RUTGERS-UNION DEBATE.

The Garnet Wins from Rutgers.

Last Tuesday, the thirteenth, the Union debating team, consisting of La Crosse, '08; Weyrauch, '08; Mould, '09, and Davies, '08, alternate, with Professor McKean, left for Rutgers College, New Brunswick, N. J. On the next evening this team defeated Rutgers on her own floor in a close but decisively won debate.

The question was: "Resolved, That the further restriction of immigration (into the United States) is undesirable." Rutgers, who had submitted the question for our approval, defended the affirmative, while Union had chosen the negative side.

Both Union and Rutgers had made long and elaborate preparations for the debate, as Rutgers knew that our team had decided to win.

In opening the debate Tracey Voorhees, '11, the first Rutgers speaker, tried to lay the burden of proof upon the negative. When he had finished, La Crosse, '08, arose and by skillful argument showed that Union had to bring forward but one specific case in which restriction of class or kind was desirable to win the debate. La Crosse was greatly aided in his argument by statistics and by examples which the team had procured while visiting Ellis Island that morning and witnessing the landing of a large crowd of emigrants from the German steamship Krownprinz Wilhelm. He proceeded to describe the undesirable class of emigrants from foreign lands, criminals, paupers, mentally, morally and physically deficient. He also described the bond system as a mere means of getting around the law.

The second Rutgers debater, William H. MacNeil, '03, laid great stress upon the labor problem, stating that this country needed just this class of persons to fill the menial positions in the land. His reasons for this need, however, were not conclusive enough and Mould, '09, Union's second speaker, successfully refuted this point by showing that the need for such laborers was fictitious, as brought out by his opponent. The last

Rutgers debater was F. Marmaduke Potter, '09, who is a Rhodes scholarship man. He tried to anticipate our next argument by declaring that the classes which immigrate to the United States could be assimilated into the spirit of the country and moulded into good citizens. Weyrauch, '08, however, Union's last debater, completely refuted this point by bringing forward cases and examples where assimilation had proved a failure and impossibility. After the rebuttal the judges, Dr. James M. Green of Trenton, N. J., Prof. E. Y. Robbins, Princeton, N. J., and Howard Gilmore of Newark, N. J., retired to make their decision, and after an hour's discussion the chairman announced amid rounds of applause that the judges had decided by a majority of two to one that the palm belonged to Union.

This victory is one of the most satisfactory of the year, because it marks one more mile post past and because Rutgers never before has been beaten on her own floor. Also this is the first time in the seven annual debates between Union and Rutgers that Union has won.

The college owes a debt of great thanks to those students who have worked so hard, and to Professor McKean for his efforts. These men unselfishly have worked for the college, seeing in the distance no gain for themselves and often sacrificing themselves for the glory of old Union.

This debate marks the end of a perfect debating season, with three victories—Albany Law School, Hamilton and our vanquished rival, Rutgers, as a nucleus for a good starter next year.

UNION MAN TO WED.

The engagement has been announced of Miss Amelia F. Pease of Syracuse to the Rev. Irving W. Ketcham of Weedsport, N. Y., a graduate of Union College, a Phi Beta Kappa man and a member of the Phi Gamma Delta fraternity. He is pastor of the Presbyterian Church at Weedsport. The date of the wedding has not been fixed.

NOTICE TO THE ALUMNI.

To insure a large attendance at Commencement, arrangements have been made with the Trunk Line Association and the New England Passenger Association for a reduced fare to Schenectady and return from June 7th to 10th inclusive. The following rules must be observed:

1—Tickets at full fare for the going journey may be secured within three days prior to and during the first two days of the meeting. The advertised dates of the meeting are from June 7 to June 10, consequently you can obtain your ticket not earlier than June 4 and not later than June 8. Be sure that, when purchasing your ticket, you request a certificate.

2—Present yourself at the railroad station for ticket and certificate at least 30 minutes before departure of train.

3—Certificates are not kept at all stations. If you inquire at your station you will find out whether certificates and through tickets can be obtained to place of meeting. If not, agent will inform you at what station they can be obtained. You can purchase a local ticket thence, and there take up a certificate and through ticket.

