UNION COLLEGE, JUNE 20, 1894.

NO. 16.

PROFESSOR HENRY WHITEHORNE, LL. D.

Not the least of the events of the year just closing was the resignation of the Dean of the Faculty, Dr. Whitehorne. For eight years—two college generations—he has held that office, much of the time acting as President of the college. During that period he has come into very close relations with all the students of the college. Every year his kindness to them has increased, and every year they have regarded him with new respect and affection. His resignation was a surprise and a disappointment, a personal grief to every student, for all are debtors to his kindness.

Dr. Whitehorne was graduated at Wadham college, Oxford, in 1837, and came to this country in 1841, after a short stay in Canada. After teaching for five years in Brooklyn, N. Y., he took charge of St. Thomas Hall, a school of the Protestant Episcopal church in Holly Springs, Miss. In 1854, he became Professor of Greek in the University of Mississippi, at Oxford, Miss., where the late Dr. F. A. P. Barnard, of Columbia college, was the President. There he remained for seven years, when his work was brought to an end by the breaking out of the Civil War, which caused him to leave the South in October, 1861. He was an Englishman, and was warmly attached to his southern home, but when the choice had to be made, he cast in his lot with the people of the North. To cross the rebel lines, it was necessary to obtain permission from the Confederate authorities. So Dr. Whitehorne went to Richmond, and made application to Jefferson Davis, whom he had known in Mississippi. As he was about to enter Mr. Davis's office, he met President Barnard coming out, who told him he had just asked for, and been refused, a similar permission. Those who know Dr. Whitehorne will readily believe that if he was cast down, he was not dismayed. He entered, made known his request, and, to his surprise, was received very graciously. Mention was made of Dr. Barnard, and Davis said: "I know old Barnard; we can't trust him, but I think we can trust you." Then he urged the Professor to become a

Confederate agent in England, making him the most liberal offers if he would consent to return home and use his influence in his native land in behalf of the Confederacy. The Professor asked for time to consider the proposal, and Mr. Davis, eager to befriend an Englishman and to gain English support, gave the much desired permission to pass out of the Confederate lines. When the Professor was safe in New York, he gave no more thought to Mr. Davis's offer. Perhaps he found that he had exhausted all his diplomacy in getting his pass.

Mr. Davis, no doubt, was acting for his own advantage; but Union men everywhere will have a kindly thought for Jefferson Davis, because of a kind deed done to Dr. Whitehorne in a very trying hour. And it was very characteristic of our sturdy old Englishman, Southerner as he was by long residence, to refuse to become rich by espousing a cause that he could not believe right.

Professor Whitehorne remained in New York until 1863, when he became Principal of the Union Classical Institute, in Schenectady. After five years of very valuable service there, he was elected Professor of Greek in Union college. In 1886, he was made Dean of the college, and the next year was granted the degree of LL. D. In 1891, he was elected President of the Union chapter of the Phi Beta Kappa society, which office he still holds. During the past winter he determined to retire from the office of Dean, and his resignation was announced at the beginning of this term. He still holds the chair of Greek, and does his work with all his old-time earnestness and thoroughness. Alumni of former years, however, will be pained to learn that the chalk-mark has disappeared from his floor, and that Freshmen are allowed to sit while they read. But he shows no other sign of weakness.

All who have been in Dr. Whitehorne's room know his wonderful success as a teacher. His success as Dean of the college has been no less marked. His direct and positive ways, his frankness and plainness of speech, his perfect integrity and sincerity have always made

ANOTHER PENNANT.

Union Easily Wins the Deciding Game with Colgate at Hamilton.

The decisive game of the inter-collegiate series was played at Hamilton Saturday afternoon, June 9. A large concourse of people was present and the Colgate men were confident of winning the game. The supporters of the garnet played a magnificent game and easily outplayed their old rivals. Colgate after the first inning was unable to score, but they managed to send three men across the plate in the first. The Munro brothers did good work as a battery but the one in the box was hit hard and the Union boys pounded the ball at their own sweet will.

Howard, Enders and Murphy did the star playing for Union, but each man played well.

The team has played 22 games with a total score of 195 to 164, won by opposing teams.

COMMENCEMENT PROGRAM.

The ceremonies of the ninety-seventh commencement of Union college will be of unusual interest and will include the inauguration of the new President, Rev. A. V. V. Raymond, D. D., LL. D. The exercises will be held in the First Presbyterian church and will begin on Sunday evening, June 24, when Rev. Dr. Henry M. Booth, president of the Auburn Theological seminary will preach the Baccalaureate sermon.

On Monday afternoon, June 25, the graduating class will hold their "Ivy Exercises" under the old elm in Jackson's garden. These will include the Ivy oration, the Ivy poem, the Pipe oration, smoking the class pipe and planting the class ivy.

