Football

UNION WINS GREAT GAME.

At Last Lays Her Rival's Colors in the Dust.

"When the team of Garnet hue,
Went up against the Buff and Blue,
They sure did score a victory,
Well, I guess!"

The score of last Saturday's game tells the most important part of it, yet it does not tell the interesting features. The game with Hamilton was as good an exhibition of football as has ever been seen here on the campus. It was fast and snappy throughout the entire game, which lasted fifty minutes. The weather was very warm for football, but the men played as if it were twenty degrees cooler. Their work showed what a good coach can do for a team. They came back from their day's rest in the mountains with added strength and ability, and used it all in the game.

The attendance at the game was very good, there being about twenty-five hundred in all. The student body, combined with the Albany departments, made an excellent showing. There must have been nearly four hundred students loyal to the Garnet, and they worked with the team every minute, both with songs and cheers. When they formed the block U on the field between halves, they used their voices to good advantage and the cheering showed the enthusiasm of the men.

The Hamilton rooters did not number as many as the Garnet but they cheered well and sang their Alma Mater between halves with much enthusiasm.

The felling between the two crowds as well as between the two teams was very friendly, and as a result the game was especially clean.

Drummond for Hamilton did some fine punting,

sending the ball on an average 50 yards. He did equally well on the kick-off, several times putting it within 5 yards of the goal posts. Sidle and Rcenke also played a fine game. Marriott made their only touchdown.

For Union every man played a fine game. Walker was good on the forward pass. The whole line showed great strength. The three backs were the best distance gainers. Hequembourg, although his first game this season, was in his usual form and made the only touchdown for Union. Kriegsman was also a consistent gainer. Streibert did not come up to Drummond in the punts but made large gains through the line, and also made a fine 20 yard run, making first down. But the star playing, as well as the surprise of the day, was done by Doran Brown. In his position on the line he held his man, but it was in his kicking of three field goals that he shone. The last one was a difficult one and from the 35 yard line, but "Bumble" was equal to the occasion and sent it straight over the center of the bar.

The Game.

Starbuck kicked off to Hamilton's 15 yard line and the ball was returned 10 yards. Union penalized 5 yards for off-side play. Here Hamilton fumbled but recovered ball, losing 2 yards. In next play O'Connell went through Hamilton's line causing Hamilton to lose 2 yards more. Hamilton then punted to Starbuck who returned ball 20 yards. "Buster" went through the line for 5 yards. "Heckey" for 10 more. Hamilton penalized twice for offside play. Streibert gained 3 yards, and then ball was on Hamilton's 12 yard line. Doran dropped back and kicked field goal from about 17 yard line.

Score—Hamilton, 0; Union, 4.

Hamilton kicked off to Streibert on the 5 yard line and he advanced ball 25 yards. A forward pass was given to Anderson for a gain of 20 yards. In next play, Starbuck did not gain on quarterback run. Then on forward pass to Walser the ball was taken to Hamilton's 30 yard line. Kriegsman and Streibert advanced the ball to the 15

yard line. Here Doran kicked his second goal from the 20 yard line.

Score—Hamilton, 0; Union, 8.

On the next kick-off Hamilton sent the ball to the 2 yard line, and Hequembourg returned it to the 25 yard line. Streibert punted 20 yards. Union was penalized for offside play. Hamilton gained around left end, and then advanced the ball steadily to the 8 yard line. Marriott, on third down, carried the ball over for a touchdown. Getman kicked the goal.

Score—Hamilton, 6; Union, 8.

Starbuck kicked off to 10 yard line and Sidle returned it 15 yards. On third down Hamilton punted to Union's 45 yard line. Then on a forward pass to Walser the ball was taken to Hamilton's 25 yard line. Hamilton offside. Kriegsmann gained 5 yards, lost 2 yards, "Heckey" made 8 more, and then the ball was lost to Hamilton on a fumble. Hamilton tried forward pass but failed, Walser getting the ball on Hamilton's 40 yard line. Streibert went through the line for 5 yards, and again for 5 yards more. Again Doran dropped back, this time to the 35 yard line. Poor pass was made to Starbuck, but the line held until the ball was recovered and Doran sent it straight between the posts, from a difficult position.

Score—Hamilton, 6; Union, 12.

Hamilton kicked off again and the ball was advanced 30 yards when time was called.

Second Half.