On your arrival at the meeting, present your certificate to Mr. F. A. Bailey at the treasurer's office.

It has been arranged that a special agent of the associations will be in attendance to validate certificates on June 9th. A fee of twenty-five cents will be charged for each certificate validated. If you arrive at the meeting later than June 9th, after the special agent has left, you cannot get the benefit of the reduction on the home journey. No refund of fare will be made on account of failure to have certificate validated.

So as to prevent disappointment, it must be understood that the reduction on the return journey is not guaranteed, but is contingent on an attendance of not less than 100 persons holding certificates obtained from ticket agents at starting points, showing payment of full first-class fare of not less than 75 cents on going journey.

The roads included in the reduction are:

Baltimore & Ohio RR., D., L. & W. RR., N. Y. C. & H. R. RR., Philadelphia & Reading RR., Central RR. of N. J., Erie RR., West Shore RR., Lehigh Valley RR., Pennsylvania RR., B. & A. RR.,

B. & M. RR., Canadian Pacific RR., Central Vt. RR., Grand Trunk RR., Maine Central RR., N. Y., N. H. & Hartford RR., Quebec Central RR., Rutland RR.

CLASS IN ORATORY.

Since the inauguration of our department of public speaking, commendable progress has been made. Since the preparation and delivery of orations has been required of all three upper classes, the advantages of oratorical training have been brought to the attention of the students, resulting in general improvement along these lines. Much good has been accomplished.

There should be no halting in the progress, however, until well adapted special courses are offered for Sophomores, Juniors and Seniors, who are especially interested in oratory. There have been many requests for such a course this year from members of all three classes and the Sophomores crystallized their sentiments in a petition which was presented to Professor McKean.

For those that have enthusiasm for the work, but are laboring under physical disadvantages, liberal opportunity should be given for thorough and continued training, with a view to overcoming natural defects. For those that expect to make public speaking their lifework, such as candidates for the law or the ministry, courses calculated to lay deep and broad foundations for future platform work should be provided. The enthusiasm for oratory and debate which prevails at present should be nourished and sustained by prompt action on the part of the college to supply the need of larger and more extended training.

Messrs. Pauley and Bisland of the Power and Mining Department of the G. E. Works, delivered a very interesting and instructive lecture to the Junior and Senior electricals last Friday afternoon in the chapel. Lantern slides were used to illustrate the models of the various types of machines and motors and their power curved. Mr. Pauley is an authority on induction motors, while Mr. Bisland has a thorough knowledge of steam turbines.

The Locomotive Club defeated the Freshman nine last Saturday by a score of 12-4. The game was played on the club's diamond.

A Memorable Week. Last week marked the greatest number of victories that Union has won in that length of time in the recent history of the College. The

Varsity started things by defeating the strong Rochester team in a well played game. The Debating team, not to be outdone by her colleagues, added to the baseball victory a victory in that branch which will go down in collegiate history as the first time the debating team has won a victory over her hitherto invincible opponent in fourteen years. We need not say much in regard to the other victories of the baseball team, for those are a matter of we might almost say, history, how the team took the glorious laurel from Hamilton and Hobart. We must surely win the pennant, for to cease now would be a worse disgrace than the past week's victories have been honors. It is now for those fellows who do not partake in the various branches of competition to show that they are behind their representatives at all points of the game. It would not be amiss for the cheerers to wander towards the track now and then and give those fellows a few rousing cheers to spur them on to greater efforts. Let us strike while the iron is hot and take everyone into our camp. Nothing is impossible to a team who have had things coming their way so finely. Remember that it is up to you to help win each victory.

Fare Reduction. Through the efforts of some of our Alumni, a reduction has been obtained from certain railroads of a fare and a third for those who wish to take in Commencement. It is not known how well the Alumni will respond, but it is hoped that a great number will take advantage

of this offer and make this a banner Commencement in every way. It seems to be a habit of a great many of our graduates as soon as they have received their diplomas to almost forget their Alma Mater or at least the debt which they owe her. Now may they be aroused from this idea and show that Union's sons in truth appreciate her and are willing to support her this much, if no further.