At ten o'clock the centennial committee, which has in charge the proper celebration of the centennial of the college in 1895, will meet in the Washburn Memorial building.

On Monday evening the Junior and Sophomore prize speaking and the Alexander prize contest in extemporaneous debate will occur in the First Presbyterian church.

Tuesday will be Alumni day. The exercises of the day are as follows: At 9:15 the annual meeting of Phi Beta Kappa; at 9:30 the annual meeting of the board of trustees and of the Alumni association, at which latter an alumni trustee will be elected in the place of Kenneth Clark, '69; at 1:15 the alumni banquet in Memorial hall; at 3:30 the class day exercises of the Seniors in the church, and at 8 P. M. the inaugural ceremonies. The following will be the programme of the evening:

Invocation—Rev. George Alexander, D. D.
 Address by the chairman of the board of trustees—S. B. Brownell, LL. D.
 Address of welcome from the undergraduates—Douglas Campbell, '94.
 Address of welcome from the faculty—Professor Henry Whitehorne, LL. D.
 Address of welcome from the alumni—Hon. Amasa J. Parker.
 Address of welcome to Schenectady—Mayor Jacob W. Clute.
 The board of regents of the university—Hon. Melville Dewey.
 The State of New York—Comptroller James A. Roberts.
 Investiture of the president—Hon. Judson S. Landon, LL. D.
 Inaugural address—President Raymond.

On Wednesday, June 27, the commencement exercises will be held at 10 A. M. President Raymond presiding. The time-honored processional from the college to the church, a half mile distant, will be resumed this year and will be more than ever impressive from the fact that large numbers of the alumni will be in attendance, and also that famous military organization, the Burgesses Corps of Albany, of which Dr. Raymond is chaplain. The corps will head the commencement procession, which will form at 9:30 before the college chapel. The procession will form in the following order: The president, honorary chancellor, distinguished guests, governors of the university, the trustees, faculty, undergraduates (the Seniors in cap and gown) and the alumni, in the order of their graduating.

The commencement orations by the ten honor men of '94 will be followed by the oration of the honorary chancellor for 1894, Hon. Joseph M. Carey, senator from Wyoming, class of '67.

The Senior orators will be Nathan Beckwith, Douglas Campbell, Harris Lee Cooke, Arthur Knox Doig, Emmet Sloat, Charles Russell Smith, Richard Van Beusekom, Jr., Charles Emerson Gregory, Walter Luman Lawton and George Briggs Lynes.

The reception by President and Mrs. Raymond on Wednesday evening at 8, and the reception and ball of the graduating class in Memorial hall at 10 o'clock will close the public exercises of the week.

The decennial classes, as well as the classes of '69, '79 and '91, and the several fraternities will hold reunions during the week. The class of '84 is making especial preparations for an enjoyable reunion, which it is proposed to end up with an excursion to Lake George.

ADDITIONS TO THE LIBRARY.

Following additions to the library have been made out of the funds provided by "*one of the boys of '93*." The new books are to be found in the Working Library in the English department.

Ten Brink—"History English Literature." 2 vols.
 Pollard—"English Miracle Plays."
 J. Toulmin Smith—"York Mystery Plays."
 Saunders—"Chaucer's Canterbury Tales."
 Forster—"Life of Dickens."
 Skeats—"Facsimiles of English MSS."
 Symonds—"Renaissance in Italy." 7 vols., including "Age of the Despots," "Revival of Learning," "The Fine Arts," "Italian Literature," "The Catholic Reaction."
 Murray—"New English Dictionary." Vol. II.
 Skeat—"The Romaunt of the Rose," Vol. I of "Complete Works of Chaucer."
 Stedman—"The Ports of America."
 Craik—"English Prose." 2 vols.
 Cooke—"Browning's Guide Book."
 Cross—"Life of Geo. Eliot." 3 vols.
 Berdoc—"The Browning Cyclopædia."
 Brandes—"Eminent Authors of 19th Century." 25 volumes in all. More will be added later.

The "American" section under patronage of Lemon Thompson is also growing nicely.

The needs of the library, however, call for still larger provision, and it is hoped that generous donors will forward the increase.

The sum contributed by Hon. John H. Starin has been expended in the purchase of the six volumes of the Century Dictionary, which have been placed in a handsome reference cabinet in the English room. The main library has also a set.

The Shakespeare club has purchased a full set of the elegant text of Shakespeare known as the Cambridge Shakespeare. This is also temporarily placed in the English room.

'87. Lester Boardman Smith, of Rochester, was married on the 19th of June to Miss Charlotte Eliphal Cooke. Mr. Smith formed a wide circle of friends in Schenectady during his college days who will wish him prosperity.

ARTHUR E. BARNES,

Of Clyde, N. Y., who has so successfully conducted the management of Track and Field athletics at "Union" during the past year, was born in the above village in the year 1864, and has since then made it his home. He received his early preparation at

ARTHUR E. BARNES.

the Clyde High school, and later graduated from the Albany State Normal college, being a member of the class of '86.

