## BASE BALL.

### Union 8; Glens Falls 4.

Union defeated the Glens Falls nine Wednesday May 24 on the campus. The game was slow and uninteresting. Sigsby struck out 14 men. The game was won for Union in the fourth inning, when five hits, one base on balls, two stolen bases and three errors yielded seven runs. The score :

### Ostrander 4; Union 3.

One of the prettiest games of the season resulted in a defeat for Union. The score was close, however, and interesting. Union made one more base hit and two less errors than her opponents and yet was defeated. Tallman and Beattie as battery did excellent work in their first game of the season in those positions. Klein's fine running catch of a fly in center was the feature of the game. The score :

## Union, '96, 5; Williams, '96, 3.

June 3d was a beautiful day—another such a day as May 20th, and Williams college suf-

fered a worse defeat from the Union freshmen team than she did at the joint field meet. Nine strong looking men from Williams came here that day with the intention of having their revenge. Although the team was supposed to be made up of '96 men, Howe '94, who last year was substitute pitcher for Harvard, was put in the box. Nevertheless, our men were determined to win, and win they did.

In the first innings Williams was retired on the first three balls pitched. Union scored two runs in this, and one more in the second. In the fourth Williams scored one and in the first half of the seventh another. The score was then two and three in favor of Union, but it was feared the score would be tied. Our men came to the bat determined to do something, but the first two men were retired. Enders began the fun by putting out a two bagger. Howe was afraid of Beattie and gave him his base on balls. Then Tillapaugh came to bat. A sigh was heard to go up from the crowd, for he had struck out every time before; but that sigh was turned into a yell when the ball was seen to fly over the second baseman's head and roll by centre field out towards South college. Enders and Beattie came home, and Tillapaugh got third, but he was unable to score. No more runs were made, and the game ended 5—3 in favor of Union, '96.

Ward at short lost his head several times during the the first part of the game making some very bad errors; but he settled down to work latter, and made some pretty plays. Beattie covered second as well as he always does, but the all round playing of Melius eclipses anything that has been done on the campus this spring. A gentleman among the spectators who has played on the Cornell team said Melius did the best base running he had ever seen. Melius had two base hits, three stolen bases, three put outs, and two of the five runs to his credit. Below is the score by innings:

	1	2	3	4	5	6	7	8	9	
Williams.....	0	0	0	1	0	0	1	0	0	—2
Union.....	2	1	0	0	0	0	2	0	*	—5

Hits, (U) 6, (W) 5 ; earned runs, Union 1 ; two-base hit, Enders ; three-base hit, Tillapaugh ; struck out, by Sigsby 8, by Howe 4 ; Umpires, Prof. Mosher and Mr. Lockwood (W).

Union 5; Colgate 3.

Friday, the 9th of June, was an unlucky day for the Colgate baseball nine. They lost the second league game with Union on their own grounds. It was not their own fault, however, for they played all the ball they knew and some football. Apparently they had resolved to win by foul means if not by fair. They "kicked" and struggled, did everything but play gentlemenly baseball. But all in vain for Union won.

The story of the game follows. Colgate went to bat first. The first man got first on error of Brookins and second on error of Sullivan. Leebe, the second man, flew out to Merchant and Mills struck out. F. Munro reached first on an error of Enders and stole second but Brown struck out. That ended the inning and Union's errors did not avail Colgate. In Union's half, Brookins the first man to bat was thrown out at first by the Colgate third baseman. Smith went to the first on balls and the second on a wild pitch. He took third on a passed ball and scored on an error of the third baseman. Sullivan made the circuit of the bases innearly the same way, getting his first on balls. Merchant hit the ball to second base and reached second on the vain attempt to throw out Sullivan at home. He stole third. Sigsby struck out. Tallman hit to third who fumbled the ball and Merchant scored and Tallman got first. Enders went out on a hit to first and that retired the side with the score 3 to 0 in favor of Union and one inning played.

