3. Course Leading to the Degree of Ph. B.
4. General Course Leading to the Degree of B. E.
5. Sanitary Course Leading to the Degree of B. E.
6. Electrical Course Leading to the Degree of B. E.

This differs from course 4 in substituting special work in Electricity and its applications, in place of some of the General Engineering Studies. This course is offered in co-operation with the Edison General Electric Company, under the immediate supervision of Prof. C. P. Steinmetz

7. Course Leading to the Degrees of Ph. B. and B. E.—A six-year course covering all the work of Course 4, and including much of Course 3, the literary studies being distributed through all except the last year. The qualifications for admission are those required in both courses, and at the conclusion the two degrees are given.

8. Graduate Course in Engineering Leading to the Degree of C. E.—A course of one year offered to graduates of courses 4, 5 or 6.

THE NEW SCHEDULE.

For some time past Prof. Garis has been working hard to arrange a schedule that might be made permanent and yet would meet all the needs of the elective courses. He has succeeded in making such a schedule and at a recent meeting the educational committee adopted the plan.

According to the scheme the electives in all courses will be chosen from certain groups. He has so carefully worked this out that on comparing the electives in courses during the past four years he found only eight conflicts and some of these were extra electives. The schedule for the entire college course will be printed in No. 1 of the College Bulletin and thus it will be possible for the student to pick out his electives for his four years in advance.

As provided by the schedule, the hours of recitations will be the same for the three terms. There will be four hours in the morning, from 8 to 12, and three in the afternoon, from 1:30 to 4:30. In the fall and spring terms chapel service will undoubtedly be at fifteen minutes before eight and in the winter term it will probably be put at 12. This will go into effect the coming winter term.

This schedule has been planned with an effort to accommodate all those students who work at different places in the city, as well as to make it suitable to all others concerned. Following are the groups with the day and hour on which they come:

LIST OF ELECTIVES FOR ALL COURSES.

[For limiting conditions, see statements of respective departments.]

Junior Groups.

A total of seven hours is required.

The number of hours per week and the times of meeting are indicated after each subject.

The students may choose any subjects not conflicting. Subjects that conflict have been placed in the same group.

GROUP I.

- A. American History (3 hours) M., W., F., 8-9.

- B. Solid Analytic Geometry, Differential Calculus (2 hours), W., F., 8-9.

GROUP II.

BASKETBALL.

Season's Prospects Bright—Colgate Forfeits Two Union Games.

With every player on last year's basketball team back in college and a number of Freshmen, with good basketball reputations, to draw from, there is every reason to believe that the coming season will be the most successful since the sport was introduced at Old Union.

A fact which will contribute largely to the success of the season and be of great interest to the student body is that the home games will be played on the Armory court instead of in the gymnasium, where it was impossible to accommodate a large audience. The Armory court is one of the finest in this part of the State, and for the Union team to have the use of it will undoubtedly be the means of bringing better teams here and placing the sport on a paying basis.

Manager Clark has arranged seven games, which are still to be ratified by the athletic council, and three or four additional ones are under consideration. The schedule to date is: Hobart at Hobart, January 8; Rochester at Rochester, January 9; Hamilton at Clinton, January 15; Cornell at Ithaca, January 16; Rochester at Schenectady, January 23; Hobart at Schenectady, February 6, and Hamilton at Schenectady, February 17. It is possible that Tufts and Brown will be added to the schedule. Colgate has forfeited its two games for reasons unknown.

Captain W. Brown will issue a call for candidates on Monday, and practice will be held regularly every week.

NOTICE TO FRESHMEN.

Men in the Freshmen class who desire to participate in the Freshmen Sophomore games to be held on November 21st are requester to hand their names to Trumbull, '12, or Clark, '12.

Twenty-five men are needed for the tug of war team; eight men for the relay race (each man to run 110 yards); three men to run the 100-yard dash; three men weighing under 125 pounds for lightweight wrestling; three men under 150 pounds for middleweight wrestling, and three men over 150 pounds for heavyweight wrestling.

THE CARNIVAL OF SPORTS.

Judging from the unusual interest which has been manifested in track work this fall, especially by the members of the entering class, the Sophomore-Freshman dual meet on the Campus on Nov. 21 will be the most successful fall contest held in many years. Ever since college opened, track practice has been held daily under the coaching of Dr. McComber and Captain Rankin and many new men have greatly improved their skill so that the meet will be a fitting close to the season's work.

A large number of candidates have registered and the contest will bring out the best material in the two under classes.