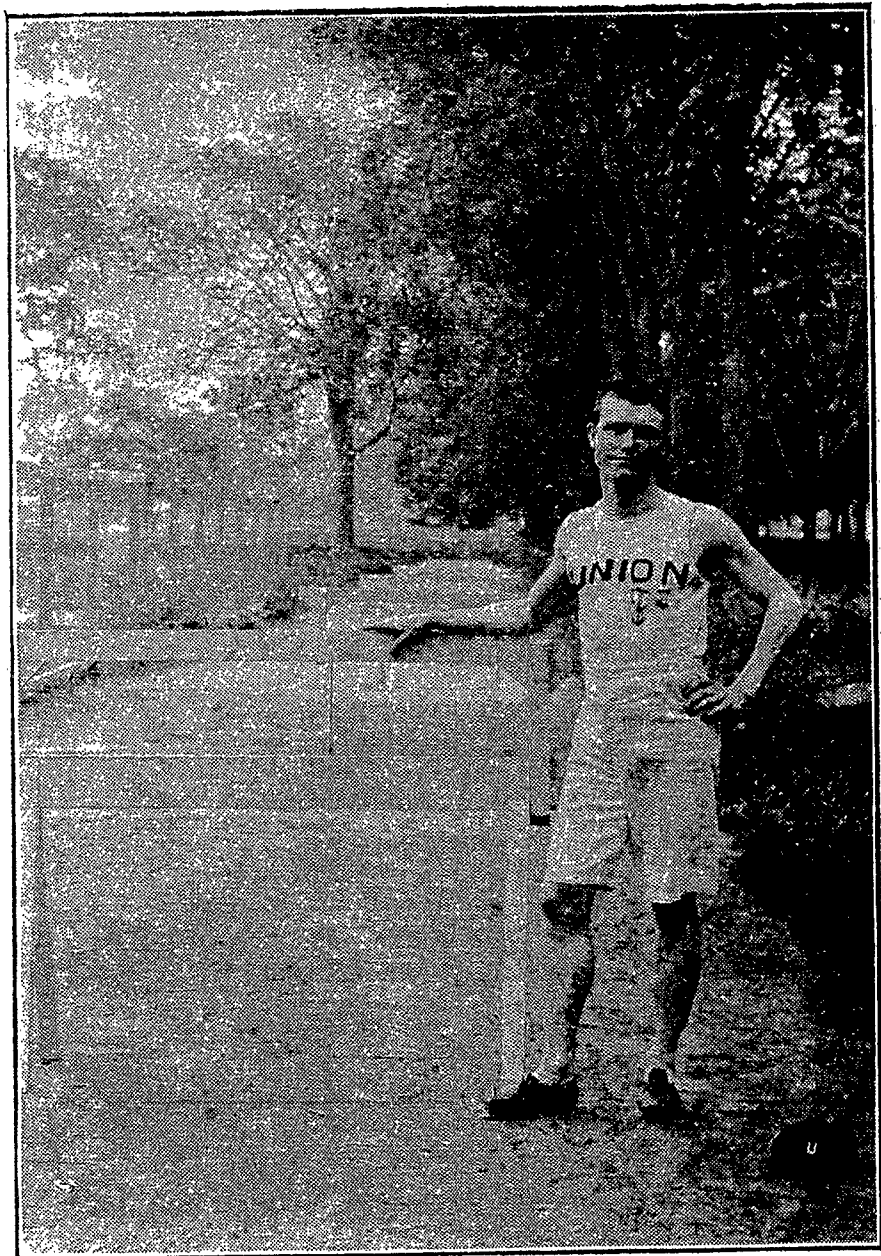

Mr. Barnes has had considerable experience in lines of work which made him just the man to take hold of this branch of athletics and place it upon a firm footing at Union. He has successfully taught several years, having been principal of the school at Manchester, N. Y., and also of the Port Allegany Union school, in Pennsylvania.

In 1891 Mr. Barnes entered Union College, and his first year made the 'Varsity Foot-ball team, playing the position of right guard. This position he has filled for three years, being considered the strongest guard in the league. He holds the college records in both

the hammer throw and shot put, and also the N. Y. I. C. A. A. record for the hammer, having thrown it 89 ft. 10 in. at the Intercollegiate Field-day held at Utica, May 30th, 1893. Before Mr. Barnes was elected manager of athletics there was no such thing as a track athletic team at "Union," and few men were ever known to take this kind of exercise. By diligent, conscientious and faithful work he has reached the goal he has had in view for over a year, and brought the pentant to Union for the first time. Space will not permit us to say all we would wish in Mr. Barnes' behalf, but we are pleased to know that he is appreciated and respected by both the students and faculty of Union College, and we trust he will continue to bring more glory to "Old Union" for many years to come.