For the next five innings Colgate could

not score. They made three singles off Sigsby but they were so scattered and judiciously mingled with strike outs that they did not count. Union added one run to her score in the fifth and another in the sixth. Up to the end of the Colgate half of the sixth Mr. W. J. Ford, Colgate, '90, umpired the game and umpired fairly. Then Colgate proposed to change and obtain a more willing tool. They introduced a professional ball player who had never seen the inside of a college but Captain Merchaut refused to recognize him and after twenty minutes argument Colgate yielded and Mr. Ford continued to umpire.

In the seventh Colgate made her first run after two men were out. Two hits and two stolen bases made the score. Colgate was retired in one, two, three order in the eight but in the ninth they managed to make two runs. Risley made a two-bagger and Briggs made a single. That combined with two errors by Union and a passed ball made the two runs but the game was lost to Colgate.

Tallman made a magnificent running catch and Leebe on second made a star play, picking up a grounder, and retiring Auchampaugh. The score :

## Notes.

Union defeated a picked Fulton county nine at Gloversville, Wednesday, June 7th. The game scheduled for Hamilton on that day was not played on account of the disbandment of the latter nine. The score was 7 to 3.

Union suffered a second defeat at the hands of the Ostrandors, of Albany, Saturday afternoon. Tallman was in the box for Union. The principal feature was a home run by Merchant. The score was 8 to 7.

## A NEW FOOTBALL.

Mr. Tracy H. Robertson of the class of '91 has presented the college with a football. The ball is of the regular size and make but its principle value lies in the inscriptions which adorn its sides. Some of them are,

## TO THE TEAM.

"Play Ball;" "Keep your eyes on the ball;" "Let the captain do the talking. He knows as much about it as you do."

## TO THE CAPTAIN.

"Make the men do as you tell them, *You are Captain*, BE CAPTAIN."

## TO THE SCRUB.

"Play ball all the time;" "The winning of the pennant depends on the practise you give the varsity;" "You all can't make the team;" "Next year you may."

"No matter if you are not appreciated, PLAY BALL."

## TO EVERYBODY.

"PLAY BALL and get that PENNANT."

It will be remembered that "Bobby" was the manager of the '90 football team.

#### THE "GARNET."

The *Garnet* of ninety-four has at last appeared. The volume is a credit to the class which has issued it. The printer has done a very pleasing piece of work and with the exception of a few typographical errors, due to careless proof-reading, the mechanical appearance is well nigh perfect. There are a few mistakes. The college treasurer is Mr. G. K. Harroun instead of S. E. Stimpson. A page might have been devoted to THE CONCORDIENSIS among the student's organizations. The advertisement on page xxii should however be noted. There are a number of omissions among the lists of members of the various clubs. The idea of giving each senior's and junior's offices, honors and societies is a good one and the example may well be followed by other *Garnet* boards. There are several literary features which deserve especial mention. The sketches of the lives of Professor Truax and Dr. Perkins, with the accompanying portraits, are worthy of their subjects. The weakest feature of the book is the grinds. These are this year more than ever destitute of wit or wisdom. They might be dispensed with altogether and vastly improve an otherwise praiseworthy volume.

Supply yourself with the *Garnet*.—\$1.00.

Once more we repeat it. Stay for commencement.

We are surprised to learn that the *Garnets* are not selling well. Every man in college ought to have a copy.

As we go to press word is received that Williams has cancelled her game for to-day. "Hollister does not want to pitch," was the excuse. Draw your own conclusions.

The programme for Monday consists of the prize speaking of juniors and sophomores and the Veeder prize contest in extemporaneous debate in the evening. The exercises will be held at the State street Methodist church beginning at 7:30 P. M.

What we want is a trophy room. The balls with which our nine has won its victories, the prizes, banners and cups won by the track athletics, the pennants in baseball and football—all will make a large collection. THE CONCORDIENSIS has a number of historic telegrams to contribute.

Hon. Pliny W. Bartholomew, '64, judge of the Superior Court of Indiana, writes: "Please find enclosed draft on New York to pay my subscription to THE CONCORDIENSIS. I find myself waiting with expectancy each two weeks for its arrival. You now have the most interesting and best periodical Union has had within my remembrance. I am delighted with the late progress of Old Union."