A thing happened in connection with last Friday's celebration which was very deplorable in its nature. It seems that some let their enthusiasm run too high and broke several windows in the Chemical Lab. It is not so much the monetary worth of the windows that will be felt, but what those windows represented that we find fault with. Perhaps it is unknown to some, but there are several panes of glass in the Lab. which were treated by a chemical preparation, and on these were engraved the names of men who were in College in the sixties. It is beyond our power to replace these reminiscences of days gone by. The act to which we have referred is that some of these priceless memories were broken by stones last Friday night. We do not wish to blame unjustly, but if College men did it they ought to be ostracized by all true lovers of Old Union and shown that their place is with rowdies, not self-respecting Sons of Union.

Quite a large delegation met the victorious baseball team at the station on their return from Geneva Saturday night.

Our pasture will be not only a baseball field this year, but also a band concert ground. Music while we study. Fine.

Fowler, '11, attended the Senior banquet ball at Cornell last week.

CAMPUS MEETINGS.

The victories for Union in baseball and debating during the last week gave the students a chance to show their enthusiasm and loyalty to the teams, which was well done in two rousing campus meetings.

Union's victory over Hamilton was celebrated Friday night when the students, headed by an impromptu drum corps, marched around the campus and streets of Schenectady, singing college songs and "yelling up" the team.

A large campus meeting was held Saturday night, when gathered around a large bonfire the students gave evidence of their appreciation of the work of the varsity ball team during the week.

Dean Ripton was present at the meeting and presented the trophies offered by Union College to the winners of the interscholastic track meet, which was held on the oval Saturday afternoon.

The dean congratulated the High School men on the clean and fair manner in which the sport was carried on and said that the faculty of Union took great interest in athletics when so conducted. He congratulated Schenectady High School on their victory, but said that he hoped that another year a greater number of schools would enter the meet and that others would prove equal in skill to Schenectady.

The trophies were then awarded to the various winners, who expressed their thanks to the college for them.

Coach Grout, Doctor "Mac" and "Bill" Cronkite, who coached Union's football team in 1905, each spoke in praise of Union's recent victories and of the students' spirit and of their support of the teams.

The meeting then broke up, after singing Alma Mater, to meet again at 12:15 at the New York Central station, where the team was met and escorted to the hill in a carry-all, behind which the students marched, singing and yelling for the team.

Harry Seymour Ross, acting principal of Worcester Academy, has recently been chosen by the trustees of Emerson College of Oratory to succeed Henry Lawrence Southwick as dean of the college. Dean Southwick will be president of the college and President Rolfe will be president emeritus.

ANOTHER VICTORY FOR GARNET.

Rochester 5; Union 6.

Last Wednesday the campus saw another very exciting game of ball, that with Rochester. Although the game was very loosely played on both sides, yet it was a very good game to witness. Judging from the support given the team from the bleachers the fellows enjoyed the game to the fullest. The 'varsity had expected a better team to play against, but were happily disappointed in this, and easily won the game, having the advantage most of the time.

Rochester had first bat, but made no runs until the second inning, when she passed two men over the plate. This start seemed to stir Union up a bit, and in the last half of that inning and in the next two innings scored three runs. In the fifth Rochester again made two scores, thus gaining the lead again. The second two runs acted as a stimulus again, for in the sixth inning the varsity scored three runs in quick succession, thus having a good safe margin of two scores. In the seventh inning Rochester gained one more run, still being one score behind. When the varsity came to bat next, they found a new pitcher, and no more runs were made by either side, Union not taking her last bat.

The sixth inning, which turned out so well for the Garnet, did not look very promising, for two men were put out quickly. Then Hildreth came to bat and made a three-base hit, thus bringing in one run. There was some more good batting that half and so two more runs were added.

It was Chadwick's first game, but he played a fine game, making three hits and one run. Bergen made a pretty catch on a bunted ball. The playing was good, there being a few uncalled-for errors at critical moments.