FRANCIS E. HOLLERAN.

Francis E. Holleran, Captain of Union's crack athletic team, was born in 1871, at Waterloo, N. Y. Mr. Holleran graduated

FRANCIS E. HOLLERAN.

from the Waterloo Union school in 1890, at which time Ralph E. Serven, of Hamilton

college, was principal. Being strongly inclined toward engineering work and learning of the excellent course at Union in this branch, he entered the class of '95 in September, 1891. Mr. Holleran had never done much in athletics before entering college, but soon became interested in gymnasium work and rapidly developed. He is an all around

and labor in order to put a winning team in the field.

Although quiet and unassuming he is firm and decided in giving instructions to his men, and his motto "never give up a race" is what brought victory to the garnet and won for Union the Pennant of 1894.

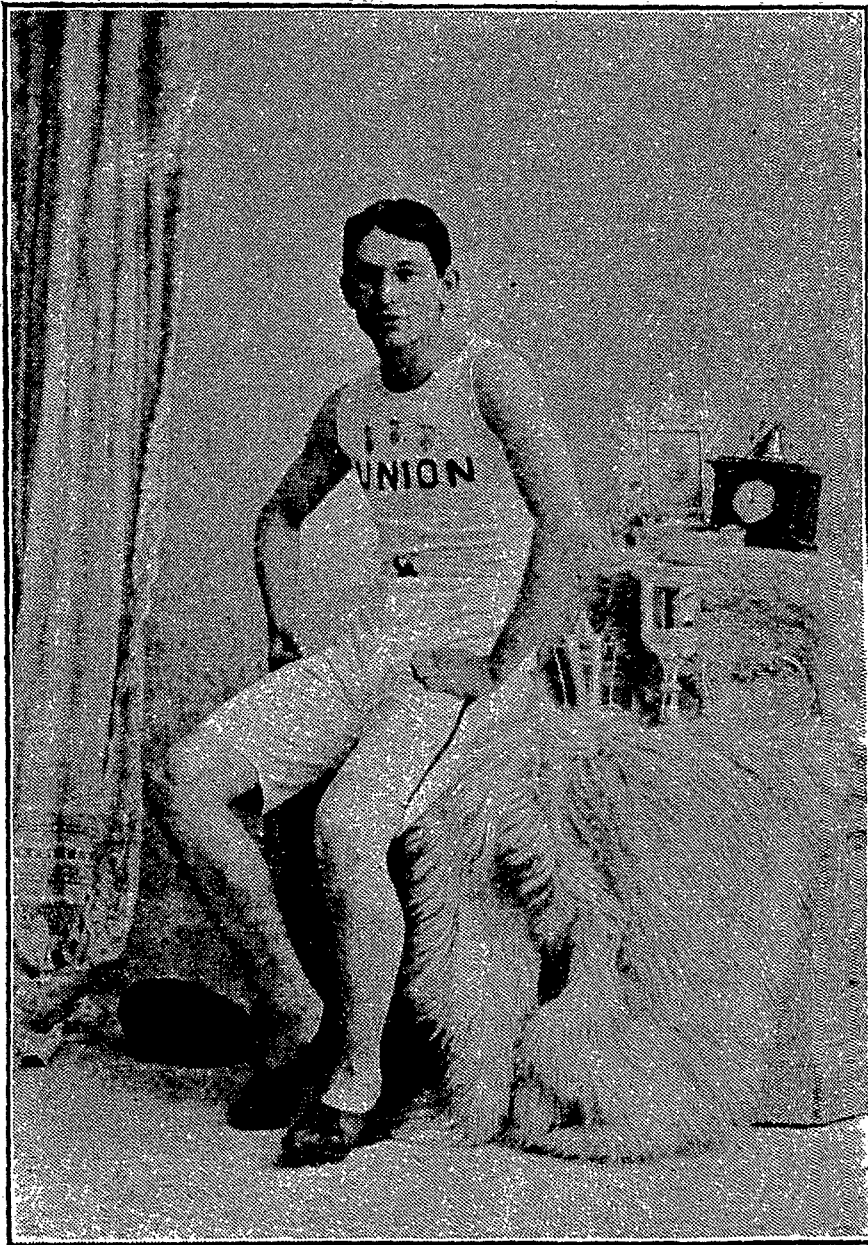

MAJOR ALLEN TWIFORD,

Who has been chosen by the team for its captain next year, was born in Maryland; but five years ago removed to Cooperstown, N. Y., where he prepared for college, and graduated high in his class. Before entering Union Mr. Twiford had done some out door work, but most of his exercise has been confined to the gymnasium. He began to take great interest in track athletics as soon as he came to college, and since then his enthusiasm has constantly increased.

