Commencement Week.

It was recently announced the Union had secured Rev. Charles Cuthbert Hall, President of Union Theological Seminary, as Honorary Chancellor for this year. Dr. Hall will deliver the address to the graduating class, an address which will be well worth hearing. The remainder of the program for Commencement week follows:

Sunday, June 11

7:30 P. M.—Baccalaureate Sermon by the Rev. L. Clark Seelye, D.D. '57, President of Smith College.

Monday, June 12

- 3 P. M.—Grove Exercises by the Graduating Class, under the Old Elm Tree in Jackson's Garden.
- 7:30 P. M.—Extemporaneous Prize Debate, and Junior and Sophomore Prize Oratory.

Tuesday, June 13

- 9 A. M.—Meeting of the Phi Beta Kappa and Sigma Xi Societies.
- 9:30 A. M.—Meeting of the Board of Governors.
- 10:00 A. M.—Meeting of the Board of Trustees.
- 10:30 A. M.—Annual Meeting of the General Alumni Association.
- 12 M.—Balloting for one Trustee to succeed Mr. F. W. Cameron.
- 1:15 P. M.—Alumni Dinner (provided and served by the ladies of Schenectady.)
- 3:30 P. M.—Class Day Exercises of the Class of '05.
- 8 P. M.—Ententainment by the College Musical Clubs in the Van Curler Opera House.

Wednesday, June 14

- 10 A. M.—Commencement Exercises. Chancellor's Address by the Rev. Charles Cuthbert Hall, President of Union Theological Seminary.
- 8 P. M.—President's Reception.
- 10 P. M.—Senior Class Reception.

Unless otherwise stated all public exercises will be held in the First Reformed Church.

Dr. Wright Resigns.

Dr. Thomas Wallace Wright on account of ill health and not having sufficiently recovered during his leave of absence from the college, has tendered his resignation to the Board of Trustees. As yet no action has been taken by the board and it will be deferred until the next meeting, which is sometime in June.

Since 1884, Dr. Wright has been professor of applied mathematics in the college. He was a student at the University of Toronto, graduating in the year 1863. The following year he was offered a chair in Galt Collegiate Institute as teacher of mathematics and physics, which he held until 1871. He then entered Sheffield Scientific School of Yale University, there having conferred upon him the degrees of Ph.B. and C. E. After leaving Yale he was for ten years engineer on the United States Survey of the North and Northwestern Lakes, and then was transferred to the Survey of the Illinois River, as instructor of Civil Engineering in Lehigh University his term was short and in 1884 he came to Union.

So far during his career in the educational world he has contributed to the Analyst, the Journal of the Franklin Institute, Van Nostrands Engineering Magazine and also is the author of "A Treatise on the Adjustment of Observations." Dr. Wright is a member of the Theta Chapter of Psi Upsilon and also of Phi Beta Kappa.

Prof. Prosser at Ohio.

It may be remembered by some of our readers that Charles S. Prosser, who was professor of geology in Union from 1894-99, has been professor of geology in Ohio State University since leaving

Union. During that period the number of students in the geological department of that university has increased 137 per cent. while the increase in the total number of students in the university was but 59 per cent. The instructing force of the department has consisted of Professor Prosser and another professor; but at the last meeting of the Trustees it was voted to add an assistant professor to the department.

Saturday Recitations.

New Periodical.

As there seems to be some doubt in the minds of the students as to the recitations for next year, we might state that the Faculty has decided to hold classes every day from 8 to 1 and 2 to 5, ex-

cepting Saturday, when the hours will be from 8 to 1. Chapel will be held at the usual hour of 7:45 o'clock. The object of this change is to relieve the crowded work of both professor and student. We understand that everybody will have two hours at noon between classes. It is also the desire of the Faculty to have the schedule so arranged that the so-called straight hours may be done away with as much as possible, it being the general opinion that three, four or five consecutive classes is too much of a tax upon both professor and student.

Seniors Move Up.

