No. 7

UNION'S EARLY ALUMNI.

(Chester A. Arthur).

✓ In the class of 1848 there graduated from Union College at the age of eighteen a young man, who has since been described as "the most courtly, accomplished, and graceful President of the United States since the days of Madison." That distinguished alumnus was Chester Alan Arthur.

All of his education was received in Schenectady, first at a private academy and then over on the hill at Union. As a student he was remarkably popular, and although during his sophomore and senior years he taught school to help defray his college expenses, he graduated with more than the usual amount of honors.

After graduation Arthur became principal of a school, studying law at the same time. In 1855 he entered a law office and took up the legal profession as a partner in a firm of wide reputation.

At the outbreak of the Civil War Arthur was appointed quartermaster-general of the New York State troops, and his was the tremendous task of organizing, quartering, uniforming and equipping her quota of men. In all he sent fully seven hundred thousand men to the front to battle, one-fifth of the entire force that was raised. That the future President fulfilled this office in a highly efficient manner is shown by the following statement of one of his comrades: "Let the soldier of New York State first express his gratitude to the great quartermaster-general who fed and clothed us, and watched over us with a father's care."

In this connection it is gratifying to note that no less than three hundred Union College men, graduates and undergraduates, served their country during the civil strife. Many of these arose to distinction and brought honor to their Alma Mater and glory to the flag. Union College nobly

fulfilled her mission to the nation in those hours of direst need.

Although no unusual events distinguished Arthur's administration as Chief Executive of the United States, he was a dignified President, always loyal and patriotic. His sole ambition, as expressed in a speech of his soon after his inauguration was to enjoy the confidence of his countrymen. This ambition was fulfilled to a remarkable degree. The same qualities that had made him so popular in his college endeared him to the hearts of his people.

ROCHESTER 4, UNION 0.

Once more the Garnet colors were lowered in defeat on the gridiron for the series of 1907 games, when Rochester, in one of the closest contests of the present season clipped off a victory by the score of 4-0, after a game that was pregnant with opportunities for a victory.

No hard luck story attends the history of the game, as it was a clean, well played contest from both sides. The score cannot be taken as an accident as it was made after an unsuccessful attempt of McNab's for a field goal, that was only missed because of the time taken in recovering a poor pass from center. Rochester has a team the equal of Union in every respect, with a capacity for interference and team work that the Garnet lacks, due, no doubt to the fact that this is the first year on the gridiron under the new rules. Union had one opportunity to score in the first half, and Rochester twice was held on the five-yard line of the Garnet defence without gaining the coveted distance for a touchdown.

Jewell played a fine game at quarterback after McNab was taken out on account of injuries, and he made some excellent running catches of the tricky Rochester on-side punts.

Union had a slight advantage on the score of gaining ground, the record showing that the Garnet gained 143 yards by line bucking to Rochester's 128, while the gains on punts run back were 105 yards to 59 yards.

The Game.

Rochester opened the game by kicking off to Streibert on Union's 5-yard line, and he advanced the ball about 10 yards. Union was held and Riggs punted 45 yards to Rochester who returned the ball a short distance. Rochester was held for downs and Union received the ball in mid-field. Union was held and Riggs punted to Rochester's 20-yard line where the ball was held. Rochester then tried an on-side kick. McNab received the ball and returned it 10 yards. Then by end runs and line bucks the ball was carried to Rochester's 5-yard line where it was lost on a fumble. Rochester punted to her 30-yard line soon recovering and punting 25 yards. McNab advanced 10 yards. Union was held for downs, and Rochester gained ball on her 35-yard line. Here she was held and punted to Union's 30-yard line. Union was penalized 15 yards on second down, so Riggs punted to Rochester's 45-yard line and the ball was recovered by Wright.

