HAMILTON HERE TODAY.

Our Old Rival In Good Trim and Will Play a Fast Game.

Union College will close her football schedule this year with the game with her old rival, Hamilton, on the campus this afternoon. Both colleges have been making preparations for the game for a long time and are looking forward to it with eager anticipation.

The Union team is in good condition and all the regular players will be on the team with the exception of O'Connell, who hurt his knee at Stevens. The prospects of victory are certainly bright, but it is by no means sure, and it is expected that the game will be witnessed by a large crowd of very interested spectators. So far this year, Hamilton has not won a game, but she has showed up well, nevertheless. Rochester was held to the close score of 5 to 2, and R. P. I. had difficulty in defeating the Buff and Blue by a 6 to 5 score. Hobart defeated them 17 to 0, but at that time several of their best players were quarantined with diphtheria. The game with Middlebury was cancelled owing to the diphtheria scare. Judging from these scores, the game should be a fast and interesting one.

Previous Scores With Hamilton.

During the past eight years Union has won but one victory over Hamilton. This was in 1908, when the game was played in Schenectady, the score being 18 to 6. This is the only time in eight years that Union has scored over the Buff and Blue. The game last year ended 0 to 0. The following is a list of the Hamilton scores since 1902:

	Union.	Hamilton.
1902: At Clinton—	0	31
1903: At Schenectady—	0	28
1904: At Clinton—	0	5

1905: At Schenectady—	0	17
1906: No Intercollegiate team at Union.		
1907: At Clinton—	0	6
1908: At Schenectady—	18	6
1909: At Clinton—	0	0

Word from Hamilton.

A letter from the manager of the Hamilton team shows that the visiting team is to be well supported. He says: "It is expected that the whole college, with a very few exceptions, will go down to Schenectady with a brand new line of songs and cheers to help the team on to victory, arriving about 2:00 p. m."

D. R. SIDLE,
Hamilton Captain.

The Line-Up.

The line-up of the two teams this afternoon will probably be as follows:

UNION.	HAMILTON.
Riley -----	Burdick, Leavenworth
	Left End.
Branson -----	Watkins, Manion
	Left Tackle.
Sellnow -----	Thompson
	Left Guard.
Vedder -----	Martin
	Center.
Griffin -----	Potter
	Right Guard.

O'Connor	Drummond
	Right Tackle.
Atkin	Roberts, Perry
	Right End.
Fairbairn	Stone, C. Root
	Quarterback.
Sarvey	Robinson, Harper
	Left Halfback.
Brown (captain)	Sidle (captain), Knox
	Right Halfback.
Congdon	D. Root, Kultchar
	Fullback.

HOBART DEFEATS UNION IN A CLOSELY CONTESTED GAME

**Visitors Score One Touchdown—Union Twice
Loses the Ball Within a Few
Yards of Goal Line.**

In one of the hardest fought battles seen on the campus in recent years, the Hobart eleven defeated the Garnet team by the score of 5-0. Union played well during the entire game, but was unable to propitiate the goddess of victory, while the weather conditions prevailing Saturday made the contest anything but pleasant to the contestants. A slippery field precluded long runs and made the handling of forward passes difficult. Captain Brown and Sarvey were the stars of the game and made most of the gains for Union. Ned Riley was the chief man in a couple of sensational tackling stunts and was clever at regaining the ball on fumbles. Wood, the visiting quarterback, did the stellar work for the Hobart team. He made their only touchdown. Union twice had the ball on the Hobart one-yard line, but was unable to carry it over.

Hobart kicked off to Brown on the ten-yard line. He, aided by the interference, carried the ball twenty yards up the field before he was stopped. Union gained eight yards in two downs and then "Bumble" punted. Wood immediately returned the kick to Fairbairn, who ran back five yards. After a couple of line plays, Union again resorted to punting. Again Hobart returned and then for the remainder of the first two periods there was a punting duel between the two captains, Brown and Wood. Brown was

slightly the better, averaging more than forty yards. The half ended with the ball on Hobart's forty-yard line.

Hobart Scores.

Both teams started the third period with a determination to win at any cost. Playing at high tension, the ball was kept near the center of the field. Finally Wood, by an end run and assisted by his team-mates carried the ball to Union's ten-yard line. In three plays Wood was pushed over for a touchdown. Van Ingen failed to kick the goal and the score was Hobart 5, Union 0. Time was called with the ball in Union's possession on the forty-yard line.