"Moving-up Day" was celebrated Monday, devoid of the usual bolting but otherwise being very similar to other days of its kind. As a result of a misunderstanding of what was desired by the Seniors, the Faculty had forbidden them to move up on the proposed date. It was feared for a time that a conflict might result, but last Saturday the Seniors got busy and obtained the consent of the Faculty to move-up, promising that there could be no bolting. In this spirit, all morning exercises were carried on in the chapel, in the allowed hour. The other classes followed the Seniors and classes were made as usual.

The ceremony of painting the idol white was performed at four o'clock that afternoon by the two under classes, with a great show of good feeling between. Our Guardian Spirit now wears his more or less white coat until hostilities open around him in the fall.

Chi Psi Dance.

One of the most delightful events of the college year occurred in the Chi Psi Lodge last Friday evening, when that fraternity gave its annual spring reception and dance. The dancing began about 9:30 o'clock and continued until half past two in the morning. Those present were Dr. and Mrs. F. S. Hoffman, Dr. and Mrs. F. B. Williams, Mrs. V. G. Furman, Mr. and Mrs. Stewart, Mr. and Mrs. F. Van Olinda, Mrs. A. J. Thomson, Rev. and Mrs. Talmage, Dr. and Mrs. James Stoller,

Mr. and Mrs. W. C. Vrooman, Mr. and Mrs. J. T. Schoolcraft and Mrs. Doyle of Cohoes.

The Misses Shivler, Griffin and Smith of Troy; Jessie and Alice Pearson of Hudson; Yates of Staten Island; Belle and Anna Medbury, Raymond and Alice Raymond of Ballston; Paige of Northampton; Simms of Poughkeepsie; Brown of Northville; Parker, of Craig; Featherstonhaugh, Kriegmann, Schermerhorn, Grace Hoffman, Prown, Bates, Gates, E. Yates, Ostrom, Furman, Thomson, Clements, M. Yates, Dr. Forest, and Mc-Mullen of Schenectady.

The Messrs. Pruyn and Carhart, of Albany; Shanahan, Duff, Cushman, Howe and Gove of Middlebury, Vt.; Bradford and Verbeck of Ballston; Patton, E. King, M. T. Raymond, Hart, Webb, B. Peebles, Imrie, Von Dannenberg, S. J. Raymond, Brooks, Wadsworth, Cook, Golden, Nowell, Classen, Reed, Schoolcraft, W. King, M. King, Huston, Simons, Washington, Walton and E. Vrooman of Schenectady, and the active chapter.

Glee Club Concert.

It is a settled fact that a Glee Club Concert is to be given at the Van Curler on the night of Junethirteenth. From now on the Glee Club will rehearse regularly twice a week, Monday evenings and Thursday afternoons; and the Instrumental Club, every Wednesday afternoon. Of course a second evening concert in Schenectady means an entirely new program; and outside of the college songs, the Glee Club will offer nothing which it has used before. The Instrumental Club has also several brand new selections. The quartette is in good shape and has been practicing faithfully, having already taken and successfully carried through two concerts, and Friday evening will give another at Gloversville. It is very probable that between the two parts of the June concert, the Dramatic Association of which Classen '06 is president, will occupy the stage.

The new music for both clubs is not so much on the clasical order; but of the rollicking sort that men like best to sing and play, and the concert, instead of being a recital or an attempt to display artistic musical finish will be rather an attempt to give the audience their moneys worth in laughter and entertainment

College Briefs.

Casler, '06, has left college for the remainder of the term to accept a position with the State Engineering Corps at Fort Miller, N. Y. He will take up his work in college again in the fall.

Christian Association.

VESPER SERVICE: "The Power of a Pure Life."—By Mr. Burgess.

TUESDAY EVENING—"Some Spiritual Statesmen."—Bradbeer, '07, leader.

Too much can not be said about the securing of a good delegation at Northfield. A few years ago Union was well represented and had the necessary number to be classed with those allowed to sing their college song. The ode to Old Union was well received and had to be sung over because of the applause. This is what we can do and gatherings of such a nature always bring home to us how much we have to be proud of in our Alma Mater. The first of June there will be a special representative here to give us lots of definite news of the meeting this year. Let us

think the matter over, remembering: Northfield offers a fine outing, Northfield gives us food for the thought, Northfield gives us good fellowship and The Union Association will help you get there. Mr. Burgess of the Schenectady Association is to speak at Vespers Sunday. He will be the first outside speaker of the term and it is hoped the fellows will turn out to hear him.