In the second half Hamilton kicked off to Streibert, who advanced it 20 yards. Hequembourg then took the ball 10 yards, Kriegsmann gained 20, Streibert made 3 more, "Hecky" 3, Kriegsmann 10, and then 3, and Hequembourg 2 more. A forward pass to Anderson took the ball to Hamilton's 10 yard line. Streibert gained 3 yards, Buster 3 more and then Hequembourg took the ball over for a touchdown. Doran kicked the goal.

Score—Hamilton, 6; Union, 18.

Hamilton kicked off to Streibert on the 5 yard line and he carried the ball back 20 yards. Hequembourg gained 15 yards, and Streibert 4. Then on a fumble Hamilton gained the ball on Union's 30 yard line. On quarterback run Hamilton made no gain, Sellnow tackling the man. At this point time was taken out for the first time during the game on account of injury.

Then Hamilton, with line bucking and a forward pass advanced the ball to Union's 1 yard line and it seemed as if they would score another touchdown. But the Garnet men braced up and took the ball on downs. Starbuck punted and Hamilton returned the ball to the 13 yard line. Here Hamilton lost 15 yards on a forward pass and again 25 more for holding, putting the ball in the middle of the field. Hamilton punted to Starbuck who carried the ball to the 35 yard line. Streibert gained 20 yards on an end run. Kriegsmann gained 5 yards, Streibert 5, and again Kriegsmann 5, taking the ball to Hamilton's 30 yard line. Hamilton got ball on downs on their 13 yard line and punted to Streibert who returned it to Hamilton's 40 yard line. On forward pass Hamilton got the ball. Here Irish was put in in place of Starbuck, who injured his ankle. Hamilton punted to Irish who returned the ball to the middle of the field. Streibert punted and Hamilton in a few plays returned the ball to Union's 32 yard line, but it went back to the middle of the field on a fumble. Time was called with ball in Hamilton's possession in middle of field.

Final Score—Hamilton, 6; Union, 18.

A NON-PARTISAN VIEW OF THE WESLEYAN GAME.

To the Editor of The New York Sun: Sir: Will you permit one who witnessed the Union-Wesleyan football game at Schenectady last Saturday to correct an unfortunate impression that the game was unnecessarily rough? Although there was an unusual number of accidents it was a clean, straight game right through. Each side played for what it was worth; and the resulting casualties, which have been ridiculously overestimated, were not caused by brutal play but rather by hard luck. The old philosophical tangle as to what would happen when an irresistible body projected itself against an immovable mass received its frequent solution. But then, in football, projectivity and immobility are fundamental requirements.

May I add that Union College is not only making good in athletics but also in "higher education" in a most gratifying way? The present freshman class is the largest in her history. The course in the classical and liberal arts has been much strengthened—it always was good—and the course in electrical engineering (with its close affiliation with the General Electric Works) is second to none. I write this as one who has no official connection with the college, but as a pastor in the town who takes a pride in the rejuvenation of this ancient university and who has learned to respect and love the traditions which cluster around her venerable gray walls.

B. W. R. TAYLER,

Rector St. George's Church.

Schenectady, October 12.

—New York Sun.

The Amherst faculty has decided that men shall be rated by classes according to the number of years they have been in college rather than by the requirement of courses.

A JOKE!

By all means boys ought to be encouraged to play football. Last Saturday afternoon Wesleyan played Union College at Schenectady and only 17 of the young men were hurt enough to make them unconscious. Before they had been at it ten minutes one captain had his collarbone broken and the other had a concussion of the brain. The survivors kept at it till eight more had to be taken to the hospital and seven in addition were so badly injured that they were compelled to quit the game. They knocked each other out but neither side scored. This was the outcome of just one game, and not much of a game at that as football games go. To smash up so many young men striving for an education in so short a time is an accomplishment that will make the names of Union and Wesleyan ring down the halls of fame and give them the record for sanguinary football. Perhaps someone is so highly educated as to tell why the game played this way is a good thing. All the prize fights in six months never sent 17 men to the hospital and yet prize fights are conceded to be brutal and in some places are prohibited by law. Parents who love their sons and wish them to become leading American citizens should early instill into their minds a due appreciation of the gridiron.—Utica Free Press.

DEMOCRATIC CLUB.

A Union College Democratic Club has been organized with an enrolled membership of one hundred. The first meeting of the club was held in the chapel on Wednesday afternoon when the following officers were elected: President, James B. Chapman; vice-president, Robert L. Brunet; secretary, P. J. Whitmore; treasurer, H. K. Hutchens.