The fourth period opened with Union's team fighting mad. Sarvey and Brown tore up the line for big gains and within five minutes after the opening of the period, Union had the ball on Hobart's one-yard line. Unable to carry it over, Union gave up the ball. Hobart at once punted out of danger. Again Union carried the ball steadily forward toward the goal line. A fumble delayed them. Again they pushed on, but the time was growing short. Captain Brown carried the ball to the four-yard line. Sarvey took the ball on an end run, only to fall a yard short of the goal. Before Vedder could again snap the ball back, the whistle had blown and it was Hobart's game. The final score was 5 to 0 in favor of Hobart. In the second period Brown tried for a field goal from the thirty-yard line, but the wind carried the ball a little to one side. The line-up of the game was:

UNION (0).	HOBART (5).
Riley	Van Ingen
	Left End.
Branson	Robbins
	Left Tackle.
Sellnow	Cook
	Left Guard.
Vedder	McKane
	Center.
Griffin	Warner
	Right Guard.
O'Connor	Hume
	Right Tackle.
Atkin	Palmer
	Right End.
Fairbairn	Wood
	Quarterback.

Sarvey -----	Barker
Right Halfback.	
Brown -----	Barmore
Left Halfback.	
Congdon -----	Bayliss

FROSH ARE VICTORIOUS IN THE UNDER-CLASS CONTESTS

Final Score: 35 to 25.

In accordance with the custom instituted by the past few classes, the freshmen won the inter-class meet from the sophomores last Tuesday, by the score of 35 to 25. The sophomores gave a good account of themselves in the football game and in the tug-of-war, while the frosh carried off all the honors in the dashes and in the wrestling matches. Baker, '14, won the 100-yard dash in 11 seconds, which was fast time for the condition of the field, and Tremper, '13, took first honors in the one-mile run, his time being 5 minutes and 15 seconds. But one sophomore made good in the wrestling bouts, Herman, who managed to put Van Allen, '14, on his back. Four others resulted in draws and four freshies put as many '13 men out of business.

The results of the wrestling matches were: Johnson, '14, won from Lord, '13; Passage, '14, won from Gilmore, '13; Shinaman, '14, won from Bridge, '13; Folensbee, '14, won from Davis, '13; Herman, '13, won from Van Allen, '14; Abbott, '14, and Ulrich, '13, draw; Lent, '13, and Cote, '14, draw; Stoller, '13, and Case, '14, draw; Braman, '13, and Hagar, '14, draw.

The tug-of-war was an event that attracted much interest and wasted much strength. In spite of the slippery and unstable condition of the ground, the sophomores showed that the lesson of last year was not forgotten and pulled the frosh fifteen yards down the field. After this event, interest shifted to the football game, for upon the issue of this hung the final decision of the meet.

The 1913 team was heavier than the freshmen and was able to make big gains through the

opposing line. A fatal tendency toward fumbling by the sophomore backfield, however, was the weakness that prevented them from winning and this weakness the frosh were quick to take advantage of. Three times the sophs fumbled on the very goal line and every time a freshman was on the ball like a flash. The final score was 0 to 0. The line-up of the teams was:

1913.	
Naumann -----	Kalbfleisch
Left End.	
Coons -----	Mohair
Left Tackle.	
Abbott -----	Royce
Left Guard.	
Herman -----	Tilly

VERMONT DEFEATED IN CROSS-COUNTRY RUN

Union Wins First, Third, Fourth and Fifth Places.

The Union cross-country team ended a successful season last Saturday by defeating Vermont with the decisive score of 19 to 9. The same course was used as in the run with Colgate except that the beginning and ending was on the football field, the race being so timed that the finish occurred just before the commencement of the Hobart game. Rogers crossed the line not many yards ahead of Donahue of Vermont, making a very close race.

The runners finished in the following order: First, Rogers, (U.); second, Donahue, (V.); third, Travis, (U.); fourth, Streever, (U.); fifth,

LaBarron, (U.); sixth, Aldrich, (V.); seventh, Roberts, (V.); eighth, Abbott, (V.) The distance was four miles. The time: 21 min., 33 sec.

The team has made a fine showing this year and it is hoped that enough men will turn out next spring to furnish material for a successful track team in the intercollegiate meets.

THE BASKETBALL SITUATION.

With the end of the football season, the interest of the student body now centers upon basketball. Last year's team, while it won comparatively few games, held some of the fastest teams to small scores, and was without question the best team that we have had since the sport was given recognition five years ago.

This year the prospects for a "real" team are very bright. Of last year's squad, Coward, Hequemburg, Fairbairn, Johnson, Brumm, Westcott and Micks are still in college. Sarvey, '14, is reputed to be a fast player, and other good basketball material is reported in the entering class. A number of experienced men in the Albany departments have already announced their intention of trying for the team.

