outsing us and that on our own campus. Are we going to let them do it?

CHRISTIAN ASSOCIATION.

Y. M. C. A. Gives Promise of a Successful Year.

The first few weeks of work in the Y. M. C. A. have been very busy, and there is a bright outlook for one of the most successful years in the history of the association. The reception to the Freshmen was pronounced a decided success. The handbooks have been distributed and receive favorable comment. The most noticeable difference from those of former years is that they contain "Union's Rally Song," by Kline, '08. The meetings, both the vesper services and the Tuesday evening prayer meetings, have been excellent and the attendance encouraging.

The annual Freshman reception was held on the first Friday evening of the college year, and was a very enjoyable affair. After the address of welcome by Faust, '09, president of the association, Dr. Alexander was introduced as "our Prexy," and gave some excellent words of advice to the incoming class. He was followed by Dean Ripton, who spoke for the Faculty, and by Dr. George R. Lunn,

who represented the city clergy. Then the various college activities—football, baseball, track, basketball and the Glee Club were represented, and Dr. McComber spoke on athletic prospects, announcing a "Carnival of Sports" on Election Day and urging every fellow to support athletics in some way.

After the speaking refreshments were served by Caterer Joseph.

At the first vesper service of the year, Dr. B. W. R. Tayler of St. George's Church gave an unusually helpful talk on "Methods of Winning Young Men."

Rev. J. Havergal Sheppard, pastor of the First Baptist Church, spoke at the second meeting, giving some thoughts of especial interest to thoughtful college men.

Rev. E. C. Lawrence, Union, '69, who was for several years a professor in the college, conducted the service the first Sunday afternoon in October, speaking reminiscently of his life at "old Union" and taking as his special theme "The Lord is My Shepherd."

At the vesper service last Sunday, Rev. George F. Prentiss of the Congregational Church gave a very interesting talk.

The first prayer meeting of the year was held September 29th, and was led by President Faust, who outlined the policy of the association for the coming year.

Mould, '09, led the following meeting, speaking on "The College Man's Use of His Will."

An organized course in Bible study will soon be begun. Dean Ripton will conduct a normal class, and small groups will be organized in the fraternities on "the Hill."

Maxon, '11, has been appointed secretary of the association in place of H. H. Chadwick, who is not in college this year.

NEW PROFESSORS AT UNION.

The following new professors have been appointed in the faculty of the college: John A. C. Callan, B. S. in C. E., as instructor of engineering drawing, and Horatio M. Pollock, Ph. D., as professor of history and economics. Dr. Pollock is a Union man of the class of '95, and received a degree from Leipsic in '97.

THE GLEASON BOOK CO.

GARNET 1910.

As yet the Garnet Board has not done very much in the way of actual work on the book. Within a week, however, matters will be running along well and the business will be well under way. There have been several meetings held and officers have been elected. The Board is as follows:

N. Waldron Slutter, editor-in-chief.
H. G. Van Deusen, business manager.
W. B. Neilson, secretary.
Henry P. Stewart, literary editor.
Edward D. Ransom, art editor.
Carson E. Smith, athletic editor.
Assistant editors, John G. Charest, William A. Ackroyd, Harlan H. Grover, Adam John Horn, Pyramid Club.

The members of the Board representing the Albany branches have not been appointed yet, but will be soon.

Every member of the Board will have to do a great deal of hard work in order to get out a good book, and it is hoped and expected by them that they will not have to do it all, but that the students, especially those of the Junior class, will do what they can to make it a success and the product of the whole class instead of a few. If you can do anything either in the line of drawings or literary work, let the different editors know of it at once and then do your best. Any ideas of improvements or changes will be gladly received by the Board.

THE PRESS CLUB.**New Organization Deserves Hearty Support.**

The Union College Press Club, which has recently been organized, is an organization of which there has been a longfelt need. The purpose of the club is to get the college before the public through the medium of the daily press. Each week a bulletin of college news is to be gotten out and sent to the large dailies, both in this vicinity and throughout the country. During the summer some of the members of the organization have been actively arousing interest in the proposition among our largest newspapers. The club has also had a downtown photographer on "the Hill" getting pictures of the football squad, Coach Murray, Captain Potter, Managers Roosa and Hutchens,

The first regular meeting and election of officers was held in Silliman Hall, September 29th. The meeting was opened by Dr. Barnes. The following officers were elected:

President, Potter, '10.

Vice President, Ferguson, '10.

Treasurer, Faust, '11.

Secretary, Fisher, '12.

At the second regular meeting last Tuesday evening all preliminary arrangements were completed and work was gotten well under way. Grover, '10, and Vedder, '10, were appointed the first editing committee, to have charge of editing the weekly bulletin. Other important committees were suggested and appointments made.

It is needless to say that this organization deserves the hearty, loyal support of every man who is interested in the welfare of Union. It is hoped that the whole student body will stand back of the movement, as it is an undertaking which can be of the greatest value and help to the college.