Tompkins made 6 yards on a forward pass. After a slight gain Rochester was penalized 5 yards. Hequembourg made three yards on two plays so Capt. McNab tried a drop kick from Rochester's 40-yard line which failed by a narrow margin on account of a poor pass. Rochester kicked out from her 15-yard line to Nellis. McNab was injured and Jewell replaced him. After no gain in two downs Riggs punted to Rochester's 30-yard line and the ball was returned 5 yards. Rochester was held for downs and punted 35 yards out of bounds. Riggs punted to Rochester's 40-yard line and ball was advanced 5 yards. An exchange of punts followed and the half ended with the ball in Rochester's possession near the center of the field.

Riggs began the second half by kicking to Rochester's 20-yard line after Union had been penalized 5 yards for being off side. By an exchange of punts the Rochester team obtained the ball near the centre of the field and rushed it down to Union's 5 yard line where they were held for downs. After Riggs' punt Rochester again

rushed the ball for downs. Tompkins was here replaced by Miller. On Riggs' punt out, Joy made a fair catch on Union's 35-yard line and Pray kicked a beautiful and difficult field goal. Score Rochester 4, Union 0.

Riggs kicked off to Rochester's goal line and the ball was advanced 10 yards. From this point Union outplayed Rochester and it was only on flukes that they were hindered from scoring. Time was called with the ball in Rochester's possession in her own territory.

Now that the football season is drawing to a close, interest is centering in basketball. With seven 'Varsity men back in college beside practically the whole scrub, and with an unusual number of freshmen with good reputations, Union should have a team this year of which she may well be proud.

The storm windows have been put over the windows of Washburn Hall during the week.

UNION 5, TRINITY 45.

Lacking the strategic ability possessed by their opponents, Union went down to defeat in the Trinity game on Saturday by a score of 45-5. In no previous game this season has our lack of ability to get into the plays for downright team work been so contrasted against a system of perfect interference and playing.

The whole story is summed up in the fact that Union was clearly outplayed by the Hartford team. At no time during the game were the visitors in imminent danger of losing the contest, and by the stellar work of their fullback, Xanders, and their quarterback, Pond, they gained large distances by cleverly working the forward pass, and a double pass on end runs, in some cases the ball being sent forward after two men that had carried it were downed.

Union tried for the first time a clever line-up that gained good distance several times, but the heavier visitors generally managed to prevent very large gains. In the second half on a fumble "Buster" Brown proved the hero of the occasion, by catching a fumbled pass from the Trinity team, on Union's ten-yard line, and running over for a touchdown. Every individual man on the Garnet team played his best, and in many instances flashes of excellent playing lightened up the dismal prospect of a total annihilation. Jewell at quarterback pulled the team out of tight places time after time, while Hequembourg, Streibert and acting captain Potter ripped through the solid line of the Trinity defence for good gains. Our two ends were in every play, and cleverly broke up many attempts, in so doing tackling their heavier opponents for losses several times. The story of the game is as follows:

First Half.

The play started with a 40-yard kick-off for Union by Riggs. Trinity received the ball on their 15-yard line and advanced by end runs and an outside kick toward Union's goal. *

The playing was marked by the excellent work of Streibert, Hequembourg and Lefferts, but the Garnet boys seemed to be unable to stop the enemy, and so after about five minutes of play, Trinity made a touchdown and kicked the goal.

Union again kicked off, Riggs sending the pig-skin to the 5-yard line. Trinity punted and Jewell caught the ball on the 45-yard line. The wearers of the Garnet advanced down the field by a series of line bucks and end runs but tried an on-side kick and lost the ball to the enemy.

Trinity was held and forced to kick and Union made several gains but again lost by the failure of an on-side kick. Trinity then made an end run and scored again. They kicked the goal, making the score, Trinity 12, Union 0.

Riggs kicked off to the 5-yard line and Trinity advanced to the 20-yard line but were forced to punt. Hequembourg then made a run around the end for 35 yards and by line bucks the ball was sent forward for several gains. Trinity got the ball on a fumble and made a run of 30 yards, which would have resulted in another touchdown had it not been for the fine tackle made of Jewell. Trinity then gained rapidly and made another touchdown, also kicking the goal.

Score, Trinity 18, Union 0.