Following are the regulation events and officials for the meet and the football game:

Entries.

Each class shall enter its entire list of contestants with the physical director of the college not later than Friday, October 30th.

Events.

1. 100 Yards Dash—5 points. A. To be run on the football field. B. Three contestants from each class. C. Five points to winner only. D. Varsity football men may compete.

2. Wrestling—A. All wrestlers shall weigh in to classify not later than Friday, Oct. 30. B. Style—Catch-as-catch-can. C. Varsity football men may compete. D. Classes—

1. Lightweight; 125 pounds or less; 15 points; three bouts of one fall each; five points for each bout.

2. Middleweight—125 pounds to 149; 15 points; three bouts of one fall each; five points for each bout.

3. Heavyweight; 150 pounds and upward; 15 points; three bouts of one fall each; five points for each bout.

3. Half-Mile Relay Race—10 points; teams of eight; each man runs 110 yards; military style; varsity football men may compete.

4. Tug of War—15 points; teams of twenty-five; varsity and class football men barred; no spiked or cleated shoes shall be worn by any contestant; no holes shall be dug in the ground; time of contest, 3 minutes.

5. Football Game—25 points; varsity football men barred; two fifteen-minute halves; eligibility of football candidates to be announced Monday, Oct. 26.

Committees of Arrangements.

Financial—Brunet, chairman; Faust, Welles, Brown.

Athletic—Rankin, chairman; Potter, Starbuck, Roosa, Chapman.

Officials.

100 Yards Dash and 440 Yards Relay Race—Referee, E. T. Grout; starter, S. A. McComber; judges, E. T. Grout, C. W. Rankin, J. A. Streibert, A. G. Dennis, G. W. Roosa, J. B. Chapman; timers, E. Felthausen, R. Ury, H. E. Starbuck.

Wrestling—Referee, E. Felthausen.

Tug of War—Starter, S. A. McComber; judges, same as for races.

Football—Referee, W. Murray; umpire, E. T. Grout; field judge, C. Potter; head linesman, P. Shutler.

COLLEGE MEETING.

The college meeting on Monday morning was well attended and much enthusiasm was shown over the result of last Saturday's game with Hobart.

Starbuck spoke on our victory over Hobart and said that it was very evident that there is no place like home for playing football, as we haven't lost a home game this season.

Captain Potter spoke on the coming game with N. Y. U. and asked all the fellows to come out to the song and cheer practice on Wednesday afternoon.

Dr. Macomber spoke on the bowling tournament which is to be held in the alleys of the city Y. M. C. A. and suggested that several teams be organized to compete in this tournament. He also announced that voluntary gymnasium classes will be held every afternoon.

Faust, '09, announced a Glee Club rehearsal for Monday evening.

Faust also announced the Y. M. C. A. meeting on Tuesday evening and encouraged all the fellows to be present.

Wachter spoke in behalf of the Y. M. C. A. and urged all the fellows to attend the Tuesday evening meeting.

Schaupp announced that the Mandolin Club would hold a rehearsal on Tuesday afternoon and another on Friday evening.

The meeting closed with the singing of Alma Mater.

The N. Y. U. Game. To-morrow our team will line up against her old rival New York University for the last game

of the season. Some have said that the success of the season will depend upon this game, that is the success of victory over a majority of our opponents. To a certain extent this success of victory is considered the essential attribute of all athletic contests. But let us pause a moment and consider the other phases of what some might call success, our college spirit, that love of fair play and of Old Alma Mater never reached so high a pitch in the history of Old Union as this year. No one will deny that the cheering and the outbursts of enthusiasm which came to a head during the actual games assisted in a great measure the winning of our games and spurred on the players to their maximum efforts.

This spirit inspired in the hearts of all our undergraduates cannot die with our advent from college and so will keep us close to that *Mother* who has sheltered us in the preparation for our life work. We cannot from the very nature of things help but feel great enthusiasm in all our life contests from such close association to the college spirit of Old Union and be inspired with a spirit of fair play whatever may be the contest and goal. And so to us the season has been a most successful one, no matter what may be the world's verdict as to our actual victories. This does not mean that we are going to lose this our last game but we are going to win it and obtain an unbroken laurel instead of the pieces of one. So that this fall not only the team but the all men in college can feel that they have done their duty and done that duty well. We can at least rest assured that our spirit of loyalty and fair play have not gone unnoticed from an editorial in the Roches-

ter Campus: "Our teams always return from Schenectady with tales of the splendid treatment they received there. A reputation of this sort is worth more than a remarkable athletic record, for it shows the stuff of which a student body is made."