AN EASY VICTORY.

Hamilton 5; Union 9.

Friday morning the varsity left for Clinton, quite positive that they would clean up with Hamilton, which they did in a very nice way. It rained the greater part of the forenoon and a little while the men were practicing. There was some sun, however, which made the field a little better, although it was somewhat wet and muddy. The ball was wet and this prevented especially snappy plays. The occasional sprinkle during the game kept the field slippery.

In spite of the wet field and ball, some very good playing was seen. Hamilton started the scoring in the first inning by bringing in two runs. When Union came to bat in the second inning Hildreth was given a base on balls and then by some good base running seven runs were quickly scored before the third out was called. There was no more scoring until the sixth, when Hamilton made three and the Garnet one. In the next inning Hip made another hit and succeeded in scoring a run. This was the end of the scoring.

Hip made three hits, two runs, stole four bases and made two catches at second, putting both men out at first, thus preventing two hits. Perry caught a long fly back of second, and by a long throw to first put out the runner. The whole team played a good game. Dunn pitched a very good game.

A fair-sized crowd witnessed the game and the cheering by Hamilton was good.

HOLDS ITS OWN AGAIN

Hobart 3; Union 4.

Strengthened by the victory over Hamilton on Friday, the varsity went to Geneva on Saturday and took the laurels again in the game with Hobart. When they arrived they found a team confident of victory, but it was a matter of good playing, not confidence, that counted.

The field was rather heavy and a little muddy, but not to a great extent. The worst thing in connection with the whole game was the umpire, who did not seem to know his business, and insisted upon umpiring the game, base running and all, from back of the catcher. There was some "fault found" on this account, but it made no difference.

Union made two runs in the second inning and also two in the third, and the score was 4-0 up to the seventh, when Hobart made their only three scores. Hip was too much for them for six innings, in that time getting eight strike-outs. Cowan made a two-baggger and brought in two runs, helped along by an error. Bergen received a straight swift one, did not make a clean pick-up, but recovered himself finely and by a long, true throw put the man out at first. The whole infield played an excellent game.

The homeplate was covered with whitewash and Ladue made an attempt to rub most of this off on his face by taking a fine header on a slide, but some was left. He made three hits and two runs. Hip made a two-bagger, and Hoffy two.

The crowd was very small and there was no good cheering at all. "Pud" and "Hank" Osborne were present and took their usual part, especially "Pud," in rooting for the team.

TENNIS.

Last week Wednesday our tennis team played Hamilton at Clinton and the match was a tie, the score being 3-3.

In singles, Buck, '10, lost to Day, Hamilton, 6-2, 6-2; Stribert, '09 lost to Getman, 6-0, 6-3; Potter, '09, won from Watson, 6-1, 5-7, 6-3; Potter, '10, won from Conklin, 5-7, 6-4, 6-2.

In doubles, Potter, '09, and Stribert, '09, lost to Watson and Day 6-3, 6-3, and Buck, '10, and Potter, '10 won from Conklin and Getman, 6-4, 6-2.

To-morrow, Wednesday, a return match is to be played with Hamilton here on the various fraternity courts and as there is to be no charge it is hoped that many will be present and help the team to victory.

Monday the team played Williams at Williamstown and on Friday of this week there is a match scheduled with Syracuse to be played here. On May 29 there is to be a match here with Cornell, and on June 6 one with the Edison Club. These will all be free, so there will be no excuse for remaining away.

Reach

Base Ball Goods

have the endorsement of the big players in the American, National and Minor leagues. Reach Mitts and Gloves are used by such famous men as Kling, Lajoie, Chance, Davis, Tenney and many others — sufficient evidence of Reach superiority. They say no other make holds the ball so surely.

Prices of Catchers' Mitts, 25 cents to \$8.00 each. First Basemen's Mitts, \$1.00 to \$4.00 each. Fielders' Mitts, 50 cents to \$3.00 each. Fielders' Gloves, 25 cents to \$3.50 each.