According to a Syracuse daily the little college in that city is considering the advisability of competing in track athletics with Cornell and University of Pennsylvania. This reminds us of the answer the old farmer gave to the question, "Do you think Hawaii will be annexed?" "Well," said he, "the Ryeville debating society has been arguing the question but they has'nt decided yet."

One would almost imagine that Syracuse actually believes that they are superior in track athletics to Union and all the other colleges in the league. We venture the assertion if Union had taken as many men to Utica as Syracuse the pennant would have been ours. As it was every man but one from Union took a prize. Yet what glory would there be in defeating a college whose continued cry is "Not farmers enough."

The official programme for commencement has been completed. The week begins with the baccalaureate sermon Sunday, June 25th, at 7:30 P. M., in the State street Methodist church. It will be delivered by the Rev. Timothy G. Darling, D. D., Richards Professor of Christian Theology at Auburn Theological seminary. Dr. Darling was for the 14 years preceding 1889 pastor of the First Presbyterian church of Schenectady and in 1879-80 was acting professor of mental philosophy and Hebrew at Union.

The Syracuse *University News* has the fol-

lowing in their account of the intercollegiate meet at Utica :

"In putting the shot and throwing hammer, Rouse and Smallwood acquitted themselves well, though Syracuse failed to secure a place. *We haven't enough farmers to win in these events.* A. E. Barnes, of Union, won first place in putting the shot; distance 36 feet 7 inches. Colgate won second place and Union third.

The sentence in italics is surely in error. We saw nine men come to Schenectady to play ball with Union recently. We supposed at the time that they represented Syracuse fairly well, but if the above quotation is true they must have been outsiders. Surely 100 per cent is "farmers enough."

This number is the last one to be issued under the present editorial control. We did not write an introduction when we assumed control of this paper last September but we shall write a short valedictory. We believe that this volume of THE CONCORDIENSIS has been a success. We can say that much without any unusual conceit. The football nine won the pennant and they had a celebration. Athletic victories have followed thick and fast this year and more are coming. All these have been appreciated by the college. Not so with THE CONCORDIENSIS. But someone says they have a pecuniary recompense. That is just the point we wish to mention. The students of Union College do not appreciate a good paper well enough to pay their subscriptions. They will subscribe almost to a man but they will *not* pay. The paper this year has been out on time to a degree never before equalled. This number was due last Wednesday but it did not appear until to-day, one week behind time. Why was the rule of a year broken? Ascertain the amount required by our printer for one issue of this paper and compare it with the bank account of THE CONCORDIENSIS on June 7 and you will easily discover the reason for the delay. Now this reason would never have been printed

had not this been the last issue under the present management. We are looking to the future. *If the students of Union college want a good paper next year enough of them must pay their subscriptions to satisfy the printer.*

#### THE UTICA MEET.

The ninth annual meet of the New York State Intercollegiate Athletic association was held at Utica May 30. Syracuse won first place, Hamilton second and Union third. Barnes, of Union, broke his own record in throwing the hammer. Bad management on the part of Colgate was the most conspicuous feature of the day. Van Schaick was cheated out of second place in the mile run, the judge ordering it to be run over again the next day. Union, doubtless, in proportion to the number of men started, did better than any other college. With twelve men eleven prizes were won. The events and the winners were as follows :

100 Yards Dash, first heat.—Fikes, Syracuse, first; Freeman, Rochester, second. Time,  $10\frac{3}{5}$  seconds.

Second heat—Ralsten, Hamilton, first; McConnell, Hamilton, second. Time,  $10\frac{2}{5}$ .

Third heat—Baker, Union, first; Risley, Colgate, second. Time,  $10\frac{3}{5}$ .

Final heat—Fikes, Syracuse, first; Baker, Union, second; Ralsten, Hamilton, third. Time,  $10\frac{3}{5}$  seconds.

Putting 16 Pound Shot—Barnes, Union, first, 36 feet 7 inches; P. Munroe, Colgate, second, 33 feet 9 inches; Myers, Union, third, 33 feet  $4\frac{1}{2}$  inches.

Pole Vault—Ackerman, Syracuse, first, 10 feet; Pike, Rochester, second; Naylor, Hamilton, third. In this event Naylor dislocated his arm.

