Editorial.

We are glad to see that our editorial of a few weeks ago received an answer in one of the city papers. In this answer we are accused of being inconsistent and page and paragraph quoted to show this inconsistency. We are sorry, however, that the chagrin of our contemporary at being compelled to descend from its usually fine rhetoric, in order to make its meaning penetrate our impenetrable cranium has blinded him to the fact that in asserting the gentlemanly character of the students, we did not also assert that of the street gamins of Schenectady. Although we did say that rotten eggs and decayed vegetables were thrown by the Sophmores we did not say that they destroyed property. Perhaps rotten eggs and decayed vegetables may be the proper missiles to break windows and tear curtains, but this we leave for our readers to decide. That other missiles were thrown we acknowledge but not by the students of Union college. It was more to their discomfiture than to that of the unaffected citizen. We trust that this explanation will be sufficient for even our contemporary to understand.

We heartily endorse the statement made in the chapel the other morning that the chief thing we need is college spirit. Without this in abundance a college can accomplish nothing. It should be shown in

every enterprise that the college undertakes. If it is a game of base ball the students present should cheer. Do not let a few men do all

the cheering.

If it is the intercollegiate field day let all the men in college who can possibly go, be in attendance to give the men who take part in the events encouragement and to show there that the students as a body really do care whether they win or not. When the students of Union College become so thoroughly infused with college spirit that they enthusiastically support every college enterprise, then they will soon succeed in placing Union in her right fit position as the leading college of New York State.

To say that the result of several of the ball games already played was displeasing to the students is to put it mildly. Whatever may have been the cause, the fact yet remains that we have suffered defeat. what is worse in one case at the hands of a prep. school team. Last year the base ball manager when urging people to attend and soliciting subscriptions could say that the team had not been defeated on the campus. How is it now?

There is good material in college and on the team. The individual playing is generally good, and with a little practice in batting and base running, but above all with better team work there is no reason why we cannot turn defeat into victory, and keep up the record made in the last two years.

The game of ball between the Octagon and Press clubs resulted in a signal victory for the latter.

RESOLUTIONS ON DEATH OF HON. WM. H KING.

At a special meeting of the Union College Alumni Association of the Northwest, held in parlor "A" of the Grand Pacific Hotel, on the 19th day of February, 1892, the following preamble and resolutions were unanimously adopted:

WHEREAS, The Union College Alumni of the Northwest have been shocked by the painful intelligence of the sudden decease of our beloved and honored president, Hon. Wm. H.

King, LL. D., therefore,

Resolved, That the death of the Hon. Wm. H. King, LL. D., is an irreparable loss to this Association. His entrance at the bar, in the legislative halls, and as member and president of the Board of Education of this great city for a period, in one capacity and another, of over forty years, has marked him above all other Alumni of Union College of this metropolis as its distinguished representative. Hence he has fittingly for more than twenty years, by a unanimous consensus of the members of this Association, been chosen and acted as its president.

During these years, Alma Mater has honored her distinguished son with the high degree of LL. D., and chosen him as one of her permanent trustees. His sudden and lamented death has deprived the Union Alumni of the Northwest of his marked ability for leadership, and our Alma Mater of his valued services and

support.

Resolved, That we cannot too highly esteem and honor the character of the deceased as a man. Mr. King lived and fought out his battle of life upon the same field by a succession of honorable triumphs extending over a period of half a century. He lived, during all this time, distinguished for his manly, honorable conduct, his strict integrity, his unbroken friendships, his geniality and kindness of heart and manner, his absolute independence, his public and patriotic spirit, his devotion to the cause of education, and—a thing which happens to few men at death—passed through the struggles of a long and active life with a character spotless and without taint.

The Alumni of Union College everywhere will mourn his loss and

emulate his virtues.

Resolved, That in this hour of their sad bereavement the Union Alumni tender their profound sympathy to his surviving companion and children, to whom in life he was so completely devoted, who cherished him with such loyal affection, and who may well cherish his honored memory with sanctity and a reverent pride.

Resolved, That these resolutions be entered upon the records of this Association, and that copies be furnished by the secretary to the bereaved widow, the president of Union College and the Associated Press.

JUNIOR HOP.