Vesper Service.

At Vespers on Sunday afternoon, Dr. Williams spoke on "Opportunities and Limitations." His line of thought lay chiefly in the spiritual development of our natures. He had hoped to have his talk follow along with Dr. Towne's on "Physical Development a Christian Duty." Dr. Williams said in part, that the opportunity for helpful work and Christian influence among the students, lies almost wholly with the students themselves. A young man working shoulder to shoulder, day by day with another has a far better chance than any outside man to influence him for the right and to develop his spiritual nature.

In closing Dr. Williams said that most of us will soon have done all that we can for our physical development, our minds too will soon be in a certain sense as trained as they ever will be, but our spiritual development will never be finished and each one must always be conscientiously striving to develop his own nature to as near perfection as possible.

TO THE ALUMNI.

Commencement will soon be with us and with it will come the class reunions. This year reunions will be held by the classes of '45, '50, '55, '60, '65, '70, '75, '80, '85, '90, '95, 'oo and 'o2. A number of these classes are making strong efforts to break all previous records for attendance. 65 promises a large number back. '75, Dr. Raymond's class, is making extensive preparations for its reunion and a large majority of its members will surely be on hand. There is no reason why these two classes should outdo the others. These gatherings are great affairs and should be encouraged to the greatest possible extent. What Union wants and needs is to draw her sons closer about her and this can be accomplished in no better way than by these same class reunions.

Then come one and all! Let us make this year a record-breaker. Come and see the boys here now. They are a pretty good lot and you will not be ashamed of them. And it goes without saying that we want to meet you. We have room and a hearty welcome for all.

The proposed plan of holding recitations on Saturday morning is deserving of no little consideration. We all see the advantage of having the work made easier and we doubt if many men will oppose it on this ground. This more even distribution of work ought to give opportunities to many men in college for competing for positions on the various athletic teams. The greatest complaint of our coaches has lately been that the men do not have time enough to devote to training and practice. Then too, this plan will practically compel attendance upon college games and exercises, on the part of a large number of men who go home over Saturday and Sunday.

On the other hand, much that is regularly accomplished on Saturday morning will

have to be deferred to another time. However, can not this be accomplished during the week, if we have more time then? Undoubtedly, it will be unfortunate for the man who goes home over Saturday and Sunday to save expenses and also for the man who is obliged to work in a store Friday and Saturday. It will, too, do away with Friday evening gayeties, to some extent, but does this mean that Saturday will be any the more peaceful?

Still, we feel that such a change will be favored by the students generally and that they will support the Faculty in its desire to lighten our labors. If we were to make any complaint at all it would be on the score of chapel bolts. As we will be obliged to make chapel oftener, would it not be fair to allow us a few more bolts?

Our track team tries conclusions with Rochester this afternoon in the second meet of the year. The men have been working hard and faithfully to make the result of this meet different from that of two weeks ago and also to make up for the defeat suffered at Rochester's hands last year. They have also before them the mark set for them by the brethren on the baseball team. All success to them.

Our good wishes are also with the base-ball men. Having won six straight games on the campus, for the first time in three weeks they are playing on strange ground. They play this morning with scarcely any time in which to work off the stiffness of their long trip, so a victory will be doubly creditable.

Another "moving-up" day has come and gone, marking the rapidly nearing end of another year. It is a matter worthy of congratulations on all sides that the ceremonies, which at one time looked as if they might make trouble, went off with no conflict between the Faculty and the students. It can

in no wise be denied that the occasion lacked some of its former entertaining features, but no doubt we will all live as long for having made classes that day as we would had the day been more in line with its predecessors. It is to be hoped, in view of the harmony which prevailed this time, that, in the future, some agreement may be reached whereby "moving-up Day" will be as settled a date in our college calendar as "Commencement Day" now is.