Mr. Twiford makes a specialty of hurdling and jumping. He is not a fast sprinter; but gets off his mark like a whirlwind, and on this account is very good for dashes less than fifty yards. He is young yet, being only nineteen, and some excellent results may be expected from him. He is five feet, ten inches in height, and when in training weighs about 150 pounds. Twiford is known as one of the hardest trainers in college; and when he is preparing for a meet goes about it with great vim and push.

In his freshman year, Twiford won many points for his class, and broke the college record in the running broad jump in the spring games, clearing nineteen feet, two inches. This stood until broken by Scofield at the inter-collegiate meet. Last fall in the handicap meet he won first in both hurdles and the running high jump, and second in the running broad jump, he being scratch man in three of the events.

Just before the mid-winter meet last March, Twiford strained a tendon in his right foot, and was unable to do any more training until ten days before the inter-collegiate games. But notwithstanding this he distinguished himself at Syracuse by winning the low hurdles in three inches of mud in 28 3-5 seconds. Considering the training he had had, this was a very remarkable performance. Last summer Mr. Twiford carried the garnet to the front in several meets in which he entered, and he has now about twenty prizes that he

athlete, being capable of bar work, horse and tumbling and also good in the shot put, sprints and hurdles. He has won many points for his class in the inter-class games, and is known as being always cool and capable of doing his best. He took the high hurdles from Garfield, the strong Williams college sprinter in the meet of 1893, and was also an easy winner of this event at the recent field day in Syracuse. He holds the college record of 27 seconds for the 220 yards hurdles and with a small handicap took first place from Goff, the great hurdler, from New York, at the winter meet of the Tenth Battalion in Albany last winter.

Mr. Holleran succeeded to the captaincy early in the spring and devoted much time

has won since he entered college in the fall of '92.

Mr. Twiford is a member of the class of '96, and is a very popular man in college. In addition to being a good athlete, he stands well in his class. He is a member of the Psi Upsilon society, and several of the college organizations. He is also on the editorial board of THE CONCORDIENSIS.

Capt. Twiford will make a worthy successor

CHAS. KILPATRICK.

to Capt. Holleran who has done so much for the team this year, and by his interest earn their respect and also the applause of the college. One thing can be assured, Capt. Twiford will work his men hard and faithfully, and there is not the least doubt but what Union will have another winning team on the track in the season of '95.

CHAS. KILPATRICK.

Chas. Kilpatrick, Union's well known long distance runner, and the champion inter-collegiate half mile runner of America, is a young man only nineteen years of age, being born in Albany, Oct. 23, 1874. In early youth

he began to show wonderful precocity in the use of his lower limbs, having learned to walk long before most children are expected to. But it is to be noted that he never permitted his power of locomotion to carry him into ways of evil; he never ran away from home, he never ran away from school; but he trained his muscles for the developing of good results.

His education was begun in the Albany public schools and continued in the State Normal college, from which he would have graduated this year, '94. Particularly in this latter institution Mr. Kilpatrick was a very popular and prominent member. He was president of the Adelphoi Literary society and was very highly esteemed by all his classmates. He entered Union at the beginning of the present year, and during his stay in that institution has done most excellent work both in studies and athletics.