A word is in order in regard *Literary* to literary work for the "Concordy." The fellows have come to consider the "Concordy" work a joke or at least a duty that should fall upon the members of the board alone. The board have to scurry around for news items that they think will be of interest to their readers and will ward off some of the continual knocking, which is always present to a greater or less degree. We wish the fellows would band in some literary articles or little snatches of poetry which they compose in idle moments. Perhaps your work does not appeal to you but hand it in and let the editors pass on its merits. The "Concordy" is your paper and the editors only your agents to see to it that your representatives are assisted as much as is in your power. If anything about college or any actions of the different bodies displease you or meet your approval, use your pen for a few moments in composing an open letter to better the evil or give strength to the proposed innovation.

From the talks given by Y. M. C. A. the representatives of the different classes and Faculty last Tuesday evening we conclude that it is the duty of every man in college to support the Christian Association. Dr. Barnes' remarks sounded the keynote of the question and not only that but also showed to our mind the true basis of this Association. This body is to

promote not so much the religious beliefs of the men as to help raise their morals. It should provide a place where the fellows can obtain recreation and still maintain that lofty moral atmosphere which makes God-fearing men. At present the college has no common society in the true sense, indeed, we do hold chapel meetings where some few speak and we sing our songs, but the real brotherhood which arises from close association with each other is lacking. In overcoming this we would suggest an increased enthusiasm in the support of this movement. The Christian Association is the solution for this lack of social intercourse and the sooner we remedy it, the better for all concerned.

HARVARD'S NEW DEGREE.

With the opening of this academic year, Harvard inaugurated a new branch of study. It is called the graduate school of business administration, and its degree is M. B. A. The "Official Register" of the University says concerning it: "The school aims to give thorough and scientific instruction in the fundamental principles of business organization and administration, and to present such a range of elective courses that each student may receive the special preparation which is suitable to the requirements of the business career he proposes to enter." In order to obtain the degree of master of business administration, two years of study and residence are required, and a longer period may be necessary. The instructors are all men of high rank, among whom are M. L. F. Schaub and Mr. Edgar J. Rice.

Harvard is the first college to establish such a course.

Football

UNION EASILY ROLLS UP A BIG SCORE AGAINST THE HOBART TEAM.

Hobart, 5; Union, 38.

Last Saturday the last home game of the season was played on the Campus with Hobart. The day was ideal for football, but rather cool for those who occupied the bleachers, and yet there were about 1,000 present to witness the game. The team, although somewhat crippled yet, showed that it has been working hard the past week, and that it will go to New York strong enough to gain a victory over N. Y. U., and thus close the season with a victory.

The game with Hobart was not a very hard one, because the Hobart team was not very strong, only a few times holding the Garnet team. There were no especially good individual players on their team, with the exception of Wood, at quarter, who put up a fine game, making good gains several times on quarterback runs. Although he injured his knee in the last half he stayed in and played the entire game. They should have had no score, but one man got through the line on an attempted forward pass by Union, caught up the fumbled pass and carried it 20 yards for a touchdown, their only score.

For Union, every man played a good game and each deserves much credit. The game showed that there are many good substitutes, for in the last half a team composed principally of substitutes was put in, and yet was able to rip up the Hobart line for good gains.

The game was clean and there were only one or two men taken out because of injuries and none of these were at all serious.

In the first half Hobart kicked off to Doran Brown on the 20-yard line, and he returned it 30 yards. Then using straight line bucks Union rapidly advanced the ball the remainder of the field and in less than five minutes of play Hequem-bourg carried the ball over for a touchdown. Doran missed the goal.

Score—Hobart, 0; Union, 5.

Union then kicked off to Hobart, and the ball was returned 15 yards. Hobart was held for

downs and punted to Starbuck, who returned it 15 yards and then in a few minutes more, by straight line bucks, Hequem-bourg was put over for a touchdown. Doran kicked the goal.

Score—Hobart, 0; Union, 11.

Hobart kicked off to Stewart, who carried the ball to Union's 25-yard line. Here a forward pass was attempted, but before the ball was passed a Hobart man went through the line, obtained it and carried it 20 yards for a touchdown. Goal was missed.

Score—Hobart, 5; Union, 11.

Hobart kicked off to W. Brown, who returned the ball 20 yards. Here Union was held and Stewart punted, the ball going out of bounds, and Hurlburt recovering it. Then the ball was rapidly advanced down the field and W. Brown carried it over for a touchdown. Doran missed goal.