Riggs kicked off for the fourth time and the ball was brought back to the middle of the field by Trinity and stayed there several minutes, fluctuating from side to side until with only two minutes of play left, the visiting team got the ball on a fumble and by quick work sent it over for another touchdown. They then kicked the goal and brought the score up to 24 to 0 when time was called.

Second Half.

Trinity kicked to the 15-yard line and through a fumble they regained the ball on the 20-yard line. During this play Riggs was knocked out by slugging and although physically unfit, returned to the game. Trinity then worked the ball quickly over the Garnet goal and made a touchdown but failed to kick the goal. Score Trinity 29, Union 0.

Riggs kicked off to the 10-yard line and Trinity advanced to the 40-yard line where Union got possession of the ball on downs. Union tried a forward pass but lost the ball on a fumble. Riggs was taken out of the game at this time and "Buster" Brown went in.

The ball stayed in the middle of the field for some time and fluctuated from side to side, Potter, Lefferts, Brown and Streibert playing a star

game for the home team. Nellis was laid out for a short time, but returned to the game with renewed energy.

Trinity finally gained the ball and ran it down the field and over for a touchdown on one of their fake plays. They missed the goal but the score stood 34 to 0.

Tompkins was taken out of the game at this point and Miller went in. Lefferts kicked off and Trinity brought the ball from the 10-yard line to the 40-yard line. They tried a line buck and were penalized for slugging. Their next play was a forward pass which did not succeed and for which they were penalized another 15 yards.

They were held for downs and Union received the ball on the 35-yard line. They tried a series of line plays and through the work of Jewell and Streibert placed the ball on Trinity's 5-yard line, where they tried a forward pass and lost the ball on a fumble.

The ball went to Trinity on their own 15-yard line and they tried one of their fake plays and in passing the ball "Buster" Brown grabbed it and ran over the line for Union's only score. The goal was missed but the score was Trinity 34, Union 5.

The score heartened the men and when play started again they went into the game with renewed vigor.

The Garnet kicked off and Trinity brought the ball back to the 20-yard line. From there they gradually succeeded in working down the field and scored again but missed the goal.

Score, Trinity 39, Union 5.

Union kicked off again and there followed a repetition of the first part of the game. The home team tried to hold but the visitors gradually gained ground.

The visitors were penalized twice and, for Union, Wright, Streibert and Shuttler put in some nice work. At that time Trinity tried a multiple forward pass. They passed the ball six times and gained from their own 40-yard line to Union's 10-yard line. From there they easily put the pigskin over the line and kicked the goal.

The teams lined up again and Union kicked off to the 10-yard line, but time was called just as the Trinity man was dropped.

Final score, Trinity 45, Union 5.

The line-up follows:

Union.	Trinity.
Tompkins (Miller)	Gildersleeve
	Left End.
Bennett	Carroll
	Left Tackle.
Peck	Woodell

Lefferts	Faxten

Lord Avebury was recently elected Lord Rector of St. Andrews University. It was expected that Andrew Carnegie, who has held the office three terms; would again be a candidate, but he withdrew in favor of Lord Avebury.

IN THE GYM

Last Wednesday the gymnasium opened, under the direction of Dr. McComber, for voluntary gymnasium work and for basketball practice. So far many students have been present every afternoon, the freshmen especially coming out in large numbers. Up to this time all the work has been drilling, dumb-bell work, jumping and vaulting.

On Mondays, Wednesdays, and Fridays the gymnasium will be open from 4:00 p. m. to 5:45 and the class work usually last from 4:00 until 5:15, when a game of basketball is started. On Mondays, Tuesdays, and Thursdays the gymnasium is opened at 5:00, the period from 4 to 5 on these days being given up to Varsity basketball.

During voluntary classes, special attention will be given to those who are in need of special work for the remedying of any physical defects. Dr. McComber himself will pay personal attention to every man, and will direct the courses of work.

Later in the season training for some of the coming relay races will be instituted.

SOPHOMORE DANCES

The Sophomores held a class meeting last Wednesday and decided to carry on the series of hops which, previous to this year, have been conducted by the Junior Class.