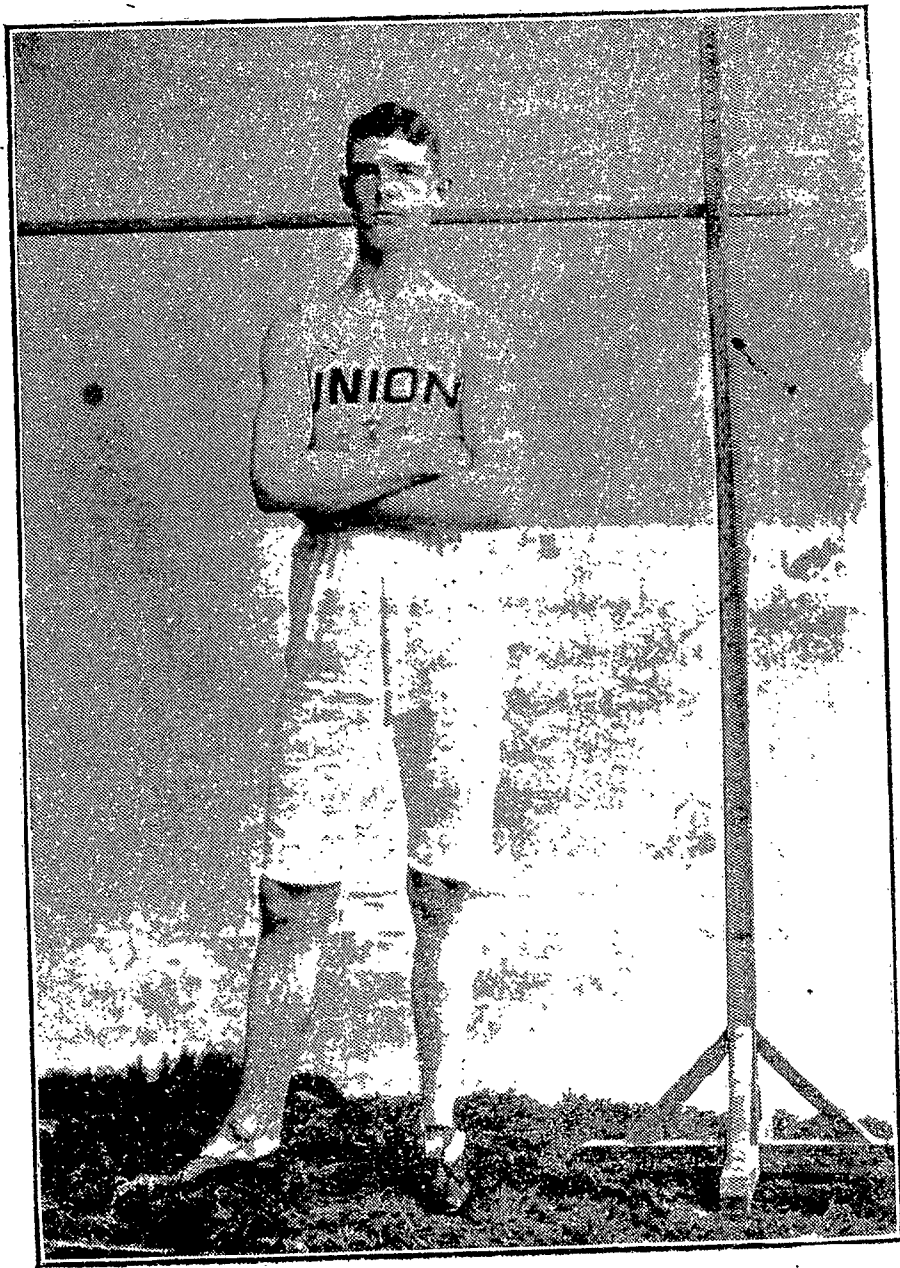

The first race ever won by Kilpatrick was on Aug. 31, 1888, a 150 yards dash, in the Caledonian club. After winning this race he was not again successful for three years, when he took first place in the 100 yards dash of the Y. M. C. A. Juniors at Albany. From this time he began to run long distances, and in '92 won several mile and half mile races. In Sept. '92, was won his first gold medal in, a half mile race. Time, 2 minutes 8 seconds.

The year of '93 was one of a great number of victories; he won twenty-six prizes and was not defeated during the year. The two most important contests in which he participated were the Caledonian games at Chicago and those of the Saratoga Athletic club. In each of these he won the mile and three mile races from some of the best men in the country.

Since entering college he has represented Union in the Williams-Union meet, the New York State Inter-collegiate meet, at the games at Berkeley Oval between the colleges of America, and again at those of the New York Athletic club, of which he was elected a member June 9. In all of these events Kilpatrick covered himself and his college with glory by winning everything he tried to win. He now holds the championship of the colleges of America in the half mile run with a record of 1:59 1-5. Union is to be congratulated upon having such an athlete in her ranks. And may Kilpatrick continue to win races and break records.

BRYAN OGDEN BURGIN,

Of Walton, N. Y., prepared for college at Sidney High school, where he graduated in '91. Mr. Burgin entered Union with the class of '95, and is pursuing a course in engineering. He is a society man, being a member of the Phi Delta Theta fraternity. He has always taken an active interest in athletics, and, as a member of the Sidney High

BRYAN OGDEN BURGIN.

School Athletic Association was successful in winning several prizes. Burgin has always done good work as a member of Union's athletic team, winning several points in various contests with other colleges. The class of '95, Union's "banner" class in track athletics, owes much to him for the many points he has won at the various class contests.

Mr. Burgin holds the Union college championship in the running high jump, his record being 5 feet 5 inches. In the field days this spring he has done excellent work; easily taking first place in the running high jump, both at Albany, May 19, in the meet with Williams college and at Syracuse, May 30,

at the annual field day of the N. Y. S. I. C. A. A. "Bobby," as he is familiarly called, jumps very easily and gracefully, rising just high enough to clear the bar. He has still one more year in college and there is every reason to hope that he will keep up his good work for "Old Union" as well in the future as in the past.

GLENN MASON SCOFIELD,

Of Norfolk, Neb., prepared for college at the Hermon High School, St. Lawrence Co., N. Y., and at the Norfolk High School, graduating from the latter institution in '90, and is now pursuing a course in engineering at Union.

He is a member of the Phi Delta Theta fraternity.

Since entering college he has taken an active interest in athletics, and as a member of

his class team, has won many points for the glory of '96.