The Schenectady County Democratic Club has extended the College Club a cordial invitation to make use of their rooms in the Schermerhorn building.

Campaign Buttons and prints of Bryan and Kern and of Chanler and Dix have been distributed among the members and a lively interest in the campaign aroused.

The removal of Johns Hopkins University to its new site has begun.

As was expected the Garnet had an easy time with *The Hamilton* last Saturday. Coach Murray had inspired the men with the real football spirit and they fought as one man. Seldom have we witnessed such a game, both sides vitally interested in the outcome and both absolutely certain of victory. The cheers of the Garnet supporters never were raised in such unison and so loudly as when we were cheering our team on to the decisive victory of last Saturday. For ten years we have had to yield the palm of football to the Buff and Blue, but our opportunity had come and we made the best of it. Too much cannot be said in praise of every man on the team, they were "there" every time, when Doran Brown kicked and when Streibert made his spectacular run leaving the field strewn with Hamilton warriors.

The singing of last Saturday has never been excelled and the cheering, well it was the best that four hundred lusty voices could make it. The "Union Spirit" of so much renown was greatly in evidence but we must not let it wane even when football days are over and the steady grind is on.

Next Saturday marks our first out-of-town game when we meet *The Rochester* game when we meet *Game.* Rochester University on their own campus. We have seen what our team can do on their own grounds so need not worry that they will give a good account of themselves on a strange field. But they still need our support; during the week the fellows have been fairly faithful in attendance at practice but what would be far better would be the attendance at the

game of as many as can go. So let each one do his best to get too Rochester to cheer the team on to victory.

We here quote a letter from the great
Echoes of the Wesleyan Coach Reiter to Coach Murray.

Dear Mr. Murray:

I think a word of explanation is due you and the team you represent in reference to my position as to Saturday's game.

The unjust and distorted accounts published in some newspapers is most lamentable. I am free to say that I saw no brutality in the game and assure you that I have no words but of a commendatory nature for the game your men put up.

We expected a hard game and were not disappointed.

Wishing you and the team future success,

Sincerely,

H. R. REITER.

We can only heartily reciprocate Coach Reiter's sentiments and wish them all luck. We sincerely hope that Union and Wesleyan will continue on the best terms and that the base criticism will only tend to bring us into more friendly relations as think is and will be the result.

The attendance at the game in a body of about a
The Law and Medic. hundred men from the Law and Medic men promises to bring us once more together as "children of one mother." The college has always had kind feelings toward her sister department and as the advance is now made we should keep up and help each other to become better friends. We need the other department in many ways and especially in athletics and hope that all of them will feel as free to try for our teams as the members here at Schenectady.

REPUBLICAN CLUB.

The Union men interested in the success of the Republican State and National tickets in the coming election have formed a Republican Club and are getting busy whooping it up for Taft and Hughes.

At the first meeting of the club which was held Monday, October 12, there were seventy-five members enrolled and the following officers were elected: President, E. K. Mould; vice-president, H. E. Vedder; secretary and treasurer, William Ferguson.

The club held a meeting in Silliman Hall Monday afternoon when prints of William H. Taft and pamphlets were distributed.

RUHL LANDS RECORDS OF UNION'S ATHLETES.

Two of Union's greatest athletes, Kilpatrick and Cregan are included in Arthur Ruhl's article, "The Men Who Set the Marks," published in "Outing" for July. The article is a history of track and field athletes leading up to the Olympiad. In it reference is made to the great athletes. While Kilpatrick is accredited to Union, Cregan is credited to Princeton. However, it was here in Schenectady that the famous miler picked up his knowledge of the track, while Kilpatrick was attending college. In fact he became the great half-miler's protege, who looked upon him as his successor at the half-mile.

He was graduated from the Union Classical Institute and entered Union. While at U. C. I. he represented that institution on the track, doing good work. When Kilpatrick left Union and entered Princeton, Cregan went along. It was while here that he began to attract the attention of the athletic world.

Kilpatrick is now connected with the sporting goods house of A. G. Spalding Bros. at Chicago. John Cregan, after graduating took a course at law. He resided in Jay Street with his parents.

In speaking of "Charlie" Kilpatrick, Mr. Ruhl says:

"Kilpatrick, the world's fastest half-miler, entered the championship class in the summer of 1894, when he won both the inter-collegiate and national amateur half mile. Kilpatrick was then a student at Union. The half at New Haven was run in 1:59 4-5 and that at the national in 1:55 4-5. Kilpatrick also won at the national championship games in the two following years, both times well under two minutes.