Ferguson has been appointed chairman of the committee, the remainder of which will be made known later. There will be a meeting of the committee immediately to decide on a name for these functions, set the necessary dates, and make such arrangements as will make them a decided success in every way.

Van Deusen '10, Chaffee '10, and Cavert '10 have been attending the Student Volunteer Conference which was held in Rochester from Nov. 8th to 10th. A feature of one of the meetings was an address by Hon. Chester A. Holcombe, a graduate of Union College in the class of 1861.

The Kappa Alpha Fraternity entertained the upperclass men of some other fraternities with a formal dance at the chapter house Friday evening.

COULD E. F. A. BEAT
UNION COLLEGE?

ACADEMY BOYS LOOKING FOR
GAME AGAINST FORMER
SCHOOLMATES — CAPT. CUN-
NINGHAM SHOWS HOW CON-
TEST WOULD RESULT.

The Academy boys are anxious to get a football game with the Union College team on which there are three E. F. A. players of last year. They figure that they can whip the college team on the Maple Avenue grounds and Manager Riley is opening negotiations in the hope of scheduling a game for the last Saturday in November.

Riggs, Berry and Miller, the three Elmira boys on the Union College team, are the stars of the aggregation. Captain Cunningham has the deal doped out like this:

West High School of Rochester defeated Rochester University six to nothing. Binghamton defeated Rochester West High School five to nothing. E. F. A. defeated Binghamton 12 to 2.

Therefore E. F. A. would beat Rochester University 18 to 0. Rochester University defeated Hamilton, which ran away with Union and therefore E. F. A. would have little trouble in disposing of the Union College team.

It would be a great game and would attract a very large crowd.

IN THE ALBANY DEPARTMENTS

Dr. Hoffman will deliver a series of lectures before the members of the Students' Club on Sunday afternoons.

Dr. Hoffman will speak on "The Bible and How We Came by It," basing his talks on the general topic of religion and its development, paying particular attention to the ancient Hebrew ideas and their Scriptures.

The lectures give promise of proving very popular to the club members, and large attendances are looked forward to.

MONDAYS NOW.

With this issue of the CONCORDIENSIS comes a slight change in the policy of editing the paper. Hitherto it was printed Saturday mornings, and all of the occurrences of the latter part of each week were necessarily omitted.

It has, therefore, been deemed advisable to hold over publication till Monday, when all the news of the previous week can be incorporated. We hope this will meet with the approval of our subscribers.

LOYALTY

Saturday's game, the last of the season on the campus, was rather a disappointment in a way. But, in spite of the defeat we know the spirit that sent every man of the Union eleven into the play against hopeless odds time and time again.

We feel that another year will send us to the forefront of the small colleges in the football world. In the meantime, however, let us, as students not forget to give the team every ounce of our support. Do not leave all the work to the working men. We have been slack, and have not done our best by a wide margin, as was amply illustrated Saturday, when the bleachers were half filled, and a number of freshmen were strolling aimlessly about the campus.

That's not the way to make success. Brace up, everybody, and as a starter for the future, EVERYBODY get out whenever there is a notice posted for a campus meeting, and be sure to be with the crowd of cheerers while a game is in progress. Do that, and you'll all be surprised at the results. It's up to you. Do you want the college to gain ground or to lose?

WORLD CHAMPIONS

Elsewhere in this issue is one of the most curious literary monstrosities that has ever come to our notice, in the shape of an article clipped from an Elmira daily.

The one thing that strikes us most is the utterly unassuming modesty of the Elmira aggregation, in stopping at such a slight matter as desiring to defeat a small college team, when by merely continuing their faultless logic a step or two farther, they might arrive at results really worth while.

The "dope" would be something like this, starting with the modest assertion that E. F. A. can defeat Rochester University 18-0; Rochester defeated Union 4-0. Therefore the score of the Union-E. F. A. game would be 22-0. Union held Colgate to 0-0. Therefore E. F. A. could also defeat Colgate 22-0. Now, Colgate held West Point to 6-0. Subtract 6 from 22 and E. F. A. would swamp the Army by a score of 16-0, and would also hold the Yale eleven down to the same count, because the Yale-West Point score was 0-0.