Although this was his first season on the Inter-collegiate team he did excellent work at

The men who do not stay for the commencement exercises do not know what they miss. If it is possible stay for commencement.

All students who desire a copy of the commencement issue of THE CONCORDIENSIS should leave their names and addresses with J. M. Cass.

Those who still owe their subscriptions for the present volume of THE CONCORDIENSIS will confer a great favor on the editors if they pay said subscription at once. We need the money in order to close up our accounts and leave the credit of THE CONCORDIENSIS good for the succeeding board of editors.

Well, we have won another pennant and this is becoming so common at Union that it does not arouse the enthusiasm which such an event did in former years. The fact that winning pennants at Union is no longer an unusual occurrence does not, however, in the least detract from the credit which is due our base ball team and its manager and captain for the excellent work they have done the past season. The team in many respects has been the best that ever played ball for Union.

At the annual meeting of the Alumni association to be held next Tuesday an alumni trustee will be elected to succeed Kenneth Clark, '69. The most prominent candidate for the office is Gen. Daniel Butterfield, '49. General Butterfield needs no introduction to the students or alumni. We all know him as one of the most loyal of Union's sons, and one who has done a great deal for the college. The Butterfield lecture course is unparalleled in the history of American colleges, and its founder merits the praise which he has received from college men throughout our land. The alumni should show their appreciation of the work of the General and honor him by a unanimous election.

With this issue of THE CONCORDIENSIS the senior editor and business manager step down and out, and the new board will begin its duties with the commencement number. This volume of THE CONCORDIENSIS has had the distinction of containing the accounts of some of the greatest victories ever scored by Union teams. Pennants in foot-ball, track athletics and base ball have been won and THE CONCORDIENSIS has endeavored to present to its readers in attractive style these victories and to keep up with the rapid advance which the college has been making during the past year. If the compliments which we have received from journalists, alumni, faculty, undergraduates and friends are merited, we have been successful. We have given our subscribers more inserts and cuts than any previous volume, striving in this way to make more impressive the prominent events of the year. The use of these cuts has in some cases caused delays which we hope have been pardoned.

In conclusion we wish to thank the students and alumni for their support and all those who have so kindly aided us with literary material.

CONCORDIENSIS APPOINTMENTS.

The following men from the Freshman class have been selected to competitive positions on THE CONCORDIENSIS board: W. T. Cherry, R. E. Wilder, W. H. Robinson, F. P. Palmer and F. B. Boss.

The following men from '96 will also have positions in the board next year: W. A. Twiford, W. H. Hall and A. L. Peckham.

RECEPTIONS TO DR. RAYMOND.

Judge and Mrs. J. S. Landon gave a very pleasant reception at their home, Saturday, June 9th, in honor of Union's new President, Dr. Raymond. The clergy of this city and the faculty of the college, with their families, were present, and a very enjoyable afternoon was passed by all present. Dr. Raymond will soon take up his permanent residence in this city.

On Wednesday evening Dr. and Mrs. Wells gave a very pretty reception to the new president, the members of the faculty and the senior class. The pleasure of the occasion was increased by the presence of the glee and mandolin clubs, which rendered several vocal and instrumental selections. Refreshments were served, and the "profs" and the seniors reviewed incidents of the past four years. As the boys left they gave several yells in honor of Dr. Raymond and Dr. Wells.

KILPATRICK WINS AGAIN.

On Saturday, June 9, on Travers Island were held the fifty-second annual games of the New York athletic club. Union's famous runner, Kilpatrick, recently joined the New York athletic club and wore the club colors at the recent contests. Kilpatrick won easily the mile and half mile events. Being handicapped in the mile he won with such men as Morgan, Walsh and Jarvis as competitors. *The New York Times* says the following concerning the champion of Union:

"Kilpatrick bids fair to make his mark as a middle-distance runner. He is tall and slender, runs with good judgment, has an enormous stride and appears to cover ground with little effort. On the track he resembles Walter G. George, the great English runner, but his style is prettier than that of the professional. Kilpatrick is only nineteen years old, and with good handling he ought to keep on improving. He is a great repeater. In one set of games this year he won the quarter in 0:51½, the half in 2:07, the mile in 4:39, and ran third in the 220-yard dash. At the New York State intercollegiate meeting he was second in the quarter, first in the half, and first in the mile. At Berkeley Oval, in the intercollegiate games, he easily won the half-mile from Woodhull of Yale. In Kilpatrick the New York club has a man who will carry its colors to the front on many occasions."

Local and Personal.

The base ball team has been photographed.

The prizes won at Syracuse have been on exhibition at Hulberts.

Prof. T. W. Wright took the Juniors through the Edison works last Thursday.

Freshman examinations in physical culture were held in the chapel Thursday, June 14.