Score—Hobart, 5; Union, 16.

Hobart kicked off and the ball was returned 30 yards. Here two forward passes were tried by Union, but both failed and Union was penalized 30 yards. Stewart punted to center of field, where Hobart was held, and punted to Union. Then Kriegsman made a 25-yard run, D. Brown one of 20 yards and then "Buster" went over the line for a touchdown. Doran kicked the goal.

Score at end of half--Hobart, 5; Union, 22.

The second half was practically a repetition of the first, with the exception that a sub team was put in and yet made good gains on every down. There were 16 points made by Union in this half and the game ended with the score 38 to 5 in Union's favor.

During the game the following substitutions were made:

Walton for Vedder; Kriegsman for H. Stewart;

DR. ASHMORE A GUEST OF HONOR.

Dr. Sidney G. Ashmore was one of the American guests of honor at the banquet of the subjects of Great Britain at the Mohawk Club last Monday night. The dinner was in honor of His Majesty, King Edward VII., whose birthday they were assembled to celebrate.

Dr. B. W. R. Taylor of St. George's Church presided as toastmaster and Dr. Ashmore responded to the toast "The British Empire."

The menu cards showed the "Stars and Stripes" and the "Union Jack" intertwined. The songs of the land of their adoption were sung with the same enthusiasm as "Rule Britannia" and "The Soldiers of the King," the songs of their native land.

WITH THE DEBATERS.

Debating Council Decides to Meet Colgate in Debate.

The Debating Council held its regular meeting on Thursday, November 5th.

Mould, corresponding secretary of the council, read a letter from Colgate, stating that they would like to enter on debating relations with Union. It was decided to hold a debate with them, provided that arrangements could be made to hold it in the spring at the time when the Rutgers' debate has previously taken place.

The council discussed the advisability of holding the Allison-Foote debate earlier in the year in order that more time might be given to the intercollegiate debate with Hamilton.

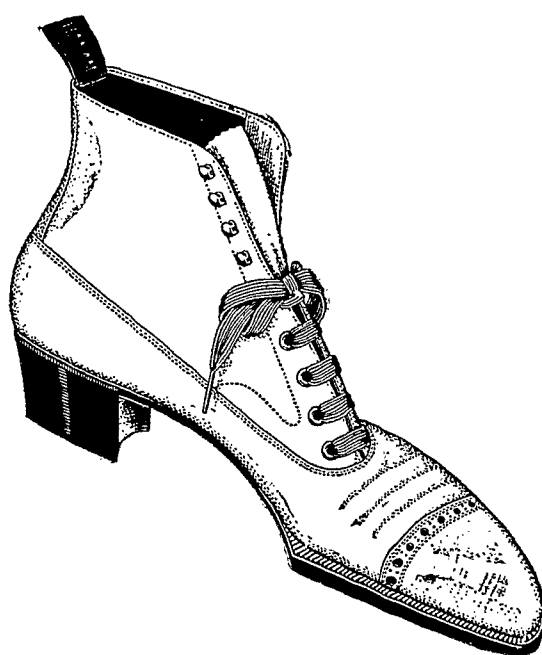

The council finally went on record as being in favor of January 15th as the date for the Allison-Foote debate.

The two societies have been holding their regular weekly meetings and much interest has been shown in the debating work, especially by the Freshmen.

The Freshmen of the Philomathean Society have issued a challenge to the Freshmen of the Adelpic Society. This debate, if arranged, will take place some time in December.

The Adelpics are planning to hold a debate between the Freshmen and Sophomore members of their society.

FACULTY ON INSPECTION TRIP.

Arrangements for the tour of inspection of the local sewage disposal experiment plant by the Society of Engineers of Eastern New York on Saturday are being made by the local city engineer and the members of the sewer committee of the Common Council. It is expected the inspecting party will number about seventy chemists and engineers.

Among those who will be in the party is Willis G. Tucker, former State bacteriologist and chemist, and at present professor of chemistry and toxicology in the Albany Medical College. Another well known scientist will be O. H. Landreth, dean of civil engineering at Union, and also Chief Engineer Horton of the State Board of Health.

The party will arrive in this city at 2:30 o'clock Saturday afternoon by special car from Schenectady.

ANNUAL MEETING OF EASTERN NEW YORK BRANCH OF CHEMICAL SOCIETY TO BE HELD HERE.

The annual meeting of the eastern section of New York of the American Chemical Society is to be held in this city in the chemical laboratory of Union College, Friday, December 11, at which time officers are to be elected for the year to succeed Prof. W. R. Whitney, president; Dr. Edward Ellery, vice president, and F. C. Zapf, secretary-treasurer, all of this city.