THE FROSH'S SOPH POSTER.

It would seem that the unusually large membership of the Freshman class had infused in it a more daring spirit than is wont to be found among the members of that proverbial mild and verdant body, when one reads their daring reply to the Frosh posters.

The "Soph" posters, which appeared a few days after the Freshmen had so willingly swung the paste brush at the direction of the doughty Sophs, was certainly a novel venture. Although the make up of the Soph poster was as crude an attempt at wit as might be expected from pens of the literary geniuses of prep schools, the idea was met with general approval by the upper classmen and may set the pace for future entering classes.

SOPHOMORES WIN CANE RUSH.

The annual Sophomore-Freshman cane rush took place in the college pasture on the first Friday afternoon after registration day.

A good sized crowd were present to witness the first struggle of the year for class supremacy.

As the classes lined up for the preliminary salt-tomato scrap, the outlook was rather dubious from the "Soph" point of view, as they were outnumbered more than two to one.

After the supply of salt and tomatoes had been exhausted, the classes lined up for the final struggle over the cane. Captain Potter of the football team standing in a position midway between the lines of the two classes, threw the baseball bat into the air and the rush was on.

The "Sophs" had placed their heaviest men in the front line while the lighter men were lined up behind them. The front line was off with a rush and meeting the Frosh at the cane pushed them back, while the second line of Sophomores fell upon the cane.

Although the Frosh were somewhat handicapped by inexperience, with their large number they were able to break through the "Soph" ranks and get within reach of the cane.

After five minutes of fierce struggle the whistle blew for time and the "Frosh" were found to have nine hands on the cane against fourteen for the "Sophs."

It was a great victory for the Sophomores considering their number. But the Frosh received some valuable pointers on the necessity of organization which will undoubtedly prove valuable in their next rush.

A LAPLANDER.

Editor's Note:—This is a brand new joke, fresh from the inventive brain of our estimable friend, Wachter:

In a certain overloaded car an unsteady individual was holding on a strap in front of a very stately and highly dignified lady. Suddenly the car gave a violent lurch and the man was deposited in the lady's lap. He arose and was profuse in his apologies, which the lady received with scant courtesy. At the next corner there was another sudden lurch, which resulted in the same descent into the lady's lap. The man's apologies were al-

most scornfully received. The scene was not over, however, for the interested onlookers soon saw the gentleman making another frantic dive for the highly indignant lady. This was too much for her, and she cried out in exasperated tones, "Will you kindly tell me what kind of a man this is?" Thereupon an old Irishman who had been watching the various happenings with a merry twinkle in his eye, removed his pipe and said, "I donno, madam, but begorra I tink he mus' be a Laplander."

CLASS OFFICERS.

At the class meetings of the three upper classes the following officers were elected for the ensuing year:

1909—President, H. E. Lewis; vice president, J. W. Faust; secretary, C. R. Failing; treasurer, R. H. McCormack.

1910—President, E. B. Irish; vice president, H. Macomber; secretary and treasurer, H. M. Leon.

1911—President, G. Hentstiner; vice president, C. M. Wallace; secretary and treasurer, T. A. Hannigan.

COLLEGE BRIEFS.

Dr. Stoller's class in geology made the annual field excursion last Saturday morning, taking the Amsterdam trolley to Hoffman's Ferry and Wolf's Hollow, where the scene of the old earthquake was investigated.

President Alexander attended the exercises on October 6, inaugurating Dr. Harry S. Garfield as president of Williams College.

President Huthsteiner of the Sophomore class has appointed the following men on the soiree committee: Fowler, chairman; Ostrander, Reynolds, Thorne, Branson, Simmons Hunter, Woodward, Canfield, Faust and Clowe.

The Freshman class has been especially favored with receptions from the city churches. One was given on October 2 in the parlors of the Union Presbyterian Church on Park Avenue and another at the State Street Presbyterian Church, by the Lambda Epsilon Club, of which Mould, '09, is president.

Tristram Coffin, '11, attended the exercises inaugurating Dr. Harry Garfield as the new president of Williams College.

The first issue of the college quarterly bulletin is being distributed at the office. It contains a full account of all commencement activities.

The following men have returned to college after an absence of a year or more: Hendricks and Hallenbeck in the class of 1910, and Houck in the class of 1911.

Dr. Putnam Cady, a Union man of the class of '85, and a Fellow of the Royal Geographical Society, who gave such an interesting course of lectures last winter, will give a similar course this year.

Lawrence Mead has re-entered college as a Senior after an absence of nearly a year.

THE IDOL.

Since winning the cane rush, the "Sophs" seem content to rest on their laurels and the Freshmen have succeeded in keeping the Idol clad in a complete coat of red.

During the first week of college the scraps around the Idol were most spirited, and some nights the quick changes from red to green were made at a pace which would have done credit to a lightning change troupe in vaudeville.