The management is not prepared to give out this season's schedule officially, but we understand that it is to be an unusually hard one. The season will open immediately after the Christmas holidays and the last game will be played early in March. A call for candidates may be issued next week, but the squad will not settle down to work until after the Thanksgiving vacation.

SOPHOMORE FOOTBALL.

The sophomore football team has cancelled the game with the Brown Station team, and will probably not play any more this season. Although short, the season has been a successful one. Out of three games the one with the Edison Drafting School was won by a decided score, and the other two were ties. Thus the sophomores' goal line was not crossed during the season. The following men have been on the team: Davis (captain), McMahon, Wilcox, Clark, Anderson, Mohair, Ulrich, Hermann, Stern, Kalbfleisch, Fischle, Cronin, and Royce.

\$3,835 SUBSCRIBED BY CLASS OF '13 AND '14.

Sophs Average \$27.80 and Frosh \$25.98.

Yesterday morning the members of the freshmen and sophomore classes were asked to subscribe for the fund for the erection of the new gymnasium. Both classes responded well to the appeal presented by Prexy Richmond, Lawrence Mead and Harold Baker. The work of the freshmen was especially pleasing, since they have been on the "hill" but a few weeks and have not yet had a chance to become as deeply imbued with love for Union's old gray walls as the members of the class of 1913.

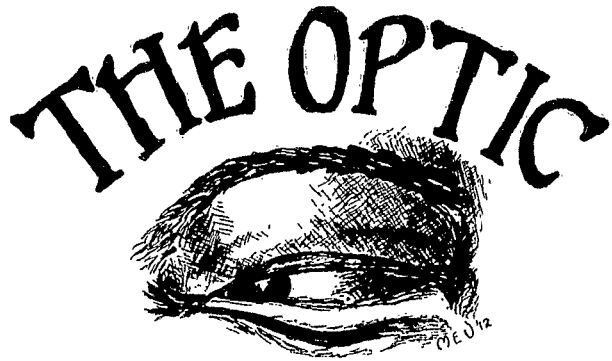

Final arrangements for presenting this movement to the underclassmen were completed by the gymnasium committee at a special meeting yesterday afternoon. This year the committee was successful in keeping the affair a secret and in insuring a good attendance at the chapel service. Last year plans were all completed for asking for subscriptions from the freshmen, but notice of the coming event was unfortunately printed in one of the city newspapers, and as a result the majority of the seats upstairs were unoccupied during the chapel service. Those who were not present at the meeting yesterday will be seen personally and given every chance to subscribe, in order that no one may have chance to feel slighted.

The total amount which has been subscribed to the "gym" fund is now approximately \$38000. The canvass by Potter and Mead of the class of 1909 was completed some time ago, and the raising of the funds is now being left in large measure to the Graduate Council.

SOPHOMORE SOIREE ON DECEMBER 8.

The sophomore soiree committee are planning to give two dances this year. The first one will be held on Thursday night, December 8, at Yates's boat-house. The second one will be held during Junior Week. The soiree in December is being supported well, especially by the two upper classes, and promises to be a very successful affair.

THE PEE-RADE AT LAST.

The weather permitting, to-day will see the much talked of freshman pageant or better termed the frosh pee-rade. Every stude is to be in line and some of the faculty. The greatest prize fighter, with his wife of different color and his racing competitor, will be prominent participators as well. The ocean airshipiest with the furry quad-ruped and balloon, will sail along with the pageant. Feminine fashions will be exploited by Parisian models and prominent politicians will be among the features. These are but a few of the wondrous collection of wonders that will parade the streets of Dorp.

The pageant will form at the gymnasium between 12 and 2 (safety in numbers) and will then proceed through the most populated of the city's thoroughfares, coming to an end at the campus, where the photographer will get in a little work by which the collection of celebrities and others may be preserved for posterity.

DISCOVERED, CURSE YOU!!

(Special to THE OPTIC.)

RICHMONDVILLE, N. Y., Nov. 11.—Upon looking over high school records here to-day Principal Ferretout has accidentally run upon a mark that would seem to prove that Chauncey Holmes Winters, now a student at Union College, was in error in giving an answer to a question that was propounded by a member of the school faculty. The alleged mistake is thought to have occurred in 1906. A thorough investigation is being made.

WINTERS NOT TALKATIVE.

In an interview with an OPTIC reporter Mr. Winters branded the dispatch as a lie and said that he took no stock in the rumor. Further than that he would say nothing.

WHAT'S IN A NAME? (By Webb, '12.)