440 Yards Dash—Fikes, Syracuse, first,  $54\frac{2}{5}$  seconds; Bryan, Colgate, second; Allen, Union, third.

Mile Walk—Pollock, Union, first, 7 min.,  $55\frac{1}{5}$  seconds; Whiteside, Syracuse, second; Simpson, Colgate, third.

120 Yards Hurdle—Ralsten, Hamilton, first, 17 seconds; Pike, Rochester, second; Holleran, Union, third.

880 Yards Dash—Ostrander, Hamilton, first 2 min.  $4\frac{4}{5}$  sec.; Macomber, Syracuse, second; Allen, Union, third.

Running Broad Jump—Briggs, Colgate, first, 19 feet 2 in.; France, Hamilton, second, 18 feet 11 in.; Ackerman, Syracuse, 18 feet 10 in.

Running High Jump—Ackerman, Syracuse, first, 5 feet 3 in.; Winans, Rochester, second, 5 feet 2 in.; Myers, Union, third, 5 feet.

Two Mile Bicycle—Feek, Syracuse, first, 6 min. 3 sec.; Becker, Colgate, second; Brown, Syracuse, third.

220 Yards Hurdle—Ralsten, Hamilton, first, 27 sec.; Risley, Colgate, second; Pike, Rochester, third.

Throwing 16-Pound Hammer—Barnes, Union, first, 89 feet 10 in.; Newell, Colgate, second, 89 feet 3 in.; Myers, Union, 78 feet 3 in.

In the thirteenth event, the one mile run, the first place was awarded to Throp, Hamilton, Macomber, Syracuse, being disqualified.

The last event, the 220 yard dash, was run in two heats: (First heat.) Van Duzer, Union, first; Baker, Union, second; MacConnell, Hamilton, third; (second heat.) Fikes, Syracuse, Root, Hamilton, first; Ralsten, Hamilton, second; Risely, Colgate, third.

The final heat ( $23\frac{1}{2}$  sec.) was a dead heat between Root, Hamilton and Fikes, Syracuse, for the first and second places, with Ralsten, Hamilton, third.

#### THE STARIN TROPHY.

One of the most valuable and unique prizes for excellence in collegiate interclass athletics is that which is offered by Trustee John H. Starin, of Union College. This is a loving cup of solid silver costing over \$250, which was recently offered by Commodore Starin to that class which should win five of the six

schedule games each year in base ball and foot ball.

A series of interclass contests is arranged, in such a manner that each class plays one

game of base ball each spring, and one game of football each fall, with each of the other three classes, making six games in all. Of these a class must win at least five to secure the trophy. The class which is so fortunate as to win the cup has its name inscribed thereon, and may either retain it or may again offer it in a similar competition, in which case it will be known as the "Class of —athletic trophy."

The trophy on a handsome ebony pedestal is on exhibition in the window of Benedict Bros., Broadway and Cortlandt street, and attracts much attention. At the college the incentive given to athletic sports by this evidence of interest on the part of Commodore Starin has produced a marked effect. The interclass games have been hotly contested, and enthusiastic interest manifested. It has not only brought out on the campus many students who would otherwise not derive the benefits of athletic training, and it has also been very effective in developing latent material for the college teams.

As a result Union won the foot ball championship of the State last fall, won from Williams last week the palm of supremacy in intercollegiate field sports and bids fair to secure the base ball championship this spring

The offer of this trophy is but one of the many generous acts which has made Mr. Starin the most popular of Union's trustees, and has given him on College Hill the affectionate appellation of "Our Commodore."—*Mail and Express.*

### LITERARY NOTES.

A dainty little volume of selected college verse, entitled *Cap and Gown*, comes to us from Joseph Knight Co., Boston. The selections, which were made by Joseph LeRoy Harrison, are good examples of the best verse published in the college periodicals. It seems to us that editor has attained the object mentioned in the preface where he says: "I dare to hope it may find a corner in the domain of lighter verse, that it may be a congenial complement to the old brier-root during some idle hour of undergraduate life, and that it may awaken in those who have left their *alma mater* the sleeping memories of that happy, careless past,—memories which neither time nor adversity nor absence can efface."