"His world's record was made at the games between the N. Y. A. C. and the London A. C. teams on September 21, 1895—the most remarkable meet as far as brilliant performances went in the track history of the two countries. Kilpatrick ran both as a member of the N. Y. A. C. and as a student at Union. At the start Lyons and Lewin took the lead and the former, who was an exquisite judge of pace, ran the first quarter in 54 1-2 seconds, as he had been directed to do. Kilpatrick, who judged pace poorly, trailed Lyons, and thus finished the first quarter in very fast time—much faster than if left to his own de-

vices. Shortly beyond the quarter mile mark the champion-to-be swung into the lead. For the next two hundred yards he continued to draw further and further away, and although Horan of Cambridge made a game rally and shortened the gap a bit at the last one hundred yards, Kilpatrick won decisively, sixteen yards to the good. His time was 1 minute 53 2-5 seconds, which broke all previous records, amateur and professional."

In referring to Cregan, the former Union man, the article continues:

"J. F. Cregan of Princeton, who won the half mile in 1:58 2-5 at Mott Haven in '98, on the day that he won the mile in 4:23 2-5 was one of the best distance runners who have appeared since the record was made. Cregan looked the typical half-miler, but he went in most seriously for the longer distances and repeated his Mott Haven victory in '99 and 1900. These victories in three consecutive years in the times of 4:23 3-5, 4:25 1-5, 4:24 2-5, form the best record of consistent performance at the mile ever made at Mott Haven.

GLEE CLUB.

The Glee Club has been practicing every Monday night since college opened and with the new music and faithful practice Union will have one of the finest Glee Clubs of years.

Cedric Potter and A. J. Streibert were elected to Terrace Council by the Senior class last Monday. The other members are H. E. Starbuck, G. W. Roosa, R. J. Burnet, J. W. Faust and J. B. Welles.

THE GLEASON BOOK CO.

PROFESSOR ASHMORE'S LATEST BOOK.

The recent publication by the Oxford University Press, American Branch, of Professor Ashmore's edition of "The Comedies of Terence," is a noteworthy event in the annals of American classical scholarship. This is the first collective edition of the plays of Terence by an American editor and the first complete edition with English notes since that of Wagner (London, 1869). It represents the scholarly labor of many years, done always with great accuracy and taste, and gives the student of Roman comedy, or of the drama, or of literature, a complete summary of knowledge about Terence and matters Terentian in one attractive volume satisfying alike to eye and mind and taste,—and to the hand. The book is appropriately dedicated "To the Memory of Mortimer Lamson Earle," whose death made the American classical faculty poorer by one great scholar.

An introduction of sixty-eight pages includes a history of ancient comedy,—Greek and Roman—wide in scope but not wastefully written, a treatise on Terentian metres and prosody and the musical accompaniments of Roman comedy, and a summary of the codices and editions of Terence; "but no attempt has been made to summarize the peculiarities of early Latin usage," the necessary comments on the language of Terence being reserved for the notes.

The text is Professor Tyrrell's recension, with a few corrections of error and some alterations of punctuation. Professor Tyrrell's brief critical apparatus is given in Latin footnotes, these being supplemented by Professor Ashmore's critical appendices to the explanatory notes on the several plays.

Three hundred and ninety pages of notes,—analytical, exegetical, literary and critical—expressed with skillful conciseness, give all explanations necessary to the full understanding of the plays as a whole and in detail. These notes and the introduction are made readily available for reference by an adequate index, which is the conclusion of a very workmanlike and satisfying book.

The makeup of the book commends the taste of the Riverside Press, and Professor Ashmore's, leaving, however, a regret that American books are not oftener so printed since they probably

YOU cannot deceive the College Girl in Chocolates. She has an educated longing for the creamiest and the best. Therefore, Mr. Fraternity Man: Buy her Sorority Chocolates—They're tiny globes of richest vanilla chocolate—a world of sweetness in every one. The covering is crisp and hard as an egg shell—fairly crackles when broken and the creamy goodness melts upon the tongue. Everyone says that they're delicious. Get a box tonight. can be printed so. The neat red cover, the thin paper of good quality, the clear type, the light weight and the comfortable bending of the back without breaking it conduce to a feeling of bodily well-being, create an appetite and invite assimilation. One is glad to add such a volume to his household possessions as well as to his intellectual furniture.