The eastern section society was in session at Albany Friday evening, Nov. 6, at which time Dr. Willis G. Tucker, dean of the Albany Medical College, gave an address on "Faraday—His Life and Work." The meeting was held in the chemical laboratory at the Albany Medical College. At this meeting, which was attended by Dr. Edward Ellery, professor of chemistry at Union College; Prof. W. R. Whitney, Dr. W. D. Coolidge, E. Fink and F. C. Zapf of the research laboratory, General Electric Company, Dr. Coolidge, M. A. Hunter of Troy and Dr. W. G. Tuck of Albany were appointed a committee to nominate candidates for the several offices to be filled in December.

At the annual meeting Dr. Ellery will read a paper, which he is preparing on a subject relative to chemical research. The eastern section was organized last December, and covers the eastern section of the State, from Little Falls on the west and Hudson on the east.

Copied from the Virginia Tech.—"There will be a keg party during the evening of October 3, on the Great Divide. All regulars please report. Bring dippers."

AWAKENED INTEREST IN THE Y. M. C. A.

Enthusiastic Meeting Tuesday Evening.

The new spirit at Union this year seems to have found full expression in the Christian Association. Probably never before in the history of the college has there been such a Y. M. C. A. meeting as was held in Silliman Hall last Tuesday evening. From every point of view the rally was a success. The attendance was unprecedented, and throughout the meeting a spirit of unusual enthusiasm and earnestness marked the discussion.

The first speaker was Dr. Frank C. Barnes, the secretary of the faculty, who presented a faculty viewpoint of the Y. M. C. A. and suggested that the Y. M. C. A. could be a great help to the college by bringing about more social intercourse and fellowship in the student body.

Lewis, '09, president of the student body, said that the fellows were beginning to realize as never before the importance of the Y. M. C. A. in college life, and entered an urgent plea for loyal support of its work.

Hutchens, '10, assistant football manager, spoke as the representative of the junior class. He said that many of the fellows are guilty of spiritual indifference, and that no student could become a well educated, well rounded man, unless he develops the religious side of his life. He then went on to say that the speakers at the meetings of the Christian Association were all men whom the fellows ought to hear.

Travis, '11, Union's best long-distance runner, was introduced as the next speaker. He said that the reputation of our college in the eyes of the outside world is formed in very large measure by the moral standard of the college and that this standard is determined by the influence of the Christian Association. He showed by concrete example that the college in which the Y. M. C. A. is weak and receives poor support is the one that receives unfavorable comment on its moral life.

Potter, '12, spoke for the Freshman class, urging all Freshmen to join the Y. M. C. A. and to support its work, saying that not all can help the college through athletics, but that everyone can help raise the tone of the college by supporting the association.

After the regular program there was an in-

formal discussion. Potter, '09, captain of the football team, spoke for a few moments, and Dr. McComber made an especially urgent appeal in behalf of the Christian Association.

At the vesper service last Sunday Dr. George R. Lunn gave an excellent talk on "The Value of Prayer." Next Sunday Dr. Stevenson of the Presbyterian Church will speak.

After the meeting next Tuesday evening the first regular meeting of the Dean's Bible Class will be held. It is hoped that the fellows will appreciate Dean Ripton's course, as he is a remarkably good leader and never fails to bring up helpful and interesting thoughts.

Daniel M. Van Auken, a prominent citizen and many years a leading member of the bar of Pike County, Pa., died in his home near Milford on Friday of debility. He was 82 years old. He was graduated from Union College in 1852 and was admitted to the bar in 1855. He was elected to Congress in 1866 and re-elected two years later. He served nine years as district attorney of Pike County and conducted the famous Schultz murder trial.

1-4 SIZES

UNLESS you wear Regal Shoes, the chances are that you've often bought ill-fitting, uncomfortable shoes, rather than take the time and trouble to go from store to store, hunting an accurate fit.

That's all unnecessary.

Regal Quarter-Sizes give you *double* the assurance of a perfect fitting--- because they provide a special *quarter-size in between* each regular half and whole size.

No other shoes give you this advantage.

The 243 Regal styles for this season are exact reproductions of the made-to-order metropolitan models.

The name REGAL is itself a guarantee of style-correctness and highest quality.

And Regal Shoes are sold directly from the factory to *you*, with all intermediate profits eliminated. Nowhere else in the world can you obtain equal shoe value at anywhere near Regal prices.