By similar lines of arguments we could conclusively prove that E. F. A. could defeat Princeton, Carlisle, Cornell and Harvard without turning a hair.

We are proud to note that a Union-E. F. A. game played at Elmira would attract a very large crowd, but we think the manager of the Elmira team is making a mistake in not trying for a game against Cornell or some of the large champion teams at the end of the season. The result, of course, is not for a moment to be questioned, and Elmira might as well be world champions while they are about it.

Brown University has set aside \$1,000 for prizes to students who excel in mathematics.

CHRISTIAN ASSOCIATION

Vesper Service, Sunday, 5 p. m., Dr. B. W. R. Tayler, speaker. Prayer Meeting, Tuesday, 7:00 p. m. Report of delegates to Students' Volunteer movement.

Rev. B. W. R. Tayler of St. George's Episcopal Church addressed the students at yesterday's meeting. His subject had not been announced but it certainly was one that pleased and benefited all who attend. Dr. Tayler is one of the city pastors who always brings a good message to the students.

The regular Sunday meeting was held in Silliman Hall last Sunday afternoon. A large number of students turned out to hear Dr. Ellery speak on the subject, "Manliness."

It had been expected that Rev. Dr. B. W. R. Tayler, D. D., of St. George's Episcopal Church of this city would speak, but owing to misunderstanding of dates he was unable to be present. As usual President Wright '08 had charge of the meeting.

Wednesday evening the Glee Club opened its season by giving a concert at the Methodist Episcopal Church at Green Island.

The concert was successful in every way, and was well received by the audience. It was given more as a tryout for the new men on the club than for any other reason. Solos by Fuller '08, and Corbin '09, and readings by Wachter '09, attracted a good share of applause.

COLLEGE MEETING

The regular college meeting was held Monday morning after chapel exercises.

McMullen '08, spoke of the financial condition of the football association and commented upon our good luck in the matter of weather. Davies '08, spoke about the mandolin Club.

As Capt. McNab was absent no account was given of the Rochester game. As there was no further business the minutes were read and the meeting adjourned.

The cold weather of the last few days has made the Junior civils wish that the campus had been surveyed many years ago.

The chairman of the Freshman pipe committee is busy taking orders for the class pipe. They are unlike the class pipes of the last few years, being a small poker pipe with the numeral '11 inside the "U."

* * *

College spirit seemed to be at a rather low ebb at Chapel meeting Monday morning. The unexpected defeat by Rochester seemed to put a damper on the enthusiasm usually shown.

BOOK REVIEWS

One of the latest books from the press of L. C. Page & Company, is a highly dramatic story of Mediaeval Italy, written by Nathan Gallizier, and entitled, *THE SORCERESS OF ROME*.

The main theme, the tragic love story of the young Emperor Otto III and Stephania, wife of the Roman senator, Crescentius, is a new one to American literature. The story is vigorous and intense. Scenes of the voluptuous revelry of the period are contrasted with the sombre and mystic rites of the monks.

Mr. Gallizier displays great literary ability, and his new work is a great advance upon the former one written by him about the same period in history. *THE SORCERESS OF ROME* is well worth reading.

The College Man's Favorite Store

“Varsity” chaps hereabout are deucedly partial to Holtzmann’s dontcher-know—they like the little “quips” and turns (if we may be allowed the expression) in Tailorcraft that makes their ready-to-wear garments for fresh, middler, soph and seniors so typically collegian. Boys, we just want to say that your favorite store is ready to make you look every inch the college man. You know quite well that college cut clothes are the characteristic of the College spirit. No young man can be said to be thoroughly inoculated with the indefinable exuberance who is lax in this particular. The rah! rah! rah! cannot be croked with the same gusto in an ill-fitting suit, so get ready to “holler” in a Holtzmann’s Perfection fit college tog. Hats—Haberdashery.