The Republican Club held a meeting at 3 o'clock Monday afternoon and decided to meet at the Van Curler in a body at half past six on September 27, in order to hear Mr. Taft.

Mould, '09, gave a talk at the Second Reformed Church on Monday evening on the subject: "The Democratic Platform and the Life of Bryan."

The Freshman class was entertained on Monday evening by the Captain Webb Club of the First M. E. Church.

Dr. Stoller and several members of his class in geology made a field excursion last Monday afternoon, visiting the old quarry on the Aqueduct Road and the sand dunes between Schenectady and Albany.

WITH THE DEBATERS.

Both Societies Give Promise of a Successful Year.

Debating work is now well under way and there are excellent prospects for an unusually good year in this line of college activity. Both the Philomathean and the Adelpic Societies have been organized for fall work for several weeks and many promising new members have been received.

The officers of the societies, as elected last spring are as follows:

Philomathean Society:

President, R. J. Ury, '09.

Vice-President, S. M. Cavert, '10.

Secretary-Treasurer, Van Deusen, '10.

Chairman Executive Committee, Faust, '09.

Adelpic Society:

President, Mould, '09.

Vice-President, Coplon, '10.

Treasurer, Fowler, '11.

Secretary, McCormack, '09.

Both societies have organized rather earlier than usual. Each has held several debates, getting the fellows into training for the Allison-Foote debate, which will probably be held early in January.

The Debating Council of the college has also had its first meeting. The officers are:

President, Prof. H. G. McKean.

Treasurer, Dr. F. S. Hoffman.

Corresponding Secretary, Mould, '09.

Recording Secretary, Ury, '09.

The other members are Faust, '09; Wachter, '09; Carmichael, '10, and Cavert, '10.

The student body recently passed a resolution in college meeting levying a tax of fifty cents per student for the purpose of defraying the expenses of intercollegiate debating. This will put this branch of college activity on a firmer basis than ever before.

COLLEGE MEETING.

The college meeting held on Monday morning was largely attended and a most enthusiastic gathering of the student body.

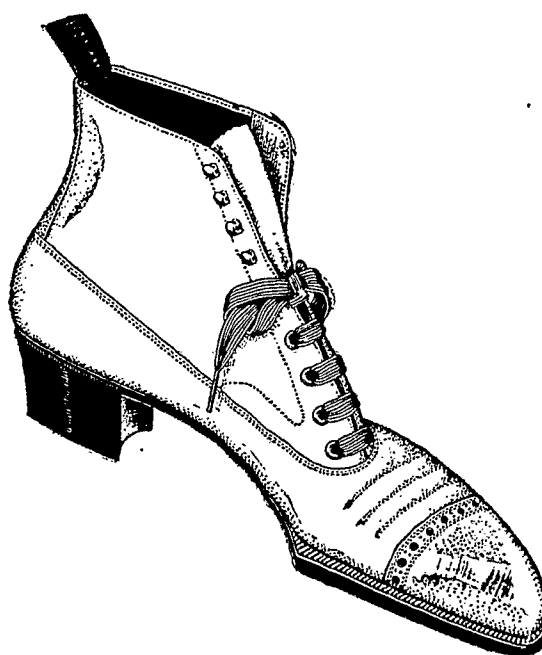

As a result of Union's victory over Hamilton in Saturday's football game the old "Union Spirit" was thoroughly aroused and gave vent in continuous cheering for the team and for each of its members.

Remarks on the game were made by Streibert, '09, and Starbuck, '09.

Burnet, '09, moved that, in view of the fact that the trustees are willing to erect a new flag pole on condition that there be no underclass flag fights, a petition for a flag pole be drawn up and given to Dean Ripton and J. A. Buttrick, and be presented by them to the trustees.

An invitation from the Men's Club of the First Reformed Church to its social on Monday evening was extended through J. W. Faust to all Union men.

Winter Tans

— Are the Proper Thing —

We make a specialty of Nobby Shoes for Young Men, and as fashion calls for Tans this season, we are showing a large variety in all the new shades, with all the new effects, such as the New Punch and Wing Tips and Ball strap vamps; some with one strap and buckle at top, others with the new flange and oblong eyelets. Everything that's new in Tans are here. Tans are not only more up-to-date but are built to stand the wet weather better than blackleathers.