The juniors gave a hop at Fuller's Hall, Friday, April 22. As this was the last dance of the season, an extra effort was made to have it thoroughly enjoyable. The Cotillion was danced after the regular programme was finished. Altogether this was one of the most successful dances of the year, the music being especially good. The juniors and more directly the Hop Committee of the class deserve hearty congratulations and thanks for the success of their efforts through the entire year in making the hops pleasant breaks in the routine work of the terms.

Base Ball.

UNION 22--HAMILTON 3.

The first game of ball with another college was that with Hamilton on the Campus, April 23. There was a large attendance. The team played better than in any previous game, and had no difficulty in running up a large score against their opponents. The battery was Tallman and Lavery, and that of Hamilton, Naylon and Payne. Good work was done by both batteries. Each of the pitchers struck out ten men. The playing by the Union team was good throughout. There were only four errors made during the whole game. The batting also was excellent. Two base hits were made by Smith, Thatcher and Auchampaugh, and a three base hit by Merchant. Hamilton made one run in the first inning which the Varsity tied when they came to bat. In the second no runs were made by either side. In the third each made two. After this Hamilton did not score a run while Union scored eight in the fourth, and 11 in the seventh, making the score 22 to 3. During the eighth Robertson began to pitch for Hamilton. Naylon took his place in right field. At the beginning of the ninth, Mulligan went in to catch for the Varsity, Blessing taking his place on third, and Lavey going to centre-field. The last half of the ninth inning was not played. HAMILTON.

UNION 4--COLGATE 10.

The game began at 2:15 with Brookins at the bat. He led off with a safe hit over short stop's head. Two more base hits were made, and Union retired from the first inning with two runs to her credit. Colgate followed with one hit and with the help of four errors by Union scored three runs. Colgate scored four runs in the third, and three runs in the fifth, but Union could do nothing until the eighth when two runs were scored by good batting and base running. Union's eleven hits were so scattered as not to avail for as much as Colgate's nine hits which seemed to be made just at the right time to bring in the runs. Both batteries did excellent work, and with a little better support for Union the game would have been very much closer. For Union Thatcher did some fine work in the field and Brookins at the bat making two singles and one three base hit. Leete, 2d base for Colgate, also did well, making two singles, and sending two flies to left field.

GLENS FALLS 5-UNION 9.

The fourth game on the campus was that with the Glens Falls nine. This was a semi-professional team, made up of players from Glens Falls, Hoosic Falls and Troy. The game throughout was a very good one. The batteries were, for Glens Falls, Marshall and Manning for the first five innings, and then Dolan and Lucy; for Union, Tallman Lavery. Tallman struck out ten men and Marshall one. The Union men did very well at the bat and also in base running. The strongest point in the visitor's playing was their fielding, which was fine. Their first baseman, Pierson, did excellent work for them and succeeded in

putting out ten men. At the beginning of the eighth innings, Mulligan who had broken his finger was replaced by Bannister. Up to the fourth innings it looked as if the Glens Falls team would be the winners as they had shut out the Varsity and scored two runs. After this the Varsity gained the advantage and kept it until the end of the game. The last half of the ninth was not played. Below is the score and the positions:

UNION 11, SYRACUSE 7.

One, two, three order marked the beginning of the Syracuse game on both sides, but Union retired from

the fifth inning with six runs made. Syracuse had not crossed the plate once, but a collision between Brookins and Sullivan, both after the same fly, let in one run. Neither side scored in the sixth, but in the seventh Union made five errors and let in five runs for Syracuse on three hits and the score was tied, 6-6. The Syracuse men were full of hope. After two men were out in the eighth, Lavery took his base on an error by third baseman, and managed by a very pretty slide to score. Syracuse could keep us in the field but a moment, just long enough to count the next three men out, and Union went to bat for the last time, determined to make that margin a little higher. Brookins led off with one of his easy but safe hits and Sullivan followed with another. two base hit and two more singles brought in four runs, making the score 6-11 for Union. Syracuse made one hit and scored a run but Tallman brought the little contest to a close by striking out the next three men in order.

It was a nice ending to a well pitched game. Lavery as catcher gave fine support.

The features of the game were Auchampaugh's batting and Sullivan's base running:

UNION 15, SYRACUSE 21.