It is with the deepest regret that all who are in any way interested in the college, learn of the resignation of Dr. Wright from his position as head of the mathematics department, a position he has filled long and faithfully. He will long be remembered by all who have had the good fortune to ever have been in any of his classes as a gentleman and scholar of the first rank.

White his active work of teaching is now finished, it is the earnest hope of all that he will still continue his excellent work along educational lines for many years to come.

As this is the twenty-eighth number of this year's issue of the "Concordiensis," our readers will be deprived of the pleasure of a further perusing of its newsy columns until "Commencement Week." At that time there will be the regular "Commencement Number."

Marie Antoinette was told the people had no bread.

"Probably the janitor took it off the dumbwaiter," she explained.

Angered by her common sense, the dramatic French did their worst.

"What does the word 'aroma' mean?" was recently asked by a Newark teacher. Only one hand went up. Its owner thus explained: "When you cook an onion in the kitchen the aroma is what you get in the parlor."

The Rochester Meet.

For the past ten days the oval has been undergoing numerous repairs, in preparation for today's meet. The management has had the track widened, developed and rolled, and it should be in excellent condition for today's contest.

Bleechers have been put up around the track and it is sincerely hoped that as large a part of the student body will be present as is possible, for a good meet is promised.

The team left here last night at 6:45 in order to take the night boat leaving Albany at 8.00 p.m. The outlook for a successful trip is bright and there is no doubt but that the boys will bring back another victory. Hildreth will be in the box for Union. The line-up will be as follows:

Rider, first base.

Hagar, center field.

Diver, third base.

Harvey, second base.

Richards, right field.

Mulrooney, left field.

Davis, short stop.

Vogt, catch.

Hildreth, pitch.

Union Defeats Middlebury.

Last Saturday Union added the sixth successive victory to this season's baseball schedule, winning from Middlebury in the best game that has been seen on the campus this spring.

The features of the game were Rider's sensational stop of a grounder, for which he was obliged to stretch his full length on the ground; Davis's good pitching, and the excellent form in which Vogt threw to second base.

The manner in which the team steadied down in tight places was encouraging. In one inning two were on bases and none out; in another Fisher drove out a three bagger and roosted on third while three were put out; and in the last inning, three were on bases with one out. In every case the side was retired easily and at other times Middlebury was held safely.

Saturday's victory was especially pleasing because of the fact that the Middlebury team was confident of victory from their arrival on the campus.

MOHICANS DEFEATED. Y. M. C. A. Team Outclassed.

In a loosely played contest on the Campus Wednesday afternoon Union defeated the Mohican A. C. of this city by the score of 11 to 4.

The Mohicans found Davis at once and Chad-

burne, the first man at bat, knocked out a pretty three bagger, scoring on Cryne's grounder to Harvey. Union failed to score until the third inning when a hit by Davis, a couple of errors by Chadburne, and a clean hit by Rider netted 3 runs. In the fourth the collegians added four runs to their score and another in the sixth. Each side scored three times in the eighth.

Hawkes, of the Mohicans, pitched an excellent game, allowing only seven hits, but the fielding behind him was wretched. The game was devoid of any sensational features. At all times, except one inning, the boys worked well, but there was no snap in their play. This was partially due to a feeling of confidence, which should not be allowed to grow into over-confidence.

slowly. However, the numbers of the eligibles for the singles has been reduced from six to four, and at present there are but two teams entered in the doubles. Those who have thus far qualified in singles are King '05, Brooks '06, Vincent and F. Raymond '08. The teams entered for doubles are Hull and Wheeler, Vincent and King. It is earnestly hoped that Hamilton will soon not fy us exactly what matches they wish to play, as th's will make it easier for us to select the team, and obtain the necessary practice. The umpires have not as yet been obtained. The trials as far as they have gone are shown in the following scores:

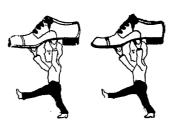

Vincent beat Meeker 6-3, 6-0. King beat Becker 6-1, 6-1.

Raymond beat Becker 11-9, 6-4. Brooks beat Meeker 4-6, 6-3, 7-5.

The match will take place on Wednesday, May 24th.