The Reach Ball

is the official ball of the great American League. Its use is compulsory in every game played by an American League Team, as the Reach Ball has been adopted exclusively for a period of ten years by that Organization.

CHAPEL MEETING.

Last Monday there was an especially large attendance in chapel, undoubtedly due to the fact that it was moving-up day.

The Dean spoke just a few words to the Seniors. A short business meeting was held.

Dutch said a few words concerning the games of the past week.

Captain Parsons spoke on track, urging all men to come out so as to be in good condition for the W. P. I. track meet the coming Saturday.

Hip called a meeting of the Terrace Council and the following men of class of 1909 were elected into the body: Brunet, Welles, Roosa, Faust, Starbuck. Hip gave a brief initiatory address to these new members, acquainting them with their duty.

Roosa announced that registration is now open and will be until June 1st for the members of 1911, as assistant manager of the football team.

Dr. Mac spoke a few words, warning both the student body and the team against overconfidence. He also asked the support of all to aid Saturday in making the W. P. I. meet a success in every way. He announced that on May 30th there is to be a meet with Hamilton at Clinton.

The usual moving-up day services were carried out in a very orderly way. The idol painting was postponed until afternoon, and the 1910-1911 baseball game was held then also.

"All persons knowing themselves indebted to this paper are requested to call and settle. All those indebted to this paper and not knowing it are requested to call and find out. Those knowing themselves to be indebted and not wishing to call are requested to stay at one place long enough for us to catch them."—Colby Echo.

Last Friday in the first half of the inter-class meet, the Juniors took first place, the Sophomores second, the Seniors third, and the poor Freshmen fourth.

Nothing but victories.

Y. M. C. A.

Last Friday evening at 7 o'clock Mr. Billings, traveling secretary of the college Y. M. C. A. of Canada, and once delegate to the International Federation of Christian Associations at Tokio, Japan, addressed those interested in Northfield. Mr. Billings explained fully the programme of the conference and set forth most attractively reasons for going to Northfield. At the Sunday vesper service Mr. Miriam, one of the most prominent of Schenectady's business men, gave a talk on "Business as a Lifework." Mr. Miriam laid down certain fundamental principles as essential to a successful business career and talked most interestingly to those present about successful business men and ideals.

Next Sunday Dr. Taylor of St. George's Episcopal Church will speak and it is hoped and expected that many will be present at 5 o'clock, however pleasant the afternoon may be.

This Friday evening there is a treat in store for all. After the campus meeting preparatory to the Edison Club baseball game and W. P. I. track meet all are invited to attend a social in Silliman Hall. A talk will be given by some interesting talker, songs will be sung, yells given, speeches responded to and last, but not least refreshments will be served. It is hoped that many will come and help make it a general good time.

PROF. McKEAN

Attends Meeting to Discuss College Entrance Requirements.

Prof. McKean on Saturday, May 16, attended a meeting of the committee appointed by the Association of Colleges and Preparatory Schools of the Middle States and Maryland. The meeting was held in Philadelphia at the University of Pennsylvania and preliminary steps were taken to organize a board for the establishment and maintenance of the regulations concerning the entrance requirements among the members of the association.

The meeting Saturday was the first movement toward the launching of the new organization and representatives from thirty-five colleges and two preparatory schools were present. This college entrance board is being formed to serve the best interests of the members of the association and may eventually reduce the entrance requirements of the members to a certain standard, which all of them may adopt.

“Varsity” chaps hereabout are deucedly partial to Holtzmann’s dontcher-know—they like the little “quips” and turns (if we may be allowed the expression) in Tailorcraft that makes their ready-to-wear garments for fresh, middler, soph and seniors so typically collegian. Boys, we just want to say that your favorite store is ready to make you look every inch the college man. You know quite well that college cut clothes are the characteristic of the College spirit. No young man can be said to be thoroughly inoculated with the indefinable exuberance who is lax in this particular. The rah! rah! rah! cannot be evoked with the same gusto in an ill-fitting suit, so get ready to “holler” in a Holtzmann’s Perfection fit college tog. Hats—Haberdashery.