The postponed game with Syracuse, was played on the campus Thursday, May 5. There was quite a large attendance to witness the most ignominious defeat the team has suffered this year. The game was called at 3 o'clock with Syracuse The respective batteries at bat. were Tallman and Lavery for Union, Quick (a professional), and Cobb for Syracuse. No runs were scored by either side during the first two innings. In the third, owing to two errors the Syracuse team secured 6 runs, while Union made two. Syracuse kept the lead until the sixth innings when Union scored 8 runs, making the score 12 to 7 in her favor. In the next innings Syracuse put Nichols in to pitch and Quick in right field. Union scored 1 and shut out Syracuse. In the eighth Lavery

hurt his finger and dropped out. Merchant went behind the bat, Blessing took third base and Baldwin went into right field. Syracuse put Quick in to pitch again and Nichols took his old position in right field. Then through errors Syracuse tied the score in the eighth and stood one ahead when Union went to bat The first man at bat in the 9th. Tallman came up and struck out. made a home run. He was loudly cheered and carried around on the shoulders of the enthusiastic students. The score was tied and remained so, as the next two men failed to score. In the tenth innings the team seemed to go to pieces entirely. It seemed impossible for the men to hold the ball. Syracuse scored six runs and shut out the Varsity, leaving the score 21 to 15 in their favor. The work done by some of the men in the team was excellent, that of others was exceedingly poor. The battery did good work as will be seen from the fact that Syracuse did not make as many hits as the Varsity and had more passed balls. The number of errors by our men was large and what was still worse 14 of them let men to first base.

Below is the score with the positions:

FRESHMAN FIELD DAY.

The Freshman field day was on Friday, May 5, as elsewhere announced. The weather was very bad. It rained all the time during the sports. The track was heavy and the men ran under disadvantages. The following is the list of events, entries and winners: 100 yards dash, Baker, Pollock and Allen. Baker took first and Allen second place. One-half mile walk, Sawyer Shalders, Klein. No award was made.

Running high jump, Bergin and Baker. Bergin first and Baker second place.

Pulling shot, Barnes, Ames and Browne. Barnes took first and Ames second place.

Running broad jump, Browne and Cook. First place was won by Cook.

One mile run, Bergin, Shalders, Van Schaick. Van Schaick won first prize and Shalders second, Bergin dropped out.

The 440 yards bout was postponed on account of rain.

The Tennis association has been making great improvements on the courts by having posts set and wire back nets put up.

The date of the University field day has been changed to May 18, so as to give more time before the intercollegiate meeting at Utica.

At the last college meeting, Fox, and Lines were appointed as a committee to see about special rates to the field day at Utica.

SCHENECTADY, N. Y.

The candidates for positions on the Junior and Sophomore stages meet the committee in the chapel, on Saturday, May 7.

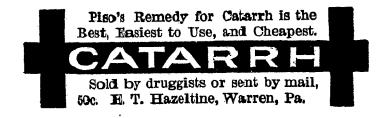

The following are the Commencement Appointments: Doig, Dougall, Furbeck, Hunter, Meserve, Orr, Prest, Reddish, Trumbull, Williams.

The Garnet editor is wise to state to the public that the Garnet has been delayed owing to delay in getting the cuts, but that it will appear soon.

The game of ball with Syracuse which was to have been played on the campus on Monday afternoon, was postponed on account of the rain until Thursday, when the Syracuse team returned from its eastern trip.

About seven years ago I had Bronchitis, which finally drifted into Consumption, so the doctors said and they had about given me up. I was confined to my bed. One day my husband went for the doctor, but he was not in his office. The druggist sent me a bottle of Piso's Cure for Consumption. I took two doses of it, and was greatly relieved before the doctor came. He told me to continue its use as long as it helped me. I did so, and the result is, I am now sound and well—entirely cured of Consumption.—Mrs. P. E. BAKER, Harrisburg, Ilis., Feb. 20, 1891.

At the indoor meeting of the Tenth Battallion Armory in Albany, VanValkenburg took second on the short put and Baker second on the standing high jump.

The following are the appointments for the Junior and Sophomore stages: Juniors, Bownes, Cooper, Esselstyn, Hoxie, VanZandt. Sophomores, Lawton, Lynes and White. The committee was Profs. Wells, Ripton and Stoller.

On the evening of Apr.22, the Union Chapter of Chi Psi was revived. This was the Alpha chapter, the fraternity having been founded here in 1841, and died out in '70. Eight men were installed, Cooper, Hoxie and Morey of the Junior class; Furman of the Sophomore class; Hulbert, McMartin and Potter, of the Freshman class; Sprague of Union Classical Institute. Quite a number of alumni of the chapter were present and also several men from the Hamilton Chapter.