G. J. Sweetland, '97, was visited recently by his brother, E. R. Sweetland, of Dryden, Tompkins county, who will enter Union next fall.

The lot on the corner of Union street and Park place is being cleared up preparatory to the erection of the Alpha Delta Phi chapter house.

The class for Bible study was cancelled for the first Friday of this month. Prof. Ripton was compelled to be absent on business. The last session of the year.

Dr. H. E. Webster, our former president, and Dr. A. V. V. Raymond, his successor, were on the campus on Friday, the 1st, to witness the Union-Colgate game.

Prof. Truax rehearsed the Junior and Sophomore prize orators at the First Presbyterian church on Thursday of last week. The Junior Commencement orators rehearsed on Friday.

H. L. Baggerly, S. T. Braman, E. L. Auchampaugh, W. J. Van Auken and Harris Lee Cooke of the Senior class, were guests last week of Earl Furman, '94, at his cottage at Ballston lake.

The following Seniors have been elected to Phi Beta Kappa: Harris Lee Cooke, New York; Arthur Knox Doig, Scotia; Douglas Campbell, Schenectady; George Briggs Lynes, Middleburgh. Walter Luman Lawton, Nathan Beckwith and Richard Van Beusekom will receive Sigma Xi keys.

The *Albany Press and Knickerbocker* of June 4th published the following extract:

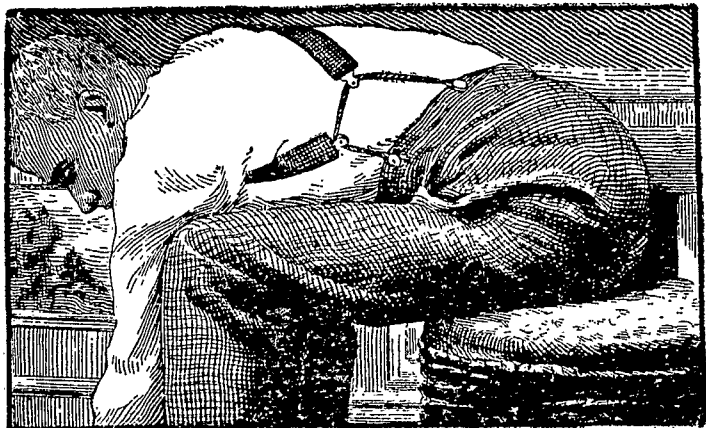

"Charles Kilpartick, the crack runner of this city and Union College, it is confidently expected, is the coming half-mile amateur champion.

"Kilpatrick will hereafter represent the New York Athletic club and will wear the club colors at the club meet next Saturday. He won the recent interstate half-mile and the inter-collegiate half-mile. At the games on Saturday next Kilpatrick will be pitted against Woodhull, whom he defeated May 26. Woodhull will make it a hot race.

The Mohawk club on Thursday evening, June 21, entertained at their elegant club house on Liberty street, the managers and members of the foot ball, base ball and track athletic teams, also the Mandolin and Glee clubs and the senior editors of THE CONCORDIENSIS.

At a meeting of the N. Y. S. I. B. B. A., held at Syracuse Friday, June 15, William Allen represented Union. Rochester and Syracuse were not represented. By unanimous consent of the colleges represented the pennant was awarded to Union. Hobart and Colgate stand tie for second place.

Rev. Dr. A. V. V. Raymond, the new president of Union College, recently obtained a double distinction in a single week. Williams College conferred on him the degree of LL. D., and he broke the record of the Adirondack League club as a fly fisherman. On May 24, on the West Canada creek, with three casts of the fly he took five speckled trout, averaging over a pound each.—*Mail and Express.*

Syracuse, breaking the existing record in the running broad jump with a pretty leap of 20 ft. 6½ in., thus making him champion of the N. Y. S. I. C. A. A. in this event.

We hope that during the ensuing two years of his college life he will continue in his good work and win honors for himself and "Old Union."

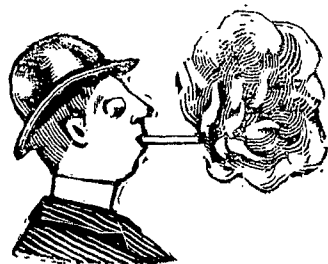

NEW BUILDINGS FOR UNION.

Richard T. Anable, an architect of New York city, is designing two new buildings for Union College, which are to be erected next year to celebrate the centennial anniversary of the foundation of the college, in 1795. The proposed buildings will complete the original quadrangle as designed by Dr. Nott by extending the present Washburn hall around on either side to meet the two main buildings. The buildings are designed for dormitories and recitation rooms. One will be called Nott Hall and the other Centennial Hall. It is hoped to raise a Centennial fund of \$200,000.

It is also said that either a new gymnasium or an indoor track will be built during the coming year, so that the athletes of the college may have better accommodations.