Just why such a Websterian appellation should be bestowed upon me is known by but few besides myself. So, for the satisfaction of the curious minded, I shall attempt to elucidate.

A duck, as you all know, is a rare old bird. Instead of uttering all manner of odd, unmeaning noises as is the case with the majority of its feathered friends, it expresses the highest, most beautiful thoughts in a soft, sweet cadence. This is in accord with the expression "ducky darling." In some manner which I do not quite understand, the thought came to me last year at the sophomore soiree as I was gliding over the smoothly polished floor to the strains of sweet, angelic music, my arms encircling her dainty waist, and my lips quacking soft expressions after the manner of the duck. "Instead of being a ducky darling, why not be a real duck?" Straightway I made up my mind that I would be a duck. So I am a duck.

But, wait, there is another reason which I almost forgot to mention. I happened to go down to my tailor's the other day and he informed me that I had an unusually large bill.

OPTORIAL.

"Watch for the new college fun paper, The Idol." This sign, that has held a conspicuous spot on the bulletin board during the past week, is a welcome one to THE OPTIC. Nothing could be better than such a publication at Union. But is this an announcement of the fun paper or is it another of the original advertisements of certain energetic student that has used the bulletin board for other placards of the kind? We hope that the paper is in the process of compilation now and that the sign really indicates that the students of Union College are to have a funny sheet. THE OPTIC will be the first to congratulate the infant periodical and to wish the new venture success. Time will show what the mysterious poster means.

THE GAME TO-DAY. Union ends her football season this afternoon. The season as a whole has not been as successful as the team and the student body hoped that it would be, yet it can by no means be called a failure. We believe that our team this year is the best one that has represented the college since the abolishment of football in 1906, and that this will be clearly proved in the game this afternoon.

The coach, the captain, and the entire team have certainly done their best to insure a victory over our old rival this afternoon, and if the Garnet again goes down to defeat before the Buff and Blue, it will be the fault of the students, not of any man on the team. For during the past week the squad has been much smaller than it should have been when such an important game is to be played, there being many persons who are in possession of suits who have continually failed to show up at practice.

It can do no good now, however, to lament that in which we have been negligent in the past. If we have not supported the team with the true Union spirit by going out for the scrub, the least that we can do is to be present at the game at promptly 3:00 o'clock, prepared to do our best to yell and cheer the team on to victory.

Everybody must try to do his best. Let us know the songs and sing them in a manner such as will not only surpass our rivals, but also be a constant source of inspiration to the team. Watch the cheer and song leaders. Follow them and let all side remarks be conspicuous by their absence. If the singing and cheering is to be effective, the leaders must lead and the students must be willing to be led. Also, keep your eye on the leaders while forming the block "U" between halves, and after the singing of Alma Mater, don't show your lack of spirit by breaking from the line and rushing for the bleachers, for if the parade is to be effective the students should remain in line and march back to the bleachers in order. To-day is the great day of the season. If the weather is favorable, the largest crowd of the season will be present. It is the duty of the students to show the city people and our rivals from Hamilton, what the true Union spirit really is.

Alumni News.

EDITED BY GRADUATE COUNCIL

BUFFALO ALUMNI TO MEET.

Next Monday evening the Buffalo Alumni will hold their annual dinner at the University Club. In many respects this is our most active association, for in addition to their yearly dinner, the executive committee carries on a hockey league among the local schools which competes for a Union Cup. In this way the name of Union is kept before the students of Buffalo and through the newspaper accounts of the games, the public generally.

Dr. Richmond is to speak at the dinner Monday and will present his views on our athletic needs. While there has been a steady improvement in the athletic conditions at Union during the past five years, the more we progress along this line, the more evident our lack of proper equipment appears. The time has surely come for us all to face this matter of a new gymnasium and carry it through to a full and successful finish.

INFORMAL ALUMNI ASSOCIATIONS.

The Secretary has recently received a letter from Mr. Hall, of the Syrian Protestant College of Beirut, Syria, in which he speaks of the pleasure he had in meeting a Union graduate in Cairo, Egypt. These two "grads" spent the evening together, recalling college days, and the value of such a meeting proved so real to Mr. Hall that he sent a request for the Concordiensis. It serves as another proof of the value to the alumni as well as to the college which graduate meetings are sure to bring.

Mr. Mott has played in "Floradora" and "The College Widow," and has also had a great deal of experience in coaching amateur organizations. Mr. Mott has provided new scenery, picture-frames for advertising, and electrical effects. The first performance will be given at the Van Curler before December 14, but a trip has also been planned to Troy, Northampton, and Springfield.
